My sister continued to massage my cock. We could hear my mother downstairs humming. We looked at each other and giggled. She handed me the ice and told me to put it on my head. She changed her position on the bed so she could face my cock. The air in the room was heavy with sex. I started to get semi hard as my sister rubbed my cock. She seemed fascinated with it. She stroked it. She held my balls in her hand and tugged. I asked her if she ever did this to anyone before. She said, 'Once, while in a movie with Tom.' Her on again, off again boyfriend. She told me mine was bigger.

She saw some cum between my cock and balls. She leaned in and inhaled. She buried her face in my crotch and licked me clean. She looked back at me and smiled. She asked if I wanted to taste it. I told her I already did when Mom sat on my face.

My cock was hard again as we heard Mom coming up the stairs. Vicki quickly pulled up my sweats and shifted position so she was facing me again. She held the ice on my head as my mother walked in the room singing. She stopped when she saw my sister holding the ice to my head. She saw my cock at full attention in my sweats and said, 'Again?'

My sister looked at her and said, 'Again what?' My sister turned to see my erect cock. She then looked back at my mother.

My mother looked at Vicki and said, 'What's that?' She walked over to her; and with her finger wiped my sister's chin. When she pulled her finger away my sister saw some creamy white stuff on my mom's finger and gasped. Mom smelled her finger and then tasted it.

Her eyes went wide when she looked at Vicki and said, 'Did you have your face in his crotch?'

Vicki started to try to explain. Mom stood in the doorway with her arms folded over her chest. She didn't look angry, she looked worried. Vicki said, 'When I returned with the bag I saw you sitting on James' crotch and you were naked. Your eyes were closed and when I saw you I froze. I didn't know what to do. Then I heard you start to moan, and I found myself wanting to watch. You looked so

beautiful rubbing yourself on him like that. You made it seem like it was the best feeling in the world. You were rubbing your pussy on his cock and you were moaning so loud. Then when you had finished you sat on his face and starting licking his crotch. You looked like you liked it. So I wanted to see what it tastes like. So I tried it just now, I like it.'

My mother started to panic. 'No one can know. I could get in so much trouble,' she said.

'Mom it's all right we won't tell anyone,' my sister said. 'Please, Mom, I'm sorry. I have never done anything like this before.'

'We can't, it's not right,' my mother said.

Vicki said, 'Oh please, Mom, we can keep it our secret. I'll do anything.'

My mother stood in the doorway for a minute. 'What if your father finds out?' she said.

'Don't worry no one will tell him. It will be our secret,' Vicki told her.

Mom thought for a long while. She finally asked, 'You liked it?' My sister nodded. Mom said, 'We can't tell anyone'.

I couldn't believe what I was hearing. Both my sister and my mother wanted to use me as their toy. I didn't feel any pain anymore from my head or my groin, except for the head of my cock which was purple and felt like it would explode.

My mother said, 'Your father will be home in 45 minutes. We have to finish before then.' My sister started to remove her shirt when she stopped and looked at Mom. Mom just nodded. My sister stripped. She had the most beautiful tits. A little larger than a handful with big nipples that stuck out. Her pussy hair was shaved into a small strip and I could see her lips sticking out of her pussy.

Mom walked up to her and told her how beautiful she was. She cupped her tits in her hands and squeezed her nipples. My mother pressed her hand down along her stomach to her pussy. She slipped a finger between the lips of her pussy. Vicki let out a moan and closed her eyes. Mom pulled her finger away and put it in her mouth. She slowly sucked the juices off her finger.

Mom and Vicki looked at my crotch. Mom told Vicki to pull my sweats down and to play with my cock. Her eyes were wide as she knelt between my legs and slowly started to jerk me off and licking the precum from the tip.

Mom started removing her clothes and asked her, 'Can you taste me on him too? Do you like it?' My sister nodded as my mother climbed on top of my stomach and started licking my cock as my sister was licking my balls. I took my thumb and stuck it in Mom's moist pussy. It was still wet from earlier. I placed my thumb to Mom's asshole and started rubbing it. She let out a moan when my finger entered her asshole. My stomach was getting slick with the juices leaking out of her pussy.

Mom raised her hips as she slid towards my cock. She squatted and told my sister to hold my cock and guide it into her pussy. Vicki held onto the base of my cock as my mother lowered herself onto me. My sister's hand was coated with my mother's juices. She brought it to her mouth and started to lick it.

Mom leaned back with her shoulders to my chest and told my sister to lick us both. I reached around and started massaging my mother tits. I ran my hand around to the nipples and squeezed. She let out a deep moan. I could feel Mom's pussy gripping my cock. My sister pressed her face into Mom's pussy as she played with my balls. I could feel Mom getting close. She grabbed Vicki by the hair and forced her face onto her clit. My mother started bucking on my cock as my sister bit down on her. I couldn't believe how loud she was when she started cumming.

My sister's mouth never left her pussy. Mom lifted off my cock. My cock popped out. Vicki grabbed it and started licking it and pressing her face into my crotch, Mom moved her ass back shoving her swollen pussy into my mouth. She started licking and kissing Vicki's face. She told her if she would have known it was this good she wouldn't have waited so long.

She sat up and told Vicki to squat over my cock. She held my cock as Vicki sat down on it. She was so tight and I could hear her moan as she impaled herself. Mom leaned forward and began licking my juices coming from my sister's pussy. Vicki started moaning and bucking her hips as she started to cum. My cock fell out of her as she squirted all over my cock and mom's face. Mom rubbed her pussy into my face harder. Her pussy juice was flowing out of her down my chin. She forced her pussy down so hard on my face I couldn't breathe.

My cock was slippery with their juices as my sister played with my balls. Mom was jerking me off so hard the head of my cock was going to pull off. Mom held my cock with one hand as she furiously jerked me off with the other. My ass rose off the bed as I came. My cum flew into my mother's face and hair. My sister put her mouth over the tip as I kept spurting into her.

She showed my mother all the cum in her mouth my mother attacked her face and started to open mouth kiss her. Sticking her tongue into her as they shared my cum. As I lay on the bed watching them swallow I glanced at the clock and shook my mother telling her Dad would be home any minute.
