Jason's eyes shot open, exactly 36 seconds before the alarm clock would announce that it was 6:30 a.m.. He hurriedly reached over and turned it off before it could disturb the sleeping form nestled so tightly against him. The naked sleeping form. His daughter, Sarah.

He scrubbed his hand over his face, recalling the events that took place the night before. Remembering how her young cunt was unbelievably tight, pure pussy with a snap to it. Remembering how hard he'd made her cum, how hard he had cum.

Then he remembered he was talking about his 16 year old daughter.

He couldn't believe he was that sick, that perveted, that weak, to have sex with his own daughter. His own flesh and blood. TWICE! Even after she confessed to him that not only was she a virgin, but she wasn't on any type of birth control either.

Hell he knew that, knew his daughter was innocent. But at the time part of him was praying he was wrong. But then the images of her with another had flashed through his mind, and he'd felt the uncontrollable need to claim her again.

And damn he did.

He had flipped over onto her, pinning her body to the bed with his. He grabbed both her legs and hooked her knees into the crook of his elbows, opening her pussy completely to him. He watched her face as he entered her with one forceful thrust. She bowed her back and gasped aloud. He knew hadn't hurt her that time because she was still heavily lubricated from her cum mixed with his sperm inside her.

He could feel himself hardening under the sheets at the fresh memory and reached under to grip his dick, continuing to recall.

At this angle he was especially deep and could feel her pussy throbbing against the underside of his cock. Sweat dripped down his forehead and back at the extension of not cumming right then and there.

He slowly glided his hand up and his own throbbing length, his precum lubricating his fingers.

He slowly pulled out to the head and just as slowly pushed back into her. He repeated this until she was panting and thrashing her head around, begging her daddy to fuck her.

He smiled smugly and gave her what she wanted and then some. He jackhammered her pussy, fucking her like his life depended on it.

He quickened the pace of his hand over his erection, his balls bounced heavily causing him to moan lightly. He quickly forget that his daughter was laying right next to him and continued with the memory.

"Yess daddy", she hissed, "fuck me like you wanna hurt me! Oh God! Yeah, yeah fuck me!"

He bit into her neck, the sound of her cries causing tingles to run down his spine and cup his swinging ball sack. He wanted to--

"Daddy?"

The sound of his daughter's very confused voice brought him back to the present. He looked at her and his cock involuntarily jumped at the sight that greeted his eyes. She was laying facing towards him and had her head propped up by her hand.

She had the covers down leaving her naked 16 year old body completely exposed for her perveted daddy's lustful eyes.

"What are you doing daddy?"

"Umm I was uh, just uh..." He stammered over his words, slightly embarrassed that she'd caught him masturbating. She chuckled at this.

"Its okay daddy. I do it too, watch."

With that, still laying on her left side, she extended her right leg high in the air until her knee met her right breast, amazing him with her fluid flexibility.

She reached her arm around and starting rubbing her slightly flushed cunt lips from behind. She started at a slow pace, building into a vigorous rhythm, moaning continuously, eager to cum for her daddy.

"You like watching me do this to myself daddy?"

Still holding his cock he started pumping his length again, clearing his throat before answering her.

"Yes baby, I do."

She moaned and rubbed herself faster.

"You wanna watch me finger fuck myself daddy?"

He clenched his jaw, not trusting himself to speak he simply nodded, reaching a hand down to softly fondle his balls.

She moaned again and looked down at her pussy, slipping one, then two fingers into her greedy cunt. She gasped and started fingering herself viciously from behind, her mouth open wide and gasping for air.

"God I'm so fucking close daddy! My fingers feel so good fucking my pussy! Oh shit! Watch me daddy! Watch me make myself cum all over my fucking fingers! Oohhh yeah!"

Her body was shaking, her fingers pistoning in and out of her juicy little cunt. She was fucking herself so fast and hard that her pussy was making a wet sqellshing sound.

Soon her fingers were blur and her body locked up on its self. She tipped her head back to look at him and in a strained voice whispered,

"Watch me."

Then she came.

She came wildly, uncontrollably, uninhibited. Her fingers never lost pace, her toes curled, her breasts shook, thighs trembled, her eyes were screwed shut and her mouth was wide open as she screamed aloud.

And with the morning light coming in through the windows behind her creating a halo around her body, she was never more beautiful.

He gripped his cock hard to keep from too soon.

"Oohhh, oohh, ooh, oh." She panted as she came down from her sexual high.

"Baby you are the most beautiful woman I have ever seen. I'm not kidding, you truly are."

She looked at him, her steel eyes moist.

"Really daddy?"

"Really baby, I love you so much Sarah."

"I love you too daddy."

She closed the space between them and kissed his lips tentatively. He moaned and let go of his cock to grip the back of her head, pulling her deeper. When they broke apart they were both gasping for air. Sarah lowered her eyes and in a tiny, shy voice asked,

"Daddy? Can I ask you a question?"

"Yes baby. You know you can ask daddy anything."

"Can you teach me to suck your cock daddy?"

He bit his tongue to keep from yelling, "YES!". God knows he wanted nothing more than to have her lips wrapped around him but he didn't want to scare her. So instead he said,

"Are you that's what you wanna do that? You don't have t--"

"I'm sure daddy. I just don't know how and I want you to show me."

"Ok baby. I would love to."

He layed down and opened his legs and instructed her to get on her knees between them. Once she was comfortably situated he released a breath, for some reason he was slightly nervous.

"Ok baby, lick your hand really good, then grab daddy's cock by the base."

She got her hand nicely coated in saliva, then almost too eagerly, snatched up his cock.

"Aahh! Easy baby! Don't hurt me, be..gentle ok?"

"Ok daddy. I'm sorry I guess I'm just a little excited." She giggled.

"That's ok. Now in a nice easy pace, move your hand up and down. Ahhhh that's good."

She steadily pumped him up and down, cooing her delight when a bead of precum formed at the tip of his cock.

"Look at that daddy! It looks so creamy!"

"Taste it."

He huskily breathed. So caught up in his lust he forgot that he was supposed to be coaching, and started lifting his hips towards her face, nudging her mouth with his cockhead.

"Ok daddy."

With that, she took his entire cockhead into the hot wetness of her mouth. He gasped aloud, gripping the bedsheets beside him to keep from gripping her head and forcing his dick deeper into her mouth.

"Ah fuck that's good."

She released him from the hot wetness of her mouth with a pop and smiled up at him from between his legs, continuing to jerk his cock in her hand.

"You like this daddy? Does it feel good?"

"Oh God it feels so good. You have no idea. Stroke me faster baby. That's it, oh shit, good girl."

She pumped him faster, making sure to smooth her hand over his head on the downward stroke.

He moaned aloud and started pumping his hips up against her downward strokes, fucking her hand as if he were fucking her pussy, going crazy.

"Bob your mouth on my cock head baby, do it now!"

Never losing eye contact, she enveloped his cockhead and pumped her mouth up and down, using the jerking motion of her hand as a guide. She sucked him hard and fast, and he groaned at the sight of her breasts shaking beneath her.

"Lick my balls baby."

She eagerly complied and attacked his balls, licking and nipping at them, making him gasp and dig his heels into the bed. She sucked each one into her tiny mouth, rolling them with her tongue, continuing to jerk his dick at a violent speed.

"Open your mouth baby, quickly, I'm gonna cum. Don't stop stroking me. Oh God! Yeah, yeah yeah!"

He groaned and arched his hips high into the air and felt himself release jets of hot cum, all of it landing in his 16 year old daughter's hot and willing mouth. She looked at him the entire time as his cum shot into her mouth, and when he came down she used his cock to wipe the cum from her face into her mouth, happily licking it up. She giggled her delight, her heavy lidded grey eyes met his and told him seductively,

"All done daddy."
