My cousin and I had alot of fun growing up.

<http://www.lushstories.com/stories/incest/growing-up-with-my-cousin.aspx>

This is based on true events that happened when I was growing up. Only the names have been changed to protect the innocent (or the not so innocent!).

My cousin Mark and I are the same age and we lived next door to one another, so we were basically inseparable growing up. My name is Kayla and we were both sixteen when we started messing around.

It all started the first day of summer vacation that year. Mark called and asked if he could come over, but I told him no because my mom was sunbathing nude out by the pool and didn't want him to see her.

"Oh man, Kayla, I'd do anything to see your mom naked!" he exclaimed.

"Anything?" I asked.

"Hell yes!" he said. "I would do ANYTHING!"

"Hmm," I mumbled. "Ok, meet me at the clubhouse."

I told my mom I was meeting Mark at our clubhouse which was in the woods between his house and mine, she said to make sure I call her before I come back so that she'll know if he's with me or not, and I told her I would. I jumped on my 4-wheeler and raced through the trails to our clubhouse, getting there at the same time as Mark.

"So, you're really willing to do anything to see my mom naked?" I asked.

"Yes, Kayla, your mom is so hot!" he replied.

"Ok then, I'm gonna hold you to that," I said, calling my mom.

"What are you gonna make me do?" he asked.

"You'll see," I replied. "Hey mom, just want to let you know I'm coming back to the house to get something and I will be alone." And I hung up the phone.

"Get on," I told Mark as I scooted up on the seat to give him room. "When we get there go straight to my bedroom, you can see mom from my window."

He got on the back of my ATV and I sped back to my house. About halfway there I could tell he must be extremely excited about seeing my mom naked because I could feel his hard cock pressing against my lower back, which started making my pussy wet. I stopped the ATV in front of the house and we jumped off and went quickly to my room where Mark eased open one of the slats on the blinds.

"Holy shit!" he exclaimed. "Damn, your mom is even sexier than I imagined."

"Keep it down Mark!" I whispered. "She might hear you."

"Oh my god," he whispered. "Does she shave her pussy?"

"No, she gets it waxed," I told him. "I do too."

"What?" he asked, not taking his eyes off of his aunt.

"I get mine waxed too," I said giggling. "Come on, we gotta go before mom gets curious."

We quietly went back out the front door, hopped on the ATV and sped back to the clubhouse. I could still feel Mark's hard-on pressing against my lower back, and coupled with the thought of what I was gonna make him do for seeing my mom naked really had my panties soaked.

"Ok, you saw my mom naked," I told him when we arrived at the clubhouse. "Now you gotta pay up."

"What are you gonna make me do?" he asked nervously.

"Come on, I'll tell you inside the clubhouse," I said as I started climbing the ladder to the door with my cousin right behind me.

"Ok, we're in, now what?" asked Mark.

"I want to watch you jack off," I told him.

"What?!" he exclaimed. "No way, Kayla, I'm not gonna do that in front of you."

"Oh yes you are," I said. "You said you would do anything to see my mom naked, and that's exactly what you're gonna do."

"But Kayla, that's too embarrassing," he said.

"Why is it embarrassing?" I asked. "Everybody masturbates."

"Even you?" he asked with a puzzled look.

"Hell yes," I said giggling. "I love to masturbate."

"I don't know if I can do that with you watching," he said nervously.

"Come on Mark, I have a fetish for watching guys jack off." I told him.

"Who have you watched?" he asked.

"Just guys on webcam, never seen a guy in real life do it," I told him. "Please let me watch. You know you need to cum right now, I could feel your hard cock rubbing against my back on the 4-wheeler."

"Ok, fine," he said. "But you gotta at least get naked too. That would only be fair."

"Ok," I said. "I'll get naked too."

I peeled my shirt off and reached back to unhook my bra.

"Don't just stand there gawking, get naked," I told Mark.

He sighed and pulled off his shirt as I unhooked my bra and exposed my firm little A-cup(almost B-cup)tits to my cousin for the first time.

"Damn Kayla!" he exclaimed. "I never realized you had such nice tits."

"They're too damn little," I said, looking down at them.

"No they're not," he said. "They fit your tight little body perfectly."

"Thanks," I said, peeling off my shorts.

He pulled his shorts and boxer briefs down at the same time and my jaw hit the floor as his hardcock sprang into my sight for the first time.

"Now who's the one gawking?" asked Mark.

"I can't help it," I said, peeling off my extremely damp panties. "I've never seen a cock for real before."

"Never?" he asked.

"Just dad's," I said. "But that don't count."

"You've seen your dad's cock?" he asked.

"Yes, several times," I replied. "But never when he was hard, except that one time I saw him and mom fucking by the pool."

"That sounds like a story I need to hear."

"Later," I told him. "Right now I need to watch you get yourself off."

"Ok, so how you wanna do this?" Mark asked, slowly stroking his pole.

"I'm gonna sit here on the sofa, and you can either stand or sit in that chair facing me," I told him.

"I'll stand," Mark said. "Will you spread your legs so I can see your sexy little pussy?"

I spread my legs and slowly ran one finger up and down my wet slit. Spreading my juice all over it as I went.

"Shit, Kayla, you're just as smoking hot as your mom," he said. "Do you always get that wet? I can see your juice oozing out."

"Yes, I always get this wet," I told him. "I usually make a big mess when I masturbate."

"You're fucking hot girl," he said as he picked up the pace on his cock.

"Thanks," I replied, rubbing my clit with one hand and inserting the middle finger of my other hand into my hot, wet hole to massage my G-spot. We were silent for a few minutes, just watching each other pleasure ourselves.

"Can I cum on your tits?" asked Mark.

"I guess so, are you about to cum?" I asked.

"It won't be long," he panted.

"Ok, I'm getting close too," I said as he stepped up in between my legs, stroking his cock faster.

Both of our moans increased in volume and intensity as our fingers and hands worked their magic. Mark leaned forward, propping himself up with his left hand on the back of the couch beside my head, putting his cock merely inches from my tits. His moaning and panting increased and his hand was just a blur on his cock he was stroking it so fast and I knew he was gonna cum for me, on me, really soon.

I could feel my own powerful orgasm starting to work its way out of the depths of my groin and I felt like I was going to explode, but I held it back, waiting on Mark. He let out a long low moan as his cock erupted, the first stream of his hot cum landed on my right tit, coating my nipple. This new sensation sent me over the edge and my orgasm rocketed through my pussy, making me squirt my hot juice straight onto his right leg as his second stream of cum hit my left tit.

The third stream of cum landed on my belly, slowly sank into my belly button as my hot pussy shot another stream which landed on the floor and his foot. Unable to hold himself up, he collapsed on top of me, panting, his hard cock on my belly as his final drops of cum oozed out while I rubbed the last waves of my orgasm out of my hard clit. When my orgasm finally subsided I pulled my arm from between us, making sure I let my fingers lightly rub the side of his softening member.

"Oh my God Mark, that was so fucking incredible," I said as he rolled off of me.

"Yes it was Kayla," he said grinning. "But why did you pee on me?"

"I didn't pee on you!" I said laughing. "Girls can squirt too. You didn't know that?"

"No," he said. "Felt like pee to me."

"Feel it again Mark, with your hand," I told him. "I assure you, it's not pee."

He reached down and rubbed some off his leg with two fingers then rubbed them with his thumb.

"You're right," he said. "It's not pee, it's slippery."

I grabbed his hand and put the two fingers in my mouth and sucked my sweet juice off of them.

"Mmm, it tastes good too," I said, smiling.

We just sat there looking at each other for a few minutes, I was playing with his cum that was on tits and belly. Feeling how slick it was and eventually tasting a little bit of it.

"Damn, Kayla, we need to do this more often," Mark said, handing me a towel.

"I agree," I said. "Let's go to the pond and skinnydip for awhile then maybe we can come back up here later and do it again."

"Sounds good to me," said Mark, getting up to put his clothes back on. "I'll race ya!"

I'll close this one out for now, hopefully one day in the near future I can add another chapter to it because my cuz and I had some awesome times back in the day.
