I had been quite the little whore lately. Ever since my Dad had taken my virginity, I was a raging bundle of hormones. I loved the feeling of a hard dick inside me, and I had learned to get a guy to lick my pussy if he wanted me to suck him. I had turned a bit manipulative. My Dad gave good lessons on fucking, and I used them to my advantage. High school Senior boys were a piece of cake for me. They just wanted to shoot cum in my mouth. They did whatever I wanted. Little did I know, that there was much more to learn from my Dad.

My Dad had a new mistress. I was insanely jealous of her. She was gorgeous. She was 25 and had blond hair and nice big 38 D tits. I'm sure they were fake Her skin was a golden tan, and her ass was like a damn bikini models ass. The cheeks were like perfectly round twin moons and hard as a rock. Her eyes were the color of sapphires and I hated her. I was thin and had tiny tits, and felt like a kid around her. Her name was Katie.

One night Dad said he was going to take Katie out dancing, and wouldn't be back till late. Mom was visiting her sister so I had the house to myself. I was feeling kind of horny, so I got on video chat and was putting on quite a show for a couple of guys. I had a vibrator and was rubbing my pussy with it, while they jerked off. Suddenly I heard a gasp.

"Oh my God!"

I turned around and there was my Dad and his perfect blonde mistress. My Dad grabbed the computer and shut it off. He was glaring at me and I knew I was in trouble. I tried to cover up, but he jerked the blanket away and said,

"Oh, hell no! You weren't shy showing it to strangers, why develop modesty now."

My face was flaming red. He said, "It's time you learned a lesson."

I whispered, "Please not in front of Katie."

He just grabbed my wrist and said, “ You do as I say.”

He bent me over his lap and the first stinging slap hit my left butt cheek. He smacked my ass harder with the second slap. The third hit felt even harder, and I squirmed to get away from his hand. My pussy was starting to tingle, and I was shocked at how wet I felt. He rained blow after blow on my burning ass. My whole ass was hot and felt like it was on fire. I felt the tears building up in my eyes. I was ashamed that I was grinding my pussy in pleasure and embarrassed that Katie was witness.

My Dad stopped. I looked up expecting to see horror on Katie’s face, but her eyes were glazed with lust and she was lightly touching her nipples through her silky camisole. I sat up quickly, and started to go out of the room. I could see my Dad's erection through his pants and figured they wanted to be alone. My dad stopped me by grabbing a handful of my hair.

“I'm not done with you Stephie.”

I looked at him and then at Katie, and she smiled a mean smile.

“Make her eat my cunt, Bill.”

“Daddy! No way!” I said it, but my heart wasn't in it. Katie was gorgeous. I had secretly looked at her so many times.

He unzipped her skirt and dropped it to the floor. She wasn't wearing panties. He had her sit on the very edge of the couch, and spread her legs wide.

“Eat that pussy, Stephie. Don't stop till she screams.”

I thought about refusing. But her bare pussy and the look in Daddy's eyes told me that my reward was waiting. He pushed me to my knees and I lightly licked up and down her smooth bare snatch.

“Not like that!” She hissed and grabbed my hair and pulled my face into her wet cunt. “Lick it hard,” I barely had time to grab some air, and I pushed my tongue against her clit. Her clit was huge. It was much bigger than mine. I licked it hard and fast. I teased her with my tongue, flicking it and licking it. I gently nibbled it and she ground her cunt on my tongue. I sucked her clit into my mouth and hummed. She came with a shout, and I stopped but she said, “Keep licking.”

I looked up at my dad and he slapped my ass hard, and said, “You heard her. Eat that pussy. Get your tongue in there.”

He was stroking his cock watching me lick his mistress. She moaned again. “ Oh God Bill, your daughter, is a hot little piece of ass.”

“I know Katie. I've had her before.”

My dad came up behind me and rubbed his cock up and down my wet little slit. I moaned. He slid it inside and started sliding it in and out slowly and deep inside. He got a steady hard thrusting rhythm going and he held my hips firmly as I ate Katie's wet cunt. She arched her back and her ass came up and she came with a shout. Her hands were yanking my hair, and Daddy was fucking me from behind. Her smooth bare pussy was jerking all over my mouth. She shuddered one time and let go of my hair.

Daddy pulled out of my pussy and sat down on the couch. Katie started sucking his throbbing cock like a trained whore. I could see why he liked her as she opened her throat and just fucking swallowed his cock. His balls literally touched her chin and he groaned in pleasure. She was making these slurping noises, and he was thrusting up into her mouth. He reached out and grabbed my wrist and said,

“Let me taste that sweet pussy baby.”

I straddled his face and lowered my pussy onto his lips. He knew what I liked, and with no teasing at all he ground his tongue on my clit. He ate my dripping little pussy, like a starving man. He was licking, sucking, rubbing his lips over my clit. I came hard. I could hear Katie moaning and slurping my Daddy's big cock. He told me to turn around and put my ass in his face.

I knew what was coming and I did it eagerly. I reached back and spread my ass cheeks while he licked my tight asshole. I moaned like a whore, and suddenly he stopped. He pushed me off his face and stood up. He bent Katie over the arm of the couch and motioned me to lie down in front of her.

She was a trained whore and he didn't have to tell her what to do. She bent over the arm of the couch and started licking my tight pussy while he thrust hard into her from behind. Each time he thrust into her he slapped her ass and she licked my pussy harder. A shattering orgasm tore through me with her tongue stuck up inside my throbbing snatch.

He pulled out of her pussy, and pointed to his dripping cock.

“Suck it.”

We both dropped to our knees in front of him and took turns sucking and licking his big thick cock. I sucked his balls while she slurped his dick, and then we switched.

He pushed me to my hands and knees and I felt something warm and slick slide down the crack of my ass. My dad pushed a lubed finger into my tight asshole. He squirted more lube and pushed two lubed fingers inside. He started pushing them in and out of my slippery ass. Katie had left the room and came back with a small dildo. She lubed it up and handed it to my Dad. He pushed it inside my ass slowly. I moaned and tried to pull away. He kept up the slow assault and just left it inside for a few minutes while Katie sucked him hard and fast.

He pulled the dildo out and handed it to Katie.

“Daddy is going to fuck your tight ass Stephie.”

He pushed slowly against my tight rear end. I tensed up but he pulled my ass cheeks apart hard and continued pushing inside. I tried to pull away again. Then he rubbed my clit, and pulled part way out and squirted more lube on his cock. I felt the tingling starting. He pushed again forcing his way into my tight asshole. I moaned in pleasure and pain. I had never felt so stuffed in my life. He started pulling in and out of me, picking up speed, but still going slowly. He groaned loudly.

“ Fuck Katie, her ass is the tightest fucking thing I ever felt.”

Katie, glared at me and for a triumphant moment I knew she was jealous of me. So I moaned loudly and moved my ass back to meet his steady thrusts. He was thrusting more firmly now. He was picking up speed. He was starting to pant and sweat. I knew he was close to cumming.

“Fuck my ass, Daddy.”

I pushed my ass up to meet his thrusts and he literally yelled. His hands convulsively clenched and unclenched on my ass cheeks. Katie was fucking herself with the dildo, but Daddy was only focused on me.

“Fuck yes, Fuck yes, Fuck yes, that feels so fucking hot Stephie.”

I squealed like a little whore, and moaned .

He bellowed loudly, “ Fuck, I'm cumming”

He shoved deep in my ass hard and shot his load inside my tight asshole. He bucked twice more

shooting stream after stream of cum into my ass. His full weight pressed on me and I fell forward. He lay on top of me for long minutes getting his breath back. He pulled out of my ass slowly and carefully. He stroked my ass cheeks tenderly and kissed each one. He asked me softly if he had hurt me. I told him that I loved it.

“I love you Stephie.”

“I love you too, Daddy”

He kissed me hard on the mouth and walked over to Katie. I didn't feel so jealous anymore. Even though he kissed her and rubbed her big tits, I knew that I still had a spell on my Dad. Katie was just another in a long line of big titty bimbos. I was still his special girl. I gave Katie a big hug. I pressed my small tits against her big ones and she got dressed. Daddy drove her home but I knew that he would be back. He would keep coming back to me. I still had things for him to teach me.
