Divorcee Mom, Son and Me
By Woffen
I want to tell you about a woman….. a fascinating woman that I met a few months ago. Her name is Wendy and she has a son Tommy. We met oddly enough on the internet and chatted for several weeks. We felt we were compatible and decided to meet. There are things about myself that I didn't reveal and later I found there were something's about her that she didn't reveal. That is what this story is about.
Wendy is a wonderful woman… a sexy woman…. a beautiful woman. She is not very tall and her tits are not large but she has very sensitive nipples and if you give them enough time and attention will make her cum. She has raised a child, Tommy, almost on her own. Her husband left her for another woman and broke her heart. For a very long time she was devastated and had every reason to be. She had given him all of herself and even when he started to cheat on her, which she was aware of, she still forgave him and allowed it to continue.
Several years went by with just her and Tommy. But Wendy had a secret…hidden from her husband and her son. She had a secret desire for forbidden sex… a deep hidden desire. Not for sex with her husband even though he was gone would gladly come back and bang her hot tight little box if given the chance. Her desire was to have sex with Tommy. A desire that burned inside of her ever waking hour and it was on her mind and a burning need between her legs everyday.
When Tommy turned 16 he became sexually active with his girlfriend and she was a fox! Hot, sexy, beautiful and almost smart but for a 16 year old that didn't matter. And one more thing she would fuck! And she loved it! It didn't take long for Tommy to love it as much as she did. They would fuck at every chance until one day when Tommy talked to the wrong girl at school. His first love….his first fuck… saw him and that pissed her off. After slapping him in front of all his friends she walked off and Tommy walked home devastated. Wendy took one look at her son and her heart began to melt. She tried to talk to him but for the first time he didn't respond. Wendy cooked his favorite meal but he didn't want to eat. Days went by and Tommy seemed to sink deeper and deeper into his depression. Wendy was at her wits end. Nothing she tried seemed to work. No talking ….consoling… food… trips… nothing worked. Late one night as Wendy stepped out of the shower Tommy was walking down the hall in his briefs as Wendy tried to dash for her bedroom with only a small towel to cover

her. As fate would have it she ran into her son and they both tumbled to the floor. Tommy had not had sex in almost two months and his cock was in a constant state of erection and Wendy had not had the feel of a man in over two years. This accident was the start of relief for both of them.
Wendy ended up on top of her son with her hard nipples right at his mouth and his cock sticking out of his briefs right at her pussy. The desire that Wendy had been holding back for a very long time seem to peak as the need for sex Tommy was feeling was also peaking. Wendy looked at her son and instead of saying “I’m sorry” bend down and kissed him. Tommy responded to the feel of the first woman in weeks and started to kiss her back. Not only that but his cock responded and started to grow and poke out of the hole in his briefs rubbing against his mother’s cunt. Wendy’s need was overwhelming and as she felt the pressure of her son’s cock against her wet pussy. She pushed back driving his cock deep inside of her. It only took a few seconds until both of them were lost in passion and desire. Wendy ridding her son’s hard cock in the hallway fulfilling her secret desire and Tommy trying to satisfy his own animal lust.
This was the first of many encounters. What started as a chance fuck turned into an almost daily sex game. Tommy would bump into his mother in his room or her bedroom or in the den. And if Tommy didn’t make the first move then Wendy would find an excuse to check on Tommy late at night or check his homework after dinner. Sex for them was as regular as meal time.
Now I enter the picture. Wendy was a smart woman working to support herself and her son. She was smart and beautiful and sexy. She had many admirers but none suited her purposes. She knew she would never give up her desire for her son and no one she ever met would accept that. In our long conversations Wendy asked and probed and inquired about a number of subjects but mostly about sex and acceptance and being judgmental. I told her on many occasions I do not judge people. I accept people for who they are and what they believe and something clicked between us.
After many weeks and many chats we decided to meet. I came to her and we had dinner. The night ended with her staying with me at my hotel. The sex was wonderful. It was magical. It was more than I had ever hoped for and she enjoyed herself too. I was invited to her home to meet Tommy and we hit it off. Never during this time was I aware that she and Tommy had an ongoing sexual affair. Even though Tommy and his sexy girlfriend made up and resumed their relationship he never stopped fucking his mother as often as her could.
I had been to Wendy’s maybe 4 or 5 times in the past two weeks and if I wasn’t there then she was with me at my hotel. Luckily I had found some work to do while I was there and had to work late one Friday evening and called to cancel our plans for dinner. About 8pm my client had an emergency and had to leave so I rushed to my rental car and drove to Wendy’s place. I arrived and saw the lights on so I knocked as I entered the back door. No one was in the kitchen so I called out but no one answered. I slowly walked through the house and started hearing moans coming from the far bedroom. Wendy’s bedroom! The same bedroom that the night before we had had sex for over two hours and she had cum multiple times.
I cautiously walked down the hall and slowly opened the door. From there you cannot see the bed as there is a small seating area that is separated from the bedroom by a large book case. I looked

through the books lined up on the shelf and could see Tommy between the legs of his mother fucking her as hard as he could. His energy and stamina was impressive. He was pounding her cunt hard and fast as any 16 year old would do. As I looked on as Wendy and her son continued to fuck at an impressive rate. For some unknown reason Wendy looked over toward me. Her eyes met mine and she smiled. I knew immediately that she saw me and I was transfixed watching her and Tommy fuck. Wendy was moaning and urging Tommy on as he fucked her long and hard as only a teenager could do.

“Fuck me Tommy! Fuck you mama! Give me that hard fucking cock!! Ohhhhh… yea baby boy…that’s it! Pound your mama’s cunt! Make mama cum for you baby!!”

“Mama you are so fucking good! Mmmmmm…oh fuck your pussy is tight! Give me that hot fucking cunt mama! Oh fuck you’re a good piece of ass!!”

“Oh fuck baby! Mama is getting close! Your going to make me cum!!!!”

I watched as my cock grew hard. I involuntarily unzipped my pants and pulled my hard prick from my pants and started to stroke it as I watched Wendy fuck her son. The scene was surreal as I could see his hard prick drive into his mother’s snatch over and over. We looked into each other’s eyes as Tommy concentrated on fucking his mother. I could see the passion and the orgasm start to build as Wendy and I continued to look at each other. I could hear her scream as Tommy pushed her over the edge and moments later I could hear him grunt as he released a wad of hot cum deep inside his own mother.

“I’m cumming baby! MAMA’S CUMMING!! OH FUCK!!! AHHHH….FUCK ME BABY! FUCK YOU MAMA’S NASTY LITTLE CUNT! I’M….OH FUCK….I’M CUMMING!!!! AHHHHHHH!!!!!”

I could hear Wendy moan and scream as her orgasm overcame her. Tommy kept pounding his mother’s cunt until I heard him grunt as he released his hot load deep inside her cunt. I had never witnessed anything so hot and sexy in all my life.

As Tommy rolled off his mother I backed away into a corner of her room behind the bookcase Wendy only used for storage. My hard cock was still in my hand as I felt the need to relieve myself but the fear of intruding overwhelmed me.

Moments later I could hear Wendy tell her son to run to the store and pick up what she needed and to do it quickly as it was getting late. I heard Tommy tell his mom that he would hurry and then the sound of zipping pants and Tommy running from the room.

I reappeared behind the bookcase and looked at Wendy naked on the bed with her legs still spread. We again looked into each other’s eyes and I could see the need and desire. Wendy smiled and wiggled her finger toward me wanting me to join her. I approached the bed with my still hard cock stick out. I undressed as I approached her as I saw her put her hand over her pussy to stop Tommy’s cum from leaking out.

Without hesitation I crawled up on the bed and between Wendy’s legs. As she started to explain about her and her son I motioned her to be quiet. I got over top of her and eased my cock into her already cum filled cunt. I could feel the heat from her son’s hot deposit as my larger cock sank deeper into Wendy’s cunt than any man she had ever felt. I could hear a moan as I bottomed out in her cunt

in one slow thrust.
Without saying a word we started to fuck. Slowly at first then faster and faster! Wendy was cumming over and over as my hard prick started pounding her saturated cunt. Her pussy was swollen and sensitive and as I fucked her harder her orgasms increased in intensity. In a matter of twenty minutes I released a second huge load of hot cum deep into the recesses of her well fucked cunt.
“Ohhhhh….fuck!!! Ahhhh….Your cock is so fucking big baby! Fuck my pussy baby! Fuck me hard! Ohhhhhh… fuck baby! Cum in me just like my baby boy! Ahhhhh….Oh fuck that’s good! Give it to me baby!!! Oh fuck me harder!!! Harder baby!!! Fuck me!! Give me that fucking cock!!!”
“Take it you horny cunt!! You like me watching you fuck your son! You want me to shoot more cum in you don’t you! Tell me! Tell me you fucking cunt!”
“No….no….I….I never…”
“Don’t lie to me you motherfucking slut! Tell me! Tell me you wanted me to watch!”
“No….No….I didn’t mean….”
I kept fucking her cunt feeling the cum that Tommy had left earlier. Her pussy was still very tight but the lubrication from Tommy’s cum felt wonderful and was turning me on even more.
“Yes you did! You wanted me to catch you fucking your son didn’t you? Tell me you fucking slut! Tell me you wanted me to watch you fuck him!”
“Ahhhhh…..OH FUCK! YES!!! YES!!! FUCK ME! YES I WANTED YOU TO WATCH ME! I WANTED YOU TO WATCH ME FUCK MY SON! I WANTED YOU TO FUCK ME WITH MY CUNT FULL OF HIS SEED! YES….OH FUCK!!! YES…YES…..YES!!!!”
“Now you want me to cum in that nasty fucking cunt that your son just shot his load in don’t you? Tell me you fucking slut!”
“YES!! PLEASE! PLEASE CUM IN ME! CUM IN ME JUST LIKE TOMMY! FILL ME FULL OF YOUR HOT CUM! OH FUCK!!!! YOU’RE GOING TO MAKE ME CUM!!!! FUCK ME!!! FUCK MY MOTHERFUCKING PUSSY!!! YOUR GOING TO MAKE ME CUM!!! OH FUCK YOU COCK IS SO FUCKING GOOD!!! FUCK ME….CUM IN MY CUNT!!! I WANT YOUR CUM IN ME WITH MY SON’S!!! YES…YES…. OHHHHHH….FUCK MEEEE!!!!!”
“I’m going to fuck you alright! I’m going to shoot my load right in the same fucking cunt your son just filled you up!”
“AHHHHH….I’M CUMMING!! I’M FUCKING CUMMING! FUCK ME YOU BASTARD!!! FUCK ME YOU HORNY FUCKING BASTARD! FUCK MY CUNT YOU SON OF A BITCH! FUCK MY MOTHERFUCKING CUNT!!! CUM IN ME!!! FILL MY CUNT LIKE TOMMY! FILL MY MOTHERFUCKING CUNT!! FUCK MY WHORE CUNT!!! OH FUCK!! FUCK ME!!! HARDER!! I’M CUMMMINGGGG AGAIN!!!!! AHHHHHHH…..FUCK ME YOU FUCKING BASTARD!!!! AHHHHHH….SHIT I’M CUMMMINNNGGGGG!!!!!”
It didn’t take long after Wendy’s admission that I had emptied my hot cum deep into her swollen and well used pussy. After I unloaded what seemed like a pint of cum in her already full cunt I left my cock buried deep inside her as I kissed her and told her that watching her fuck Tommy was exciting. I only wanted her to be honest with herself and with me. After that I pulled out and crawled up beside her

and stuck my dripping cock to her lips. Without hesitation she opened and began to lick and taste the cum from her son… me and her hot cummy cunt. Her mouth was hot and she sucked and licked me until all the juices were gone. She moaned as she tasted the sweet cum of all of us on her tongue. Afterwards we lay together and she told me how the events of her life and the fucking of her son came about. I kissed her tenderly and told her that I would not judge her for doing what she thought was right. I reached down and stuck two fingers deep inside her dripping cunt then took them and put them to her mouth. She opened gladly and licked the combined cream from my fingers. We kissed again as we fell into a deep sleep.
