This story is about me and my cousin Gwen and how our relationship took off to a whole new level. It was a warm summer's day and we had been invited to a pool party by my Aunt Tina for a small family gathering so it would be me, my sister and parents along with my Aunt, Uncle Barry and my cousin Gwen. I'm 21 standing at 5"10 with long dark brown and hazel eyes and as for Gwen she is a real looker, She's the same height as I am, 19 years old so there's a 2 year difference between us. She has long flowing red hair, emerald green eyes and she is the most sweetest, kindest and selfless person you'll ever know.

We arrived at my Aunt Tina's and we went through the house and into the back yard to see that the BBQ was on and everything was ready for the pool party. We had only been there for 5 minutes and we were already heading for the cool pool due to the sun being so hot, so we just jumped in and cooled off.

I asked Aunt Tina where Gwen was "She's still upstairs deciding what to wear so she'll be down in a few minutes."

As we were in the pool having some fun I saw Gwen standing there In her blue and white striped bikini and she looked amazing and she should for a gymnast. She looked amazing. Her bikini hugged her breast's perfectly and the whole thing made her look absolutely gorgeous.

I decided to get out of the pool and go say hi to her, She no idea I was behind her so I crept behind her slowly, put my hands on her shoulders and said "Boo!" she jumped and screamed at me and when she turned around she began to laugh slightly "You love making me jump out of my skin huh. Tim."

I smiled at her and said "You love me for who I am really." she smiled back and gave me a hug. In the hug I could feel her breasts press against my chest. I could feel myself grow in my trunks and I felt Gwen move closer to me with her breasts pressing more and more against me so she must of felt my bulge in my trunks.

After our rather intimate hug we both jumped in the pool and splashed about a bit with the others for a while. While we were in the pool Uncle Barry had been doing the BBQ. "Grub's up!" he yelled.

So we all got out of the pool and helped ourselves to what there was. We sat down at the table eating and talking about whatever came to mind. Gwen was sitting across from me at the table and I could feel her foot slowly rubbing up and down my leg.

"I'll be back in a minute I need to use the bathroom." so she got up from the table and walked towards the back door. Before she got there she caught my attention and hinting to me to go inside with her. I finished my food and said that I was going inside for a bit to get out of the heat so I got up and followed Gwen inside. We went upstairs and followed her into her room.

"What's up Gwen?" I asked as I closed the door behind me. I began to see her blush a little.

"There's something that I wanna confess to you Tim."

I felt a little confused and asked "Whats that?"

She walked closer to me and looked at me in the eyes "I have a crush on you Tim."

When I heard that I was speechless and her face went crimson. "Gwen I had no idea you felt that way about me." so I took her hands and said "But you wanna know something?"

She looked at me with a smile and said "Whats that?"

With my heart racing I replied "I feel exactly the same way about you.". I placed my hands on her waist and her arms around me. We moved in closer to each other and the next thing I knew we were making out. Our tongues began to enter each other's mouths twisting and twirling with one another. Gwen began to run her fingers through my hair and my hands were slowly going down her ass cupping both cheeks.

I scooped her up and had her legs wrapped around my waist while I carried her toward her bed placing her on her back. The kiss then broke off.

"Oh my god I can't believe we're doing this." Gwen said in disbelief.

"Well this little make out session is just the beginning." so I began to kiss her on the neck and worked my way down gently kissing her gorgeous body all the way down to her pussy. Gwen was moaning

with every kiss I gave her.

"You have no idea how long I've been wanting you to do this to me Tim."

I moved back up to her, looked at her dead in the eyes and said "Oh yeah?" I moved my hand down her body and slipped it under her bikini thong inserting my finger into her wet pussy.

"Uh-huh, I even think about you when I masturbate." she said as she bit her bottom lip. I then moved down between her legs and untied her thong exposing her glistening, wet pussy.

"How bad do you want me to eat your pussy?".

She placed her hand on her right breast and started rubbing it "Very bad, please stop teasing me!"

I began licking her and tongue fucking her "Oh god Tim don't stop, make me cum!" so I began inserting my tongue deeper and deeper sucking on her clit and groping her left breast "Oh fuck I'm gonna cum Tim I'm gonna cum!"

And within that moment I felt her juices gushing out and into my mouth.

"You taste good Gwen."

She placed her hand on my cheek, pulled me and said "Kiss me.". We began making out again for a few seconds then it broke off "M mm your right I do taste good, now let's see if you taste just as good.". We swapped places so that I was sitting on the end of the bed with my trunks around my ankles and Gwen on her knees stroking my cock.

"You're bigger than I imagined, I think I'm gonna enjoy this.". The feel of her soft hand rubbing my shaft up and down was driving me crazy, I thought I was gonna nut right there in her face.

She looked up at me with her beautiful green eyes biting her bottom lip "You wanna see something?"

I looked at her with a smile and said "And what would that be?"

Her arms reached behind her and she untied her bikini top "These!" and her well rounded breasts were exposed right there in front of me

"Wow, can you look any hotter Gwen?" she let out a little giggle and she put my cock in between her tits rubbing them up and down squeezing them together "Oh god Gwen that feels unbelievable!"

She released my cock from her breasts and began giving one amazing blow job. She began licking the head and then it disappeared in to her mouth licking it inside with her tongue. She then moved her way down my shaft wrapping her tongue around which felt sensational. Next thing I knew her head was bobbing up and down on my cock she looked so sexy with my cock in her mouth.

"Oh Gwen I'm gonna explode!" I exclaimed. She then took my cock out of her mouth.

"Not yet your not, you've gotta fuck me with this big guy." I then brought her to her feet then bent her over the bed and spread her legs wide open. "You ready for this?" she looked back over her shoulder and said "You better believe it big boy!" so I guided my cock toward her wet pussy and entered it slowly until it was all the way in.

Gwen was gripping her bed sheets and whipped her head back "Oh god Tim fuck me!" so without hesitation I began thrusting my hips as hard and as fast as I could. The whole time I was fucking her Gwen's moans were becoming more and more erotic. Luckily no one outside could hear her due to the had they music on. Gwen was getting wetter and wetter with every thrust I gave her and she was enjoying every minute of it.

"Oh Gwen I'm close!" she looked over her shoulder at me and said "Yeah? I want it in my mouth!" so she got off the bed, onto her knees and started sucking my cock "I'm gonna cum Gwen!" she looked up and replied with a muffled "Mm Hmm!". In that instant I exploded inside her mouth and she swallowed every last drop of it "M mm you taste better than I do!". I pulled her up from her knees and we looked at each other in the eyes. Gwen said "I love you Tim." and I replied "I love you too Gwen.". We both kissed each other, put our swim gear back on and went back outside with everyone else as if nothing had happened.
