Linc Walker parked his hog in front of the run the down mobile home, flipped away his half burned cigarette, and entered the cluttered kitchen-living room area of the twenty five year old trailer!!! "Anybody here," he shouted into the silence, "hey, Linda, you home yet!?! "Dumb cunt," he muttered to himself while opening up the refrigerator to grab beer, "if she was ever on time it'd be a fucking miracle," before taking a long drag from the long necked bottle!!! He was just about ready to plop down in front of the TV when he heard singing coming from the bathroom at the far end of the trailer!!! He made his way to the bathroom door, and after tapping lightly and getting no answer, he opened it up a crack and could hear the water from the shower beating down on the Formica side walls!!! Chuckling to himself, slipped inside, stripped off his clothing, and then without so much as a warning, jerked the shower curtain open only to find Linda's mother, Pearl, standing there with a stunned look on her face!!! Nonchalantly as you please, Linc took another slug of beer and asked casually, "So, Mrs. K, how's it going!?! "W-what are you doing in here, young man," the mortified woman stammered while turning to cover her large breasts and vagina!?! "Well," he said while eyeing her hungrily, "I was thinkin' you was Linda, but now I'm glad you ain't!!!" Even in her stunned state, Pearl Knight couldn't help staring at Linc's huge erection, and with a wavering voice ordered, "N-now you get out of her right now or I'll have to tell Linda about this!!!" Linc laughed evilly at the older woman's obvious predicament, and then softly commented, "Well, now I know where Linda gets it all, you're quite fox, baby!!!" While Pearl never really approved of Linc Walker, she could readily see how her daughter was enamored with the insolent young man, because for all of his nastiness, he had a aura of danger and sexuality about him that was absolutely making her vagina flood with desire!!! Pearl's mind was spinning slowly out of control, so when Linc set down his brew and climbed into the shower with her, she offered little or no resistance as he slid his hands around her and cupped her full breasts while nibbling on her ear!!! "You're hotter than shit, ain't you baby," he whispered while fingering her rapidly expanding nipples, "so tell me, are you as good at suckin' cock as your little honey!?! " Pearl's pussy was now in a state of such arousal that she would have fucked a monkey, so just picturing her sweet daughter on her knees with this monster cock in her mouth was enough to make her knees go weak, and when he tweaked her nipples even harder, a shudder swept through her body as she slipped her knees and took the thick pecker of her daughter's boyfriend deep into her mouth!!! "Oh, baby," he sighed as the middle aged slut vacuumed his meat, "are all the women in your family this talented, cuz I gotta tell ya, you and your daughter have a fuckin' gift!?! " She didn't know if it was a gift or not, but what she did know was that for as long as she could remember, she

love taking a man into her mouth and bringing him to hard fast orgasm, and when she felt his pecker stiffen just a touch, she knew instinctively that he was about to blow his nut!!! Now furiously fisting his shaft while sucking his smooth head, she was about to take his load deep into her throat when all at once the bathroom door flew open and her daughter gasped, "My god, what's going on in here, oh mother, how could you, and you Lincoln, I-I-I don't know what to say!?!"

A mortified Pearl Knight tried struggling to her feet, but one of Linc's strong hands held her firmly in place while the other snaked out and caught Linda flush on the cheek while he ordered her, "you sit the fuck down and shut up, and watch a real cock sucker at work, you might learn somethin'!!!" A stunned Linda slumped to the bathroom floor while her mother went back to orally servicing her boyfriend, and as she wiped a trickle of blood from her mouth, she watched as her own mother brought Lincoln to a very hard climax right in her mouth!!! "Ohhhhhhhh, god," he moaned loudly while filling her mouth with sperm, "she's a fuckin' cock hound, just like you, baby, a fuckin' cock hound!!!" Pearl couldn't even look her daughter in the eyes, so she kept her head bowed, that is until Linc demanded, "Okay, baby, let's show mama what we did last month, whataya say!?! "W-what do you mean," Linda asked nervously!?! "Don't give me that shit," Linc spat harshly, "take off your jeans and panties and show mama your fucking pussy!!!" "I-I don't want to," Linda fairly wailed!!! Reaching out and grabbing her by the hair and twisting it roughly, Linc ordered in a low mean voice, "Now listen up, bitch, I ain't gonna say it again, do you fucking understand me!?! " With a look of fear and complete resignation painted all across her face, Linda stood up and slowly began removing her clothing!!! Pearl Knight averted her eyes for as long as she could, but when Linda was finally naked, Linc said evenly, "Okay, baby, look at your little baby's pussy, see what a fat cunt she has, and how do you like the hair cut and jewelry!?! " A shameful Linda's face had turned a bright red due to her embarrassment, and just as she had feared, her mother gasped when she saw her daughter's pussy for the first time and asked in a shaky voice, "W-what have you done to her pussy, and what's that silver ring doing there!?! " "You wanna handle that one, baby," Linc asked Linda, "or do you want me to tell her!?! " "You go ahead," the young girl replied softly!!! "Well," Linc replied, "your little honey there, has what they call a clit ring attached to pussy, and as you can see it keeps the little cunt in a constant state of arousal, not that she needs any help in that department, she was always the hottest little cunt on the block, but this just keeps her all the more ready, isn't that right, baby!?! " In a very small and soft voice Linda replied, "Yes, he's right mother, I can't even control myself anymore, even at work today I had to go into the store room to masturbate, I'm always so aroused I just can't help myself!!!"

Linc began laughing uncontrollably, and after taking a few moments to get out of the shower and dry off, he grabbed both of the women by the arm and led them into the bedroom where upon he asked Pearl, "Say, baby, have you ever sucked a pussy, and even if you have, I'll bet you've never sucked one as sweet as your little honey's!?! " Pearl shivered at the thought of having her daughter in her mouth, but before she could reply, Linc grabbed her by the nape of the neck and drove her face right into Linda's dripping slit!!! Both women were abhorred by the awful turn of events, but the aroma of her own daughter's freshly aroused vagina was so overpowering, that Pearl Knight abandoned her

pride and began devouring her now trembling daughter with her tongue and lips!!! "O-oh, mother," Linda gasped, "you hafta stop it, it just isn't right, ohhhhhh fuck that feels so good, I can't help myself!!!" "Just listen to her will ya," Linc said with a shake of his head, "what'd I tell ya, she got the hottest little cunt in town and she proves it every fucking night!!!" Linda's clit was now full and erect at the top of her slit, and even though this was her first experience at cunt lapping, Pearl's tongue immediately gravitated to the little nub and flicked over it's tiny head mercilessly, until finally bringing her poor quivering daughter to a brutal cunt crushing orgasm that left her shaking like a leaf in the middle of the bed!!! "Are you okay, honey," Pearl asked softly, "I didn't hurt you did I!?" "Hurt, her," Linc laughed, "are you fuckin' nuts, she fucking loved it, didn't you, slut!?" Now after partially regaining her composure, Linda replied softly, "It was wonderful, mother, you were just fantastic!!!" After watching the mother-daughter duo going at it, Linc's pecker was again back at full erection, and much to Pearl's chagrin, he flopped down on the bed between the two women, and very casually ordered, "Okay, you old cunt, hop on Linc's big bone and take it for a ride!!!" With a concerned look, she searched her daughter's eyes for some guidance, who without hesitation nodded and whispered, "It's okay, mom, go ahead and fuck him!!!" Again a shiver ran through her as she carefully mounted the massive invader, slowly lowering herself an inch at a time until she was fully impaled on the nine inch monster!!! "God almighty you're fucking huge," Pearl moaned as she rocked back and forth slowly on Linc's thick spike, "you're fucking unreal!!!" "Ask your little honey how she likes riding the baloney pony," Linc ordered evilly, "she rides that pecker like it was the last one on the face of the fucking earth, don't you baby!?" With her head hung low, and embarrassed Linda barely whispered, "Y-yes, I just can't get enough of it inside of me!!!" "He's so fucking huge," her mother replied with a groan, "h-how often do you get it!?" "He lets me ride it every day," Linda replied quickly, "but I have to let him cum in my mouth first!!!" "Oh, god, I'm cumming so hard," Pearl Knight gasped, "ohhhhhhhh, fuck, he's filling me with his fucking cum!!!

With all three of them recovered and Linc lighting up a Lucky Strike, he casually commented, "Ya know what, I've been thinking, maybe it would be a good idea if I moved in with both of you, after all, the family that plays together stays together!!!" Both Linda and her mother looked at each other, and then Linda replied, "Okay, but remember, we both get to ride the pony at least once a day, is that a deal!?" Linc took a drag on his cigarette and replied, "Deal!!!"
