This describes a pretty much average Friday night for me now.

Hello, my name is Ashley and at the time I'm writing this I am 19 years old and in college. I am a brunette with about breast-length hair. My boobs are about C cup, by the way. I live with my roommate Amy. She's a blondie and I'm a bit jealous of her DD cup breasts.

Anyway, one day as I was coming home from my classes, I heard some soft groans coming from Amy's room. I knocked on her door, and heard her whisper, "J-just a m-minute. I'll be right OOOooout!"

At this point I had figured out that she had obviously been masturbating. I said to her from the hallway, "I understand, Amy, it's okay. I'll let you clean up." I put up my school bag in my room and went to wait in the living room.

About five minutes later, Amy came out of her room and gave me a sheepish smile, and said, "I'm sorry about that, Ashley."

"It's ok. I know what how you feel." I'll never forget what happened next.

Amy proceeded to ask me, "Hey, I'm still kinda horny. Do, you want to do something?"

This took me completely by surprise, I spluttered for a moment and then managed to croak out, "What!?"

"You heard me," she said in a sexy voice, "Let's mess around!"

"O-okay." Ten minutes later I was wondering why I'd agreed to this. Amy was in a too-small bra that her large breasts easily poked through and wore an eleven-inch pink strap-on. I would've asked why the dildo was pink, but I was too busy choking on a gag with my hands handcuffed behind my back. All I could manage in the way of conversation were pathetic grunts.

"Now are you my dirty bitch?" Amy asked.

I grunted and nodded my head furiously. Amy thenproceededto turn mearound and ram the dildo into tight pink pussy. "Mmmmmh!" I grunted. Then she also started fingering my asshole. It was unlike anything I'd ever experienced. I'm pretty sure I orgasmed ten times.

Once I couldn't handle it any more, Amy pulled the dildo out of my throbbing hole. "I'll be right back," she whispered in my ear.

I tried to move away from my position, but was immobilized from pleasure.

When Amy returned, she was holding a double-headed dildo and a vibrator. "Let's get you out of these things," she said. After she took out my gag and unbound me, I asked if I could take over. She said, "Of course you can, my little whore."

So, I pulled her bra between her perky tits and started sucking and chewing on them. "Oooooh, that's so good!" she moaned.

Then I disengaged her bosom and took hold of the double-header. First, I inserted it slowly into my little bunghole. Then, I also slid the other end into Amy's. We started to thrust our hipstogetherand moan in pleasure. I held it strategically between our two pussies.

"Oooooh!!" we both yelled at the same time as we climaxed together.

"Well, well," Amy said, "That was pretty good for your first time!"

"Thanks," I said. "What should we do now?"

Amy volunteered, "Why don't we look up some porn for you when I'm not around."

"I think I've had enough sex for one day," I replied. "Oh, by the way, my cousin Summer asked if she could visit. I said yes, and now that I know you more, I think you'll like her."

The only reply Amy gave was adevilishsmile.
