A weekend stay at my Grandparents house becomes not just old memories but sexual as well

<http://www.lushstories.com/stories/incest/friday-night.aspx>

It was early morning. I was sitting at the table eating quickly as I could just so I can hang out with fellow friends of mine, that's what we do, a girl sleepover, but not just any sleepover, a desirable one as well. My friends and I always plan for these meetings. We first would go to the cafe at about 4 o'clock pm and then head to Stacy's house and wait till her mom was gone to work, then the party really began. We would usually start out by watching porn, playing with wild toys and later start on each other. Every Friday night we would cum a dump load on each other, yep, it all was going according to plan until my mom and dad decided they wanted a weekend privacy together at home without us. So our parents sent my brother and I to our Grandparents house for the weekend in order for our parents to seduce each other all fucking weekend, just great news for me.

"Can I stay with Stacy, please mom, oh please, pretty please?"

Mom - "NO, I've already told my parents that both of you were coming."

"Can't you call them back and tell them we are not coming?"

Mom - "YOUNG LADY, YOU ARE GOING TO MY PARENTS HOUSE WITH YOUR BROTHER AND THAT IS FINAL, YOU UNDERSTAND."

(Sigh).....parents

So, our dad drives us to our grandparents house. Over there everything smells like shit, cows and annoying dogs, and bugs.....(sigh).....this is not how it was supposed to turn out

Dad - "Dean, come and help your father get these luggages out of the car."

Yes, Dean is my so called cool older brother, every girl in college he has practically done, he has fucked every single one of them and made their pussies sip like wine right out of the bottle. In a way, I don't blame him because he has a huge cock. I've seen it for myself by accident when he came out of the shower, it was hard to resist because it was so huge. After he saw me, we both just stood there looking at each other and he slowly put on a towel and shut the door. After that we went our separate way. Now whenever I'm masturbating, I always think of him riding me with that huge cock of his, ramming me in my pussy hard and harder until he came all over me.

After we got settled, grandpa told us to pick rooms, of course my brother Dean always picked the room closest to the shower. He always wanted to be first to get in the shower and out. I got the room down the hall. Everytime I visit here, I get a weird feeling that someone is always watching me. I

shouldn't be surprised, this house is old as my grandparents are.

(4 Hours Later)

Nightfall came quickly. I could only imagine what my girls are doing. I missed out on all the excitement. I hated this weekend, I couldn't wait till it was over. I went downstairs to watch a movie. My grandparents didn't have much because they didn't live in our century, but I managed to smuggle something in from home. I thought since I was going to be here I might need some sort of entertainment. I wanted to get horny and cum everywhere, so I brought in a porno to watch. While my grandparents were sleeping and my brother upstairs, I would have nothing to worry about. So I put the tape in and the action was already going. The guy in the movie wouldn't let that girl go, he just fucked and fucked until he finally came inside her. Suddenly it struck me. My grandparents had some large bananas in the kitchen. So I go over and get the biggest one and stick it up my pussy. I start going deep and then deeper until I came. The banana is soaked with my cum and the couch is wet. I had to cover this up before anyone saw.

Dean - "What are you doing?"

I gasped over my shoulder. It was my brother Dean spying on me.

"How long have you been here?"

Dean - "Oh, just long enough. Are you watching porn?"

"Get out of here before I let my parents know why you are spying on your sister when she is trying to have some of her privacy time."

Dean - "Sorry."

I didn't realize it until now. I had squished the banana while I turned around and now everything was a mess.

"Fuck Dean, look what you made me do."

Dean - "I didn't do anything, you're the one who is here pleasuring yourself."

"I'm calling my parents tomorrow and telling them everything, you're fucked now you asshole."

Dean - "Wait, hold on,..... I'll clean it up."

I suddenly just stood without movement and was shocked of what I just heard from his mouth "excuse me?"

Dean - "I'll lick it off."

I just stood there thinking in my head. I am bored right now and the only pleasure I have is this squished banana and a porn video, but why not? I shook my head and started thinking this is fucking nuts, but what choice did I had to make, tell me parents about this incident or get rammed by my older bro with his huge cock.

"Alright come here and start licking."

He came around the couch and slowly started to to lick my pussy firmly. Oh god he knew how to pleasure a girl's needs.

"Yeah, that's it, suck my pussy, lick me hard."

I was getting so excited that I just threw myself on him.

"Pull it out"

Dean - "What?"

"Pull your cock and let me suck it off you"

He pulled his boxers down and there it was, calling my name. I just wanted to play with it all night. I started by licking the head first firmly and looking straight in his eyes while I was doing it. He was enjoying every moment of it. I sucked deeper until his whole cock was in my mouth.

"mmmmmmmmmmmmmmmmmm. oh god."

My hair was getting in the way so he pulled it aside to one side and so I just kept licking and licking. I licked everything from the head's tip to all the way to his balls. I couldn't control myself. I took my clothes off and I told him to get on me and start pounding his little sister with that huge dick of his. His dick was about 8' in now. I had to take it.

"Put it in slowly"

He stuck it perfectly in.

"Now ram it in me"

He started to fuck away, in and out, in and out. I let out moans while he fucked me.

"oah, oahhhhh, ahhoahh, ahhh, oaoahhhhhh, fuck me harder, harder, deep inside me."

"I'm going to cummmmm, oahhhhhhhhhhhh, ahhhhhhh."

I just cummed everything out, right onto his cock.

Dean - "Oh god, I'm going to cum, where is the damn paper?"

"Just come inside me."

Dean - "I don't want you to get pregnant."

"Just cum, just cum."

Suddenly I felt a sensation all over me, my brother loaded his cum inside me so deep that some of his cum came right out of my pussy. We were exhausted and wet all over. We just looked at each other and I told him I'm going to clean up. He got off me and said nothing. I went upstairs without saying anything to him. Yup, just got up and walked naked to the bathroom, while he cleaned everything up from the banana mess I made earlier and the cum that came out of us.

(Shower running) Dean opens the door

Dean - "Are we good now?"

I just looked at him, the cum dripping out of my pussy while I was getting to get in the shower, the moment on this Friday night that I had sex with my own brother. Did I make a huge mistake or was it worth it.....I just looked at him and said, "yes we're good."

That late night, I couldn't sleep because of what had happened, but I knew it was wrong and how was I going to punish myself?

Then it hit me, I'm here all weekend
