Landlady gets her just deserts

http://www.lushstories.com/stories/spanking/lake-district-parts-1-2.aspx

Thought you might be interested in this, as you know I am a shop fitter by trade and often travel all over the UK staying in various hotels, this last week-end I had to work in Glasgow and stayed in a Travel lodge, I got the job done sooner than I thought and had a whole day to kill so decided to go back via the Lake District so that I could take some photographs (photography being my hobby) so I drove around and found a pleasant B & B.
I checked into the B & B and after a shower I lay on my bed and got out my lap top and watched a porn film that I had previously downloaded but not watched yet, I got turned on and I had a little play (if you know what I mean) anyway as I was about to come I am sure I heard a muffled sound, almost as if someone could hear me. I thought no more about it and then I went for a wash and went out to take some pictures. I got in about 8pm and went to my room, I wanted a bath but found there was no hot water, I went downstairs to the landlady's accommodation and when I got to the door I found a note " Gone out, be back at 11pm in case of emergency call 079..... I rang the number and told her it was not an emergency but I had no hot water for a bath. She told me to open a door on the landing and throw a switch which would have room 6 on it, the water would be hot in 20 mins.
I tried a door that was shut tight and after pulling hard it opened, what I saw shocked me, there in this "blanket room" were 6 TV sets and one was switched on and I could see it was showing my room, I knew it was my room as my camera case was on the bed. I followed the leads and found the video recorder, I rewound it and watched my exploits of earlier. I now gathered that as this room was adjacent to mine, the landlady had been watching me in my private moment. I removed the tape and put in a fresh tape, I found the switch room and switched the immersion heater on and thenI had my bath and searched for the hidden camera which was very cleverly disguised in a clock.
11pm arrived and good as gold the landlady Anne arrived back home, she came and knocked on my door and asked if I had found the switch, I told her to come in. Anne was a brunette, I would guess that she was around 38 years of age with a good figure, maybe size 12 she dressed well in a short emerald green dress. I had dressed by this time;
"Here I want to show you something", and at that I pressed play and on the TV in my room came the picture of me watching the porno and having a wank.

“So, do you video everyone’s room when they stay here” I said
She was quiet for a while and then explained that this hotel used to be a swingers hotel and that the previous owner had installed the CCTV system and that she had only bought the place 3 months ago and had not discovered the system until recently.
I told her that I found that hard to believe and it was obvious that she had videoed me as mine was the only room with a monitor switched on, she blushed and said YES.
I pointed out to her that this was a serious invasion of my privacy and that the last person to be caught doing this (about 8 years ago) had received a prison sentence that was the landlord of some student flats and he had videoed the girls in their rooms.
“Right now what are we to do about this matter, how many guests do you have at present ? “
‘Only you’ she replied
“And who lives here with you?”
‘My daughter, she will be out all night’
“So we are alone here then?”
‘Yes’
“By rights I should report this matter to Cumbria Police and get them to investigate the matter,”
‘Please don’t do that, this is our home as well as our business, I will be out on the streets if you do that’
“Okay then as it is me who has had his privacy invaded then if I take the matter into my own hands and decide your punishment, I will stay for another night, for which I will pay, and I will punish you tonight, then again in the morning, at dinner time then tomorrow evening”
‘How will you punish me?’
“That is up to me to decide, now will you take my punishment or do I call the Police”
‘I will take your punishment’
“Right then no time like the present, I would just ask one thing, seeing as this is being taped can you please look at the camera and say that you are asking me to punish you for spying on me using your CCTV system and that you will take your punishment without claiming assault later.”
She turned to the wall and said;
‘I agree to Peter’s punishment for spying on him I am doing this of my own free will’
I then pulled up a chair, bent Anne over my knee lifted her dress and spanked her over her knickers, she cried out as the blows landed.
I touched her knickers;
“Anne, these are coming down now, it does not matter if you scream I will give you a serious beating before this is over and you will receive more tomorrow If you want me to stop then I will do but then I make the call do we understand each other”
‘Yes Sir’
I pulled her knickers down and landed more slaps to her bare ass and it got very red, I think she got 30 or more.
“Stand up Anne, I want you to take off the dress and the knickers and bend over the bed, I am now

going to cane your bare ass, I saw this earlier and it will be put to good use over the next hour or so”
I brought the cane down on Anne’s bottom and she did scream out, I laid some 12 strokes onto her ass before allowing her to take a break. Anne looked at me then knelt down in front of me and pulled my zipper down, she just looked at me as she drew out my cock and started to suck me, I showed no emotion, although I struggled to hold back my orgasm and to give Anne her due she swallowed every drop.
“That was very good, thank you but if you think that it will stop me carrying out the rest of your punishment then you have another think coming”
It was now 12.30am,
“Right I am going to bed now, you go to your room and think about tomorrow, I want you here at 7am bent over ready to take the same again”
‘Okay’ was all she said.
Anne did not disappoint, she crept into my room at 6.45am and took my cock in her mouth again and started to suck me.
“You are still going to be punished”
‘Do you fancy a fuck?’
“Yes I do, but I repeat you are still going to be punished”
‘Okay, but maybe if I do a really good job you won’t hit me so hard’
Anne climbed on top of me and did all the work, she was very good her pussy muscles gripped my cock hard and when I started to come she really milked me.
I got up with my cock still wet and put her naked body across my knees and spanked Anne’s ass for her, yes I was a little kinder, firstly because of the fuck but also because her ass was still very sore from last night’s caning.
END OF PART 1
In part 2 Anne gets another punishment and her daughter asks to take her mother’s place for the final spanking as it was her in the monitor room when I was filmed and that her mom had such a sore ass she could hardly sit on it.
****

PART 2

I went out taking photographs until 1pm when I returned to the B & B, instead of going up to my room I knocked on Anne’s door, she answered it.
‘Oh !!! I wasn’t expecting you back yet, I have a friend with me’
“We have an agreement, you still have 2 punishment sessions to attend or the deal is off”
Her friend Fiona heard what I had said
She said ‘That sounds interesting, what has Anne been up to that deserves Punishment’
Fiona was a woman of roughly the same age as Anne, 6ft tall thin with mousy blond hair she did look very attractive.
“I will leave Anne to tell you what she did to warrant her punishment but she has an appointment with me to receive her spanking”

Fiona again spoke ’Is there any chance I could watch, you could do it here in the kitchen’
I replied that I had no objection but I could see that Anne did not like the idea, however Anne agreed that her friend could watch and it would be done in the kitchen.
I sat in a chair and instructed Anne to bend over my knee, I had Fiona lift Anne’s skirt and lower her panties.
‘Wow that backside of yours is red baby’
Fiona then sat and watched
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
I laid into Anne’s naked backside like I had done the first time,
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
‘Stop, please give me a break you are hitting me a lot harder than you did before’
“We agreed that I would decide the level of your punishment and I am not going to go soft on you now”
‘You are defiantly not going soft on me I can feel your hard cock against my belly’
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
You will not get off by doing that young lady,
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
I looked across at Fiona and saw that she had her hand up her skirt, I presumed that she was rubbing herself.
“Smaccccckkkk !!!!, “

“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Right Anne, that will do for now you may get up, Anne got up and I looked directly at Fiona.
“You were playing with your cunt whilst I was spanking Anne weren’t you”
‘Too right I fucking was, it got me really wet’
“So Fiona you are turned on are you, I take it that you did not come”
‘No’
“So how will you come, by going across my knee or by being fucked?”
‘Both hopefully’
“Right Fiona, drop your knickers and bend over the kitchen table”
Fiona bent over the table not knowing what was to follow,
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
‘One more please then take me I am wet through’
“Smaccccckkkk !!!!, “
I then dropped my trousers and entered Fiona from behind, Fiona’s height made it easy for me to slid my cock straight into her wet cunt and give her a good fucking, my cock slid back and forth and when I looked round it was Anne who had her hand on her pussy rubbing herself to an orgasm. Fiona was good maybe not as good as Anne but good all the same and after maybe another 15 minutes of sex I shot my load into Fiona’s pussy as she came with a loud cry.
I left the ladies to go to my room and have a shower, and then a kip.
I was awakened at 6pm by a light knock on the door, I pulled a pair of trousers on and answered the door, a young lady then came into the room, this was Anne’s daughter Samantha, she was 21 years old blond with large boobs, and a slim body, she would have made an excellent page 3 girl or would easily have graced the pages of Nuts magazine.
‘Hello, I am Samantha, my mum has told me what you have been doing to her and that tonight’s punishment session is to be the last, I would like to take her place’
“Why do you want to do that, it will be very painful”
‘Well for one, I have seen mum’s ass and it could do with a break and two, it was me who switched the cameras on to record your wank yesterday, it was me you heard in the next room

I was bringing myself off seeing your cock and how you were rubbing it'
"Okay, in view of what you have said I agree, however you must realise that you will get 20 spanks with my hand on your bare ass and then 12 strokes of the cane"
'Can I have some strokes of this afterwards' she touched my cock through my trousers.
"Samantha, you are so beautiful that you can have some of this both before and after I punish you"
I dropped my trousers and she dropped to her knees and took it in her mouth, she was easily the best cock sucker that I had had in a long time, I was tempted to fill her young mouth with cum but thought better of it, I got her to her feet laid her on the bed and I brought her legs up to my shoulders as I drove my hard cock into her pussy, she was good, different from her mum, her pussy seemed longer, different to Fiona, certainty tighter than Fiona. No two women are exactly the same and I find that with each different one I have sex with there are many things alike but many things that are different.
As Sam came so did I
"Is Anne still downstairs?"
'Yes'
"Right, please go and get her and bring her up here"
'But I thought that you had agreed I could take her place'
"I did but she will watch, she will see the pain that you have had to endure on her behalf"
Five minutes late Anne came into the room with Sam.
"Right Anne, Sam has told me how she wishes to take your place, but I feel that as her mother you are responsible for this mess, you could have taken the cameras out but you chose not to, I will punish Sam in your place but I want you to witness her pain"
I got Sam to bend over my knee, I lifted her skirt but made Anne lower Sam's knickers.
"Right Anne sit over there, and if you so much as touch yourself whilst I am punishing Sam then I will Cane you do you understand"
'Yes Sir'
I spanked Sam
"Smaccccckkkk !!!!, "
"Smaccccckkkk !!!!, "
"Smaccccckkkk !!!!, "
"Smaccccckkkk !!!!, "
"Smaccccckkkk !!!!, "
"Smaccccckkkk !!!!, "
"Smaccccckkkk !!!!, "
"Smaccccckkkk !!!!, "
"Smaccccckkkk !!!!, "
Sam was squirming and by the look of the moisture emerging from her pussy she was getting off from the spanking.

“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Smaccccckkkk !!!!, “
“Right Sam, strip naked and bend over the end of the bed, I am going to cane you now”
Sam did exactly as she had been told and I brought the cane down hard on her
“ Wooooosh .....Cracccccckkkkk”
‘Yeeeeoh’, ‘ That fucking hurts’
“yes it does now bend back over you only have 11 more to take and it will be over”
Sam bent back over the end of the bed
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
‘Please stop give me a breather, ‘ She started to rub her backside
‘Yes give her a breather Peter’ said Anne
“I did not ask for your input Anne, bend over where you stand.
Anne did as asked and I landed 3 hard swats of the cane across her backside, yes she had her trousers on but they offered little protection from the cane.
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“Now sit down and let me finish Sam off I believe we have 5 more to inflict”
‘Yes Sir’
Sam bent over the end of the bed and I delivered the last 5 strokes, I did soften up a little but I still caned her,
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“ Wooooosh .....Cracccccckkkkk”
“Thank you Anne, you may leave now, Sam has asked if she can spend the night in my bed.
I got into the bed having stripped and Sam who was already naked got in beside me and cuddled up to me.
‘You must come here again you know’ but next time you can stay in my room and there will be no charge so long as I can have plenty of this’ she started to rub my cock.
I touched her pussy and she was wet through, I got her onto all fours and pushed into her wet pussy holding onto her hips as I drove into her, she came almost at once, I continued to fuck

Sam and I rubbed some of her juices around her ass before slowly pushing my finger in there. ‘That’s nice, will you fuck me there please, I love it, do you know that my mum has never had anal, we talk about everything you know?’
I slid my cock into Sam’s ass and then said,
“Tell you what ,get out of bed and lie on the end of the bed, get your legs up high and I will fuck your ass this way, so that when you mum watches the tape she can see how much you love it. I fucked Sam hard in the ass before filling her ass with my hot cream.
I left at 6am but not before saying goodbye to Sam and Anne promising that I would call again when I was next in the area. I took the tapes with me but edited the last one and sent Anne five minutes of tape showing her beautiful daughter getting fucked in the ass by me, I enclosed a little note which read – WATCH THIS SEVERAL TIMES, SEE THE PLEASEURE SAM GETS FROM IT AND WHEN I AM THERE AGAIN I AM GOING TO HAVE YOUR ASS..... Peter
