While screwing Amanda, her mother stumbled in and she just had to join in!

Amanda held her mouth tight over Steve's hardon as it filled her mouth with white hot cum. As the last jets dripped from his dick, he exclaimed, "Baby, you do that like no other bitch I ever had the pleasure of fucking!" Amanda swallowed the juicy liquid and looked at her lover with bright happy eyes. She always loved it when Steve would compliment her sexual proficiency, and lately he had been complementing her plenty! He loved getting head, so she put everything she had into it, so as to get his approval. She felt very lucky indeed to have a boyfriend like Steve!

While she was only eighteen and still in high school, he was twenty one and working a full time job at the tire factory on the edge of town. She knew some of the women that worked out there, and Steve surely could have his pick of any of them. Steve always told her that age didn't necessarily make you a good fuck, and that she was better than most of the other woman he had ever had! Without a dad around the house, Amanda was the perfect target for someone needing a father figure in her life. Guys like Steve just seemed to have a sixth sense in smelling out the particularly vulnerable young women on whom to prey on.

Steve would get off work at 3:00pm, and drive over to Amanda's place where they would have sex for and hour or so in Amanda's bedroom. Her mother was a line worker at the candy factory, and didn't get off work until 5:00pm, so this gave the two lovers plenty of time for their extra curricular activities! If Amanda's mother even had a hint she was having sex with and older man she would skin them both alive, so Steve was always out of there by no later than 4:30! Today they had made love two times, and had finished up the usual way, with Steve filling Amanda's mouth with cum. It was only 4:15, so the two of them lay together naked, just nuzzling and kissing each other, neither of them hearing the opening and closing of the back door.

If they had, they might have been able to scramble up and get on their clothes, but instead they just lay there as Amanda's mother opened up her bedroom door. There were three pretty stunned people in that room, but it was Amanda's mother who spoke first, or should I say yelled first!!! "What in the

hell is going on here, Amanda," Carol shouted, "and who the hell are you," she asked, looking directly at Steve?!?!? Amanda, totally terrified, tried to answer, "Well, Mom, it's like this....." "Like what, you little slut," Carol fairly shouted, "tell me what it's like!!!" During all the explosion, Steve just lay quietly on the bed, not even trying to cover up and hide his nakedness.

Now again, Carol pointed her fury at Steve and shouted, "Get out of my house, get out of my house right this instant!!" Steve just smirked at the older woman and stood up, brazenly showing off his well formed physique. "Lady, why don't you shut your fucking mouth and leave us alone here, this isn’t any of your business anyway," Steve sneered! Carol was suddenly unable to reply to the rough young man who stood before her, being intimidated by his crude manner and forceful personality. "Now me and the little bitch here, have been fuckin' for months now, she's been afraid you'd find out about us, and I've tried to help her keep her little secret, but I really don't give a fuck if you know about us or not," he insolently continued. All this time Amanda was lying on the bed with a sheet pulled up over her, listening to the exchange between he mother and lover. Steve walked over to Carol until he was right in front of her, his naked pecker growing to it's full nine inches, pointed directly at the stunned mother. "Hey, baby," he went on, "look at this meat I have here, your daughter tells me you ain't getting any, so why not try it out right now?"

Seeing the massiveness of the erection in front of her, momentarily threw her off balance. It was true that she hadn't had a man for months, and the mere sight of this young man's hardon was making her knees go weak. In a weak trembling voice she reiterated, "Please get out of my house right now or I'll..." Steve cut her off, and in a hard edged voice demanded, "Or you'll do what, cunt!?!" Carol swallowed hard, trying to regain her lost composure. In most cases, a man can sense when he has a woman at his mercy, and this was no exception, Steve knew instinctively that Carol was his for the taking! With her defenses totally shattered, Steve took her by the arm and led her over to the bed, where he sat her down on the edge. His pecker now at face level, he moved it inches from her mouth. He didn't even have to tell her what to do, she opened her mouth and sucked the giant head in. Looking down at her, he commented, "Now I know where the little bitch here gets all of her talent from!" Amanda looked on with wide eyes, not believing what she was seeing!

In less than two minutes from the time she opened the door, her own mother was sucking off her boyfriend right in front of her! She would have complained, but seeing how Steve had handled her mother, she felt it was wise to just shut up and do what she was told!!!
Carol couldn't believe what she was doing, sucking a huge cock in front of her only daughter! The magnetic and over powering personality of Steve was more than she could cope with. It was plain to see that both she and Amanda were under the spell of this young man, and there was nothing either

of them could do about it! What ever he wanted, they would be only too happy to give it. All though she was trying to fight it, her pussy was leaking like a row boat full of holes! Her thoughts were interrupted when she heard Steve order her daughter, "Darlin', do that little thing with your pussy, you know, the one where you lay with your legs spread and your fingers up your cunt!!!"

Amanda threw back the covers and revealed her beautiful slim young body for both Carol and Steve to see. She lay back and spread her legs wide apart, exposing her dripping pussy to open air. "Do it bitch," Steve spat at her, watching as the young girl began to masturbate. "Look at your little baby," Steve said, "she always did have a hot little cunt!" Out of the corner of her eye Carol could watch Amanda rubbing her fresh young vagina. She wondered to herself if her daughter loved having this huge penis jammed into her little hole. Jesus her daughter looked hot, no wonder Steve loved fucking her! "Keep playing with it baby, I'm going to fuck your old lady!!!" Steve pulled his pecker from Carol's mouth and lifted her to her feet. He gave her passionate kiss full on the mouth, which caused her legs to slightly buckle.

"Okay baby," he ordered, "off with your clothes, now!!!" Carol hurriedly stripped off her slacks and sweater, leaving her with just her bra and panties. Steve let out a low whistle of approval as he looked the older woman over from head to toe. Even though she was thirty six, her breasts were still full and firm, with just a slight hint of sagging. With her bra off, Steve cupped them in his hands, taking time to roughly twist her nipples. A low moan escaped her lips, which didn't go unnoticed by Steve. "Oh, you like that do ya, bitch," he said with derision, "want some more of that do you?" Carol had a far away look on her face, but nodded yes to Steve's question, and pushed her chest hard into his hands. The tit massage made her forget about taking off her panties, but Steve didn't forget, and reached down and ripped them off her with one hard yank!

Now both mother and daughter were totally naked and ready to do the bidding of this young dominating male! Steve put his hand between Carol’s legs and fingered her wet cunt. "Well, bitch," he said scornfully, "what we got here is a wet fuckin' pussy!" "Okay, lay down beside Amanda," he ordered Carol. She dutifully obeyed him, and lay down next her daughter, looking sadly into her eyes. Steve positioned himself between Carol's legs, and guided his pecker head into her wet slit. Once he got the head inside, he drove his penis home, causing her to scream out in a mixture of pleasure and pain! Shaking her head from side to side, she kept begging for Steve to fuck her harder! Steve needed no more encouragement, as he slammed his pecker in and out of her helpless cunt!

Both Steve and Carol were on the orgasm express, as they drove each other towards their climaxes.

Amanda was transfixed at the sight of her sweet innocent mother being fucked like a whore, and hearing her beg for more! Her own finger was working her little clit into an absolute frenzy! The driving penis, the moaning mother, and the hot boxed little high schooler were all about to go over the cliff and crash on the orgasmic rocks! Amanda was the first to scream that she was cumming, but the sound of the eighteen year old having a climax set off the other two! Carol threw her legs around Steve’s butt and held on for dear life as her climax ripped through her pulsating vagina, while Steve roared as cum spurted from his fuck pole and into the quivering pussy of the older woman.

All three of them lay in a heap on Amanda's bed, trying to catch their breath. Steve was the first once to speak when he said, "You cunts are two of a kind, like mother like daughter!!!" Now putting on his clothes, Steve stared down at the two women and exclaimed, "Tomorrow afternoon, you both be here, understand?!?" Both of them said "yes" in unison, and Steve replied, "You fucking better be!" After he was gone, both of them got dressed without saying a word. They both knew that from that time on they were both Steve' fuck dolls.
