"Aunt Connie what are you doing in here," I asked.

"Sorry I just had to get better look at all the action in here.

All the hot action. You two really turned me on. You two really do love each other. I saw you two not just having sex, but making love to each other. You two have my deepest blessing honestly. I'll give you a few minutes," Connie said.

Then she left and went back out to the living room to wait for us. We were both a little stunned that we really turned her on. I think it was definitely a first for the both of us. Then we both got up and got dressed again. After that I pulled her to me and kissed her.

"Thanks for that. It was amazing," I said.

"Don't sell yourself too short. You were amazing too," Judy replied.

Then we kissed again and went out to the living room where Connie was and we both sat with her.

"I'm sorry if I made you two uncomfortable. You two just make the perfect couple and I thought I'd better get a good look now. And you two really turned me on a great deal," Connie said.

"Don't worry about it. We're glad to help out honestly," Judy replied.

"Well thank you for that. I haven't had sex in about 2 years now. It's been more than a little rough honestly," Connie said.

"Well we understand. You're our aunt, so maybe it's a little weird, but then again, we're brother and sister and we were just making love together," Judy replied.

"Well thanks for your understanding. You know not having sex can make you want and do weird shit," Connie said.

"Well, why haven't you been so lucky," I asked.

"I don't know. I know I'm 39 now, but still. I should get more dates than this," Connie replied.

"Well things will get better sooner or later," Judy said.

"You two should get a bigger bed, you can't be that comfortable on that single bed," Connie said.

"Yeah, we talking about that. We're gonna go shopping sometime and get a queen sized bed," I replied.

"Well, hurry. You two will really be taking each other around the world when you got a big bed," Connie said.

"Well thanks for your blessing, we really appreciate it," Judy replied.

"Well your welcome. Your still my sweet and loving niece and nephew. And you don't choose who you love. It just happens you know. Nothing to be ashamed of," Connie said.

"Well it means a lot to us that you accept us," I replied.

"You got it. Judy, can I kiss your boyfriend," Connie asked.

"Sure I guess," Judy replied.

Then Connie and I kissed each other for about 10 seconds.

"Did you like that Gil," Judy asked.

"Well are you gonna get mad if I say yes," I asked.

"No Gil, now did you like it," Judy asked.

"Yes, I liked it," Jim replied.

"Can I kiss you Judy," Connie asked.

“Yes,” Judy replied.

Then they kissed for about 15 seconds. I think kissing her got us both really turned on. Then we both kissed her again.

“Thank you for kissing me. Is it hot in here, or is it just me,” Connie asked as she took off her shirt.

“I think it is hot,” Judy replied as she took off her shirt as well.

Then I took a good look at both sets of great tits. They both had absolutely great racks. But I was busted for staring though.

“Their just boobs Gil. Damn what is it with men and breasts,” Connie asked.

“I don't know, but I'm glad he likes mine,” Judy replied.

“You can take off your shirt too Gil, we're family,” Connie said.

Then I took off my shirt as well. It wasn't embarrassing obviously. They had their shirts off. I took my shirt off along with them.

“You look good without your shirt on Gil. And I can see your friend too,” Connie said.

“Oh sorry,” I replied.

“What the fuck for? I'd be really concerned if you didn't get a huge boner,” Connie said.

“Yeah he has a huge dick, It's stunning really and I'm his sister,” Judy replied.

“No shit? Wow. Well good for you two going for it. Most people wouldn't go for it and just think this is fucked up and not do nothing about it. But you two make like the best couple I've ever seen and went for it,” Connie said.

“Well thank you again,” I replied.

“Your welcome, can I see this stunning dick,” Connie asked.

“Sure I guess,” I replied.

"If your uncomfortable, then it's OK," Connie said.

"Well can you two take off your bras," I asked.

"Fair enough," Connie replied.

Then they both took off their bras. I saw their tits. And they were very lovely and sexy.

And I took off my pants and boxers.

"Wow, very sexy on both of you," I said.

"Your dick itself is pretty good. No wonder you love having sex. Hell I'm a little jealous," Connie replied.

"Yeah, well I got him and I'm not letting go," Judy said.

"Good, do you deep throat him," Connie asked.

"No, I can't yet. But I wanna learn sometime though," Judy replied.

"Would you like me to show you," Connie asked.

"Do you have a dildo or something with you," Judy asked.

"No, I was gonna show you on him, unless your uncomfortable with that," Connie replied.

"No, your just showing me how to deep throat right," Judy asked.

"Yes," Connie replied.

"Good, I'm not sharing him with anyone," Judy said.

"Fair enough, I wouldn't try and fuck up what you got here," Connie replied.

Then I stood and Connie began blowing me. She went down as far as she could and started putting it down her throat. She had all of my dick in there then.

"Wow, your good aunt Connie, you must have had a lot of practice," Judy said.

Then she took her mouth off my dick.

"Yeah I've had quite a bit of practice. Not in the too recent past, but yes a lot of practice. You wanna try now," Connie asked.

"Yes, he is my boyfriend, I wanna make him feel really good," Judy replied.

Then Judy began blowing me. She didn't get it completely right at first, but Connie showed her a couple more times and eventually she nailed it.

"Oh shit Judy, just like that. That feels so good. Suck on dick just like that, don't stop," I said.

Then Connie stood up and began kissing me again.

"How is she doing now," Connie asked.

"She's doing great, thank you for your teachings," I replied.

"Your welcome. I want you two to have a great sex life," Connie said.

Then made out for a few seconds while she began to undo her pants. She unbuttoned and unzipped her pants and they fell to the ground. I couldn't resist but to grab her boobs. They were so great. But of course I was really nervous.

"Come on grab those tits, they won't bite. I want you too," Connie said.

"Grab them, if you don't then I think we got a bigger problem," Judy replied.

Then put both of my palms on her great tits. Besides my sister's, she had the most amazing boobs. As Judy kept giving me a great blow job, she began pulling Connie's underwear down. Then Connie was completely naked. She had not too much or too little hair down on her pussy.

"Oh very sexy aunt Connie," Judy said.

"Thank you," Connie replied.

This was getting really hot. And our aunt was definitely on the hotter side. She was beyond sexy. I

began licking Connie's nipples too. She found this very erotic.

“Oh shit Gil. You got a fucking tongue. Lick and suck those nipples,” Connie said.

Then Judy took her mouth off my dick and stood up with us. And she began undoing her pants. They fell to the floor as well.

“You got a really sexy body too Judy,” Connie said.

Then Judy began licking and sucking on Connie's nipples too. As far as I know she's never been with another woman. But it seemed she had absolutely no problem doing this with me. She just had all the sexual natures flow out. I never ever seen it quite like this before. I mean with me was one thing, but with both of us? She definitely had a kinky side I was not quite aware of just yet. I had one of Connie's nipples and Judy had the other. This was beyond great honestly. We were both really getting into this for a few minutes, then we pushed Connie to the couch.

“You ready to have sex with your nephew and niece,” Judy asked.

“You both really want to,” Connie asked.

“Absolutely,” We both replied.

Then I got next to her and started playing with her nipples while Judy began eating her out. I saw her get tongue in there really deep. She must have had practice somewhere, but I wasn't sure even if it ever happened though. Maybe she just knew how she liked to be fucked.

“Holy shit Judy. Fuck that feels so fucking good. Get in there deep, real deep. Make your aunt cum like a fountain,” Connie said.

I licked Connie's nipples some more as she grabbed and began stroking my rock hard dick.

“You really do got a huge dick. Your sister is a very lucky woman. Make sure you get her to have sex with you every single day. Neither one of you will regret it,” Connie said.

“We will take your advice,” Judy replied.

“You got some condoms,” Connie asked.

“Yes, we got plenty,” I replied.

"Good, go get one," Connie said.

Then I ran to the bedroom and grabbed a condom and ran back. I almost ran into a wall because I was so excited. I ran back into the living room and sat back down next to Connie. I did my best to open the package, but of course when your in a hurry, it makes it difficult to open. So I calmed down a bit. But of course it was hard to do watching Judy eat Connie out. But I managed to open it and got it out. Then I put it on my dick, I got behind Judy and took off her underwear. Then I shoved my big dick deep inside her.

"Oh fuck, oh fuck Gil. Yeah get that huge dick in there," Judy said.

"I'm sweetheart, I'm getting in there deep. Deep as I can," I replied.

Judy put almost her face in Connie's pussy. Her pussy was extremely wet by then. With cum and some saliva. She licked her pussy as if she was gonna die. Connie moaned as loud as she could. I thought the windows were gonna shatter. Judy put her hands up on Connie's tits and squeezed them as hard as she could. But eventually her tongue got a little tired and had to stop. But she stood up after I took my dick out and got on top of Connie. Connie began licking her nipples as she was on top of her.

"Oh shit, you weren't kidding that feels so fucking good, I may cum just from you licking my nipples," Judy said.

"I know how to pleasure a woman too," Judy replied.

"No shit," I asked.

"Absolutely no shit," Connie replied.

Then I began eating Connie out. I don't think I could make her feel as good as Judy could but I was doing my best to do so. I used my fingers to spread out her very wet pussy lips. I stuck my tongue in there as deep as I could and she did start moaning again.

"Shit Gil, you got the gift too, I'm gonna cum, I'm gonna cum," Connie said.

Then Judy got off her to see this great orgasm that was coming.

"Oh fuck," Connie yelled.

Then she came a river. It got on both of our faces as we watched. It was quite a sight for both of us. Then we both lied down on the floor and had sex missionary position while Connie sat on the couch and watched as she masturbated. The floor wasn't the most comfortable, but we didn't care. We were both so sexed up, it wasn't even funny. I started going in and out yet again making Judy moan.

"Fuck Gil, Get that dick way the fuckinside me," Judy said.

But Connie was getting jealous wanted some more. She got down on the floor with us and started making out with Judy.

"Your a good kisser," Judy said.

"I could tell you the same thing," Connie replied.

Then Connie began licking Judy's nipples again.

"Shit, shit, shit," Judy yelled.

Judy had a big dick inside her and had her nipples licked at the exact same time really makingher pleasure sky rocket. Then I pulled out and Connie began eating Judy out as I put my dick inside Connie's pussy.

"Fuck yeah aunt Connie, now you make your niece cum all over," Judy said.

Connie was more than determined to make sure Judy had a huge orgasm. I almost thought Connie was making me look bad with all her pussy eating skills, but Judy was really enjoying getting her pussy eaten, so I didn't worry about it. I was a little more rough with Connie's pussy. I went in and out really fast and really made her moan. They both moaned quite loudly so I knew they were both getting ready to explode and so was I. I pulled out and took off the condom and shot my load on Connie as they both had orgasms themselves. Judy shot all over Connie's face and Connie shot hers all over my dick and legs.

"Holy shit, that was huge. We all had huge orgasms right at the same time," Connie said.

Then we all lied down on the floor together and cuddled. We kissed and hugged each other a bit for a few minutes.

"You have no idea how much I love you two," Connie said.

"Really? We never would have guessed," I replied.

"Your such a smart ass," Connie said.

"I know. We really love you too. That was absolutely amazing. 'Wow' doe's not cover it at all," I replied.

"I know the feeling trust me," Connie said.

"Yeah, no shit. We should do this again sometime," Judy replied.

"I couldn't agree more," I said.

Then we all kissed again still while on the floor for a little while.
