Again, the same as last night, as she turned around, he was gone. She couldn't stand it any longer. She had to feel her brother's cock deep inside her, wrap her lips around him and suck him dry, feel his lips on her nipples or licked the folds of her young pussy. She wanted him so badly that her body ached to feel his touch.

Kayla stepped from the shower and quickly dried off. She wrapped the towel around her body and as if she was walking on air, she walked down the hallway towards her brother's bedroom door. His door was closed as she reached for the knob and opened it slowly. As she opened the door, she found Mark lying on his bed stroking his cock to hardness once again, she let the towel drop to the floor and now stood completely naked in front of her older brother.

## Chapter III

As she stood there, she couldn't believe that she was the one that finally had to initiate between them what they both desired so strongly. Some guys were such fucking chickens when it came to girls. Here she thought she was seducing him when it was actually her that finally succumbed to her sexual lust for her handsome older brother. She never thought in her wildest dreams that she would be standing here, naked at the entrance to her brother's bedroom.

Mark looked at his sister's gorgeous body as she stood in his bedroom doorway. Her deep dark tan accented by the smallest of tan lines. Her large breasts were a pale white mound of flesh topped by her puffy erect nipples. His eyes moved down over her smooth belly to her hairless white pussy mound. Her pussy lips were puffy looking and glistening with her juices.

"Oh my fucking god Kay, you look so hot!" he said to her.

“I need to feel you inside me, please Mark,” she begged him.

He looked deep into his sister’s gorgeous eyes and patted the bed next to him. She moved over and sat on his bed, reached out and replaced his hand with hers, circling the thickness of his huge cock. Her small fingers softly moved up and down his thick cock as if measuring the size. Her pussy juices trickled onto his bed as she longed to feel his cock inside her.

He moaned softly as she bent over and licked the head of his swollen cock. Her tongue gathered a small amount of pre-cum as she swirled it inside her mouth, tasting the saltiness of his juices. Her tongue gently circled the rim of his engorged cock head before gliding down the length towards the base.

She softly cupped his balls and caressed them in her fingers. She licked at his balls before gently taking one into her mouth. Her brother moaned out as his sister licked and sucked at his balls. She worked her way back up to his huge purple cock head. Another large drop of pre-cum was waiting there for her tongue to lavish.

Mark leaned back on his bed just as he felt his cock glide inside his sister’s hot wet mouth. Her tongue swirled and caressed his cock head as she sucked him in and out of her mouth. His cock glided past her soft lips as she took a good four inches of cock meat inside her mouth. It felt so good to him, finally feeling his sister’s sweet lips circling his throbbing shaft.

“Oh fuck Kayla. That feels so good!” he moaned out as she sucked her brother’s rigid cock.

He wanted to pleasure her as well, so he reached out and pulled her up and over him until they were in a 69 position. Her soft thighs were on each side of his face as he pulled her hips down until her wet pussy was only fractions of an inch away from his mouth. He took in a deep breath, smelling the scent of her arousal. The musky scent of her arousal sent waves of pleasure through his already completely aroused body.

He ran his tongue up and down the length of her opening, grazing her erect clit softly each time. She moaned in pleasure with his cock in her mouth. The vibrations of her moan created additional pleasure sensations through his throbbing cock. Her juices flowed over his face, covered his cheeks as his tongue thrashed about her pussy.

“Oh yes Mark, suck my pussy.” She moaned just before her brother’s cock slipped back inside her mouth.

Brother and sister tasted and licked each other to the edge of orgasm several times. Each was very

keen at sensing the other's level of pleasure to cause the sexual build up to reach nearly unbearable amounts. Kayla was grinding her pussy down hard against Mark's tongue as he held her hips firmly. He could hardly breathe as his tongue thrashed her pussy madly.

Mark finally couldn't bear it any longer, he had to feel the tight folds of his sister's teenage pussy wrapped around his thick shaft. In one swift move, he lifted her off his face and was quickly positioning himself between her long legs. He looked deep and lovingly into his younger sister's eyes as he pushed forward, his cock head spreading the lips of her wet pussy.

As he lowered his head towards hers, their lips touched just as he pressed forward and his cock slid into the tightest and hottest pussy he had ever felt. Possibly it was the fact of doing something so wrong, so taboo but he was delirious with lust and sexual excitement. More so than ever in his life, he had such strong desires to make love to this woman, his gorgeous little sister.

Kayla felt the same way as her brother's long thick cock pushed inward until she felt his balls touching her. She felt his throbbing shaft filling her, stretching her open as he slowly started making love to his little sister. His cock was perfect for her and the intense love and desire she felt for him could never be matched.

"Your cock feels so good inside," she moaned into his mouth as they kissed.

"God Kayla, you're so fucking tight sis," he moaned back as his cock slowly pulled out of his sister's pussy until only his cock head remained inside her.

He slowly slid his cock deep inside her once again, holding there, deep inside her as he pressed his pubic bone into hers, creating pressure on her throbbing clit before pulling out slowly. Over and over he repeated the same actions, the same sensations as her sexual pleasure increased. Every third or fourth inward thrust, he would angle his hips slightly to one side or the other to trigger pleasure from new nerves inside her juicy cunt.

He cupped her breasts and softly licked and sucked at her nipples while he fucked his sexy little sister hard and slow. Her nipples were like stones setting on top of soft pillows of breast flesh. He was driving her wild with desire as the sensations coming from both her nipples and her pussy caused her body to buzz with deep orgasmic pleasures.

Mark made love slowly to his sister for almost ten minutes before he began to quicken the pace. Soon the lust consumed both of them and he was pounding her pussy with his huge cock. She was thrusting her hips up hard to meet his every downward thrust, trying to force him deeper each time. The sounds of their lovemaking filled the room as her pussy juices were really flowing now.

He wanted this feeling to last forever, the feeling of her hot tight flesh sheathing his thick cock. Over and over, harder and harder, deeper and deeper, he pounded her pussy until they were both ready to cum. He would then slow down and start all over again. Her body was trembling with sexual desire as she marveled at the way her brother could make her feel.

“Kay, I want to fuck you from behind,” he said as he pulled out of her and she moved onto all fours in front of him.

She arched her back and pushed her sweet sexy little teenage ass high in the air. He could see her pussy mound from behind, glistening and soaked with her juices. He moved onto his knees and up the bed behind her, aiming his cock at her tight entrance. She looked so hot in this position as he pressed forward and felt the intense wet heat of her pussy surround his cock once more.

His hands gripped her hips as he slid his cock in and out of her gripping pussy. Her tits swung back and forth as her hard nipples touched the bed sheet, creating a searing nearly unbearable sensation through out her body. It was like her nipples were connected directly to the sexual nerves inside her pussy. She was moaning on his every forward thrust.

She loved the way her brother’s cock felt inside her, the way he made love to her, slowly at first, faster and faster until she was nearly ready to explode, then to slow down and start all over again. He seemed to be able to read her body to bring her so close to her orgasm, over and over. She was getting delirious with lust as the need for release, the need to cum was beginning to drive her mad.

Mark realized his sister was getting ready to explode as she was reaching the threshold of having her orgasm quicker each time he increased the pace of their lovemaking. Her moans were getting louder too. He reached his right hand around her hip and found her throbbing clit as he began to thrust into her harder and harder.

Within moments, with direct pressure on her erect clit, her body suddenly tensed as she shook violently with the most intense orgasm of her young life. Her pussy muscles quivered and milked his cock as she shook all over. It was like an intense searing hot fire consumed her body.

“I’m cummmmmmmingggggggg!” she moaned into his pillow.

Even while her body was passing through wave after wave of intense sexual pleasure, he continued sliding his cock deep inside her tight pussy as his own orgasm quickly approached. Knowing it was his gorgeous little sister, his own flesh and blood, knowing it was the incestuous taboo bond they had broken intensified his orgasm beyond his wildest imagination.

Pulling out of her pussy, he gripped his juice covered cock and in three strokes, shot a huge rope of white hot cum clear up the center of her back. The second huge spurt of his cum landed on her lower back, followed by a third, fourth and fifth rope which landed all over his sister's soft little butt cheeks. He looked down over his sister's sexy body covered with his cum and he felt a wave of pride consume his body.

He was spent as he rolled onto the bed next to her, lying on his side facing her as she laid face down. Her body had just experienced the best orgasm of her young life and all she could think about was doing it again. It was like a drug, she wanted more, had to have more of her brother's glorious cock filling her insides.

As she rolled onto her side to face him, she felt his cooling seed running down her back onto the bed sheets. Looking deep into his sexy eyes, her left hand reached out and softly circled his soft juice covered cock. Within just a few seconds, she got her brother's cock to begin to harden. A seductive smile crossed her lips, which was greeted by his.

"I love you Kayla. I always have." He spoke from his heart.

"I love you too Mark, more than you could ever imagine," she replied.

"You have at least another two weeks to show me Kay," he returned.

"This is going to be the best vacation mom and dad ever took, for us!" she laughed out as her fingers continued to fondle his hardening cock.

He laughed with her as he rolled onto his back. His sister continued to stroke his cock until it was once again standing tall and hard. She got up, threw a leg over him as she guided his hard cock into her as she slid down onto his shaft and sat there with him buried deep inside her once more. She just sat there, head tilted to one side, eyes closed as she felt his cock throb inside her, loving the feeling of her brother's cock.

Mark looked up at his beautiful little sister, her full breasts hanging there white and creamy looking. His eyes traveled down over her gorgeous tits, down over her smooth belly following the sexy vee until he could only see the base of his thick shaft spreading the opening of her tight cunt. Her sexy bald pussy appeared to be eating his cock, he laughed inside to himself.

"God sis, your pussy feels so good!" he moaned out.

“So does this big cock of yours. I think I’ll just fuck you straight for the next two weeks bro,” she panted as she leaned forward to kiss him.

Her soft breasts, her erect nipples touched the hairs on his chest. She raked her swollen nipples across his chest hairs as she found she enjoyed the sensations created. Her nipples were always very sensitive to touch. As her lips met his, she lifted off his cock slightly and began to ride her brother’s cock, up and down.

Mark was enjoying every second of this as his sister took control and fucked him. It was her turn to be the one to create the pleasure for the other. He thrust upwards slightly to meet her as she rode his thick cock. As she sat upright riding him, he reached up and cupped and caressed her soft mounds of breast flesh. She looked so sexy riding his cock.

As her pleasures increased, so did the force of her fucking. At times he thought she was going to rip his cock off as she pushed him to one side then the other. It turned out his sister was such a wild piece of ass as she bucked and bounced all about. His cock swelled as the pleasures of their lovemaking increased.

He closed his eyes, enjoying every second of their intense fucking. Kayla had her eyes closed too as she fucked her brother for all her worth. Both of them were moaning out loudly as they fucked madly. His sister was bouncing up and down on her brother’s huge thick cock. What they didn’t realize was that they weren’t alone.

Mark opened his eyes to lustfully watch his sexy sister ride his cock, his eyes widened, “Holy shit, mom, dad.....”

His sister froze, still sitting on her brother’s hard cock as she looked over her shoulder towards the door. Standing in the doorway was their parents. She had no idea how long they were standing there but as her eyes focused, she could tell her father had a huge throbbing hard-on and her mother’s nipples were hard and standing at attention.....
