"Eww," I groaned, stepping off the 18 Septa bus.

I stood in front of the *Upscale Arms* apartment complex a muddy, mucky mess. Hell, the bus driver almost didn't let on the bus and with how I looked at the moment I really couldn't have blamed him. I was dirty and smelt of sweat and grime. It was three 'o clock on a mild Saturday afternoon and needless to say, I needed a shower. I'd come from playing football with my friends. It had rained heavily the night before, but with the humid weather we thought it wouldn't matter if still played on the high school field. Boy, were we wrong as with every tackle grass and mud clung to our bodies. Entering the complex, I left a trail of muddy footprints as I made my way to apartment C-3. I came into my home and prayed to God my mother wasn't there. She'd warned me before I left about getting dirty and the last thing I needed was to be berated by her. I reopened the front door momentarily to put my sneakers in the hallway.

Closing the door, I suddenly heard my mom's voice say, "I know you're going to get your dirty ass in the shower, right Terrell?"

Turning around, I came face to face with my mother, Ni'chelle.

"I was headed in that direction now, Ma." I replied about to head to my room, but Mom stopped me.

"Good, but you're not going track more mud into this house though."

I smirked at her, "So, I'm suppose to just strip right here, Mom?"

Ma smirked back, "Damn right, Tee."

At her reply, I began disrobing down to my birthday suit. Now, I know what you're all thinking...why would I be comfortable getting naked in front of my mother? Well, that's because I'd done it many times before this. To be completely honest, I really had no choice in the matter because even though we had an apartment *now*...we didn't always have a secure place to call home. I'm seventeen now, but from the ages nine to sixteen, Mom and I were homeless. Early on, we lived on the streets of South Philadelphia until we were directed to the *Bethesda Project* where I spent seven hard years of my life. Due our hardships, Mom and I were always close and living at the *Bethesda* made us as close as two people could possibly be. We slept in the same bed, showered together, and cuddled for warmth during frigid winter nights. There was never really any type of privacy between us and even after we got the apartment this trend continued. It was all either of us knew, but no matter how close we were...nothing could have prepared me for what a simple shower was going to turn into.

"Somebody's been working out, huh?" Ma asked as I shed the last of my clothing, revealing my even toned muscles dipped in my milk chocolate skin.

My brown eyes found my mother, "I'm trying, Ma."

With that I walked past her toward the bathroom, but not before her smacked my ass.

"That's right, clean yourself up, baby."

The shower in the bathroom was a walk-in. Shutting the door closed behind me; I turned the knob toward the *H* symbol and was battered with soothing warm water. The sweet smell of the body wash I was using filled the room. Cleansing myself, I watched the dirt and grime travel toward the drain and get swallowed by it. Suddenly, out of the corner of my eyes I caught my mom's silhouette through the door and instantly opened it. My eyes widened as they peered at my mother standing naked before me. They then roamed over her figure. Ni'chelle Smith was a coco-colored goddess with semi-long black hair, brown eyes, and a slender yet curvy frame accompanied by B cup tits and a peach shaped backside. Glaring at my mother, I felt my dick harden. I wasn't ashamed though because sure she was my mother, but she was a woman first and foremost. I'd be lying if said an incestuous thought hadn't crept in my mind every now and again, but I kept things of that sort to myself.

Mom smiled, "Is there room for one more or are you just going to keep staring at me, Terrell?"

I let out a laugh letting her into the shower. We stood back to back as I positioned the shower head so the water could immerse us both.

"Mmm," I heard Mom moan. "The water feels so good."

I felt Mom's washcloth touch my back and her touch was just right as she washed up to my shoulders then down to the small of my back, but to my surprise, the washcloth went lower. It found my ass as Mom washed it slowly and for a weird reason it was turning me on a bit. She washed my butt for a good minute. I was so use to feeling her washcloth that when her hand found my backside I let out a gasp. Mom took her sweet on my ass and felt so good that I let out a moan.

"Yeah, my baby likes Mama's touch doesn't he?"

"Mmm, what are you doing, Ma?" I asked lowly.

Mom continued to caress my ass, "What I've wanted for the longest, Tee."

"What's that?" I asked already knowing what she meant, but I had to be sure.

She kissed my cheek, "Us...together, sweetie. I've thought about it and I *know* you have too. Your expression when I came in here told that story."

After her explanation, Mom ran her hands over the front of my body. She started with my chest, rubbing and pinching my nipples.

Her lips kissed on my neck and said, "Mommy's turning you on isn't she, Terrell?"

"Mmm...Yeah, Ma." I groaned.

"Good because you've been making Mama's coochie wet for so long." She replied, stroking my cock with her left hand. "Ooh, your dick's getting so hard, baby."

She stroked me slowly, teasingly to the point where I was going to cum at any moment. Mom turned up the heat as she kissed and sucked on my neck while jerking my manhood faster.

"Ahh! Fuck Mom...I'm gonna cum. Oooh,"

Gasping moans came from my mouth as I felt my orgasm nearing. The nut had built up to the tip of my cock and without warning exploded from me in long thick spurts.

"Oooh, look at that. That's right...cum for me, Tee."

The intensity of my climax left my legs like jelly and I fell into my mother's arms. I'd never cum so hard in my life like I just had. She turned the water off and kissed my cheek again.

"Aw, did I make you cum hard, babe?"

"Mmhm,"

"You want to keep going, Tee?"

I nodded, "Yeah, I just need a minute."

We left the bathroom, went into Mom's room, and cuddled up in bed. I felt my orgasm start to subside and my mouth found Mom's breasts, licking and sucking on her nipples.

Mom's hand found the back of my head, "Yeah, you know what to do with those, huh? Mmm, suck Mommy's titties."

I licked and sucked on Ma's nipples until they were erect. I was gaining a second wind as I attacked my mother with sweet kisses. I was moving fast while Mom wanted to go slow, so taking my face in her hands she passionately kissed me. Our tongues wrestled with one another's as my cock bricked up again. The lip-lock was strong and hot, turning me on immensely.

Mom let out an exhale, "Mommy wants you inside her. Can Mama get that dick?"

I kissed her lips, "Yeah."

Mom and I kissed some more as she pulled me on top of her.

"Ready?" Mom asked, placing a loving hand on my face.

I nodded and Mom led my hardness into her love tunnel. Mom moaned as I gave her middle the first long, deep stroke of many in my stroke game.

"Ooh... ah, shit." Mom bit her lip at my strokes.

I let out a small hiss as she began to stroke back creating a steady rhythm. I caressed the sides of her arms with my hands while I sweetly kissed her neck before speeding up my pace. Every time I thrust into her, I really didn't want to thrust out. My cock fit perfectly in Mom's wet, warm pussy.

"Yes, fuck my pussy, Terrell! Fuck it," She moaned, smacking my ass. "You like Mama's pussy don't you?"

"Ahh, I love it, Ma!" I groaned, increasing my pace a little bit more.

"Mmm, is my boy going to cum for me?"

I moaned, "I'll cum for you, Ma, but only if..."

My words trailed off as I thought about what I was going to request and second guessed myself.

"Only if...what, Tee?"

"Can I fuck you from the back, Ma?"

Mom replied to my question with a kiss, "Yeah,"

I pulled out of her womanhood and watched her get on all fours in the doggy-style position. To my surprise, Mom started shaking her ass as if to taunt me.

"C'mon, Tee," She called. "Come get Mama's pussy."

I didn't have to be told twice. I entered my mother again, proceeding to fuck her and fuck her hard. My strokes started off slow then picked speed as I plowed balls deep into her pussy. We got another good rhythm as Mom started pumping backward on me.

"Take this dick, Mama?" I groaned smacking her ass.

"Yeah, baby. Smack my ass some more."

I obliged Mom's request, repeatedly smacking her ass as I beat up that pussy from behind. As thrust in and out of Mom, I felt another nut about explode from my loins.

"I'm gonna cum, Ma." I warned fucking as hard as I could.

"Cum for for me, Tee." She replied pumping backward on my cock faster.

Mom's pussy clenched around my cock trying to milk me for all I had.

I fucked Mom as hard as possible, "I'm gonna cum for you, Mama. Mmmm," until I exploded my seed into her.

"I'm cumming, Mommy. I'm cumming!" I yelled as my climax overtook me.

My orgasm was just as hard as the one I had in the shower. I pulled out of Mom and with two powerful orgasms in the span of an hour, I was physically drained. I let out a yawn and began to nod off.

I let out a yawn, "That was amazing, Ma"

Mom kissed my forehead and cradled me in her arms, "Shush, just go to sleep baby."

I began to drift away and allowed myself to fall asleep in her arms...all the while wondering if we'd ever fuck again.
