Mommie heard the click of the shower go on. It took all of her will power to stay on the sofa. Three weeks ago she had caught sight of her daughter lathering up her young 18 year old athletic body through the slightly ajar bathroom door. She knew at the time she should have turned away but she could not stop herself from staring and comparing.

Her daughter at 5'7" was 3 inches taller. Both had silky brown hair but her daughter's was longer, going just past her shoulders, where as hers stopped a few inches past the nape of her neck, with a few gray hairs at the temples. Both had smokey dark brown almond shaped eyes. They both had 44DD tits but hers where not perky like her daughters. Her nipples where bigger than her daughter's but not by much. Their waist lines where very different, 30 for her daughter and 36 for her. Hips again where very different, 36 for her daughter and 42 for her.

Watching her daughter made her big nipples harden and her juices start flowing, making her thick thighs slick. She could not help but touch and pinch her nipples as her daughter took her time lathering her firm tits. As her daughter soaped further down her body she could not help it but her hand followed her body down as well, stopping her already wet clit. When her daughter bent over to continue down her firm thighs, she turned slightly showing off her nice round ass. Mommie's body came undone with an orgasm.

Ever since that day she was like a moth to a flame when the shower clicked on. At that sound she would start to get wet with the memory of what she had seen and felt. Deep in her heart she knew it was wrong but she would find herself drawn back at the bathroom door again and again. Afterward guilt would wash over her. This was her daughter she should not be thinking of her this way. She surely should not be thinking of touching, kissing and licking her.

This time she told herself she would stay put and resist. She closed her eyes and began to tremble like an addict going through withdrawals. It seemed like forever before the water shut off. When it did she breathed a sigh of relief. She made it.

She was just starting to breath normally, when her daughter came bouncing out of the bathroom in a

skimpy red silk robe that just barely covered her firm tits and round ass.

"Hi Mommie," her daughter said as she sat on the sofa.

"Hi baby," Mommie said.

"I missed you," Her daughter stated.

"We have been home together all day, baby. What do you mean?" Mommie asked cautiously.

"I missed you watching and enjoying me showering." Her daughter said, as she looked her Mommie directly in the eye.

"What are you talking about, baby?" Mommie asked, knowing very well she was caught but not wanting to admit it to herself let alone her daughter.

Her daughter moved closer to her on the sofa and placing her hand on Mommie's thick thigh. She could feel the heat of her daughter's hand through the long black silk robe.

"Now Mommie do not be naughty and lie to me." Her daughter breathed out huskily. "I saw you watching me and touching yourself the other day."

"I... I do not know what you are talking about," Mommie stammered.

Her daughter's body pressed against Mommie. She felt her daughter's hot breath in her ear as she whispered, "Naughty naughty Mommie, you will have to be punished for lying."

As her daughter said this her hand moved the robe aside finding Mommie's nipple and giving it a hard steady pinch. Mommie sucked in a breath and her eyes grew wide. Mommie knew this was wrong but her body was betraying her. Her nipples hard as pebbles and pussy beginning to get wet. Her daughter untied the belt on her robe revealing her firm young body.

"Touch me, Mommie." Her daughter commanded Mommie did not move, very conflicted. Wanting very much to touch her daughter but knowing it was wrong. Her daughter grabbed her hand and stated, "I have wanted you to touch me for so long and I am tired of waiting. So I am taking control. Touch me now, Mommie slut!"

She pulled mommie's hand placing it on her already soaking pussy. Mommie's fingers found her daughter's hard clit and started rubbing. "Yes baby girl," Mommie whispered.

"Very good Mommie slut. You take direction well. Now let's see if you take your punishment just as well." Her daughter said rising off the sofa. Mommie whimpered when her fingers lost contact with her daughter's clit. Punished, Mommie thought, I need to be punished for these thoughts and feelings I am having about my own daughter.

Her daughter removed the red silk belt from her robe. She then bent over and kissed Mommie softly on the lips. She then deepened the kiss and thrusting her tongue into Mommie's mouth. Mommie moaned with pleasure at the feel of her daughter's tongue mating to hers. After a few moments he daughter drew back.

"On your knees Mommie, if you want to touch me again." her daughter said softly. Without a second thought Mommie slid of the sofa on to her knees.

"Yes baby girl," Mommie said meekly.

Her daughter walked around her stopping behind her. Mommie felt silk against her throat. Mommie trembled when her daughter tied the belt tightly around her neck. Her daughter pulled on the belt forcing Mommie to stand.

"Time for Mommie's punishment." Her daughter stated. "Come along like a good Mommie slut."

The pull on the belt forced Mommie to follow her daughter to her bedroom. Once there Her daughter pulled the black silk belt from Mommie's robe. She then pushed Mommie back on the bed.

"Hands over your head Mommie slut," Her daughter ordered.

Mommie willingly complied, "Yes baby girl."

Her daughter took the black silk tying the right wrist. Then threading the other end through the slats of the headboard and tying the other end of the belt to the left wrist. Once Mommie was bound tight her daughter rummaged in the bottom drawer of her dresser. She finally found what she was looking for. She walked slowly toward Mommie with a small black leather paddle in her hand. The breath caught in Mommie's throat and began to shake with fear and anticipation. Her daughter stopped close to the head of the bed and she rubbed the leather paddle slowly over each nipple in turn.

"You are such a bad Mommie slut for touching yourself while watching your naked little girl." her daughter stated. Then she smacked each nipple one after another until each one turned red and swollen. When Mommie could take no more she cried out, "Yes baby girl Mommie is such a naughty

slut!"

Her daughter paused and ran her fingers over Mommie's juicy pussy lips. She took her and moved Mommie's thick thighs apart, exposing her wet slit.

"Keep your legs apart for your last punishment or you will not get your reward, Mommie slut." Her daughter said.

"Yes baby girl, Mommie will be good." she promised.

"With each spank of your naughty Mommie clit, you are to say, Thank you for my punishment baby girl. Do you understand?" Her daughter asked.

"I understand baby girl," the words were barely out of Mommie's mouth when the first hard spank landed on her clit.

"Thank you for my punishment baby girl," she gasped out as her clit began to throb. Another spank landed on her clit harder than the last.

"Thank you for my punishment baby girl." Mommie breathed out. Her pussy flowing uncontrollable now. Another hard spank landed on Mommie's slick hard throbbing clit, causing her to call out loudly "Thank you for my punishment baby girl!"

"Very good Mommie," Her daughter said as she ran her soothing fingers on the throbbing slit. "Time for your reward."

"Please baby girl... please." Mommie pleaded.

Her daughter knelt on the bed and placed her fingers slick with Mommie's juices in her mouth sucking deep. She straddled Mommie's head grinding her pussy into Mommie's waiting mouth. Mommie was slurping her baby girl's clit feverishly as her daughter bent down to finally feel Mommie's hot slick clit and pussy in her mouth. Mommie moaned with delight. Mommie started to work her tongue in and out of her little girl's pussy. Her daughter groaned and quivered. She started sucking on Mommie's clit harder. Then she took two fingers and started finger fucking Mommie's pussy with the same rhythm that Mommie was fucking her with her tongue. Both of their moans of pleasure were reaching a fever pitch.

"Cum for me Mommie slut. Cum for your baby girl!" Her daughter shouted, as she slid her pinkie so in Mommie's ass and started pumping all her fingers faster in and out of her Mommie's holes.

Mommie's hips pitched and bucked as her body came undone with a earth shattering orgasm. She cried out into her daughter's pussy and started to lick and suck faster, determined to taste her little girl's cum. Mommie then moved her tongue to her daughter's ass. Her little girl started to shake as Mommie set a fast tempo of fucking her ass with her tongue.

Her daughter yelled out, "Yes Mommie fuck you little girl's ass with your tongue!" as her cum gushed out of her pussy. Mommie moved to lap up as much of her little girl's cum as she could, savoring every drop. Her little girl collapsed on top of her practically suffocating her Mommie with her pussy.

"Aren't you glad I left the bathroom door open so you could be punished Mommie?" Her daughter asked.

"Yes little girl!" Mommie said with a cummy smile.
