My niece takes matters into her own hands

Waking up on a slightly warm Saturday spring day in New Mexico was glorious. Living the single life in a small arts and tourist community has many advantages. I have a nice split level condo. I can keep myself in prime physical condition through biking, hiking, tennis, and golf. Being 6 foot, weighing a solid 200 pounds, with green eyes and blondish hair, I have no problem with the free spirited local ladies. Throw in the tourists who dont mind ditching the boyfriend and/or husband for a day, I was more than content with my lifestyle.

Then Gabrielle entered my life. The 19 year old daughter of my brother and his Latin American wife, she had grown into quite a beauty. She stood 5'10, with an athletic build. Smallish breasts, long legs, rounded butt, and a pearl white smile to go with cocoa colored skin. She had blossomed into a woman who could make any man hard. Oddly, her nickname was Gabby. It was a teasing nickname, as Gabby was introverted. She is not one for idle chit chat. Her parents sent her to me because of her passion for the arts. They felt the local community could help her grow as an artist.

As usual, I woke up semi hard, needing to piss. Quietly going down the carpeted hall, I entered the bathroom. Lifting the seat, I fished my cock out of my boxers, and started to piss. Just at that moment, Gabby entered!! I did not close the door all the way, and she did not know I was there. Only wearing a short white cotton tee, and purple panties, I could see the outline of her nipples. With sleepy eyes, and still bed-tousled hair, Gabby watched me piss. I swear I saw her nostrils flare and her tongue lick her lips. Well, when a mans gotta go, a mans gotta go. So I just kept on pissing. When done, I squirted out the last few drops. Gabby didnt say a word, just kept staring at my slowly growing cock. I am proud of the 8 inch length it can grow to. Then I made a silly joke about how if you shake it more than three times, you are playing with it. She smiled slightly, and said in a low voice how much she like to watch boys play with it, then turned. With my eyes on the yellow BABY GIRL written on back of her panties, Gabby disappeared down the hall.

The morning was kind of a blur. Gabby left mid morning in a purple string bikini to swim in the complex pool. What was her love of the color purple? If I ever had any question, I now knew Gabby shaved her pussy. My heart kept racing, and it seemed like no matter how much iced tea I drank, I had a dry mouth. Just before noon, Gabby returned from her swim. Heading to the fridge, she leaned over to get herself some iced tea. I swear I saw a cute little pussy lip peek out. It was like it was beckoning me!! And I could not help but notice how perfect her ass was.

Realizing this was not good thoughts, and having drank alot of iced tea, I headed back to the bathroom. Again, I lifted the seat, and prepared to empty my bladder. And again, just as I started, Gabby entered. This time however, she walked up behind me, placed herself close, and reached around. With her breasts rubbing my back, and her pussy against my ass, she grabbed my cock. She whispered into my ear that she wanted to help, then proceeded to hold my cock while I pissed!! I needed to finish pretty soon, because I was getting hard.

Finishing up, I again squirted out the last few drops. With my cock still in Gabbys hand, she then asked if it was true that shaking it more than three times was indeed playing with it? I weakly said yes. With nary another word, Gabby proceeded to stroke my cock to it its full hardness. I have to admit I hadnt been that hard in years! Just as I felt I might cum, Gabby pulled her hand away, much to my disappointment. Turning me, Gabby shut the toilet lid, and sat me down.

With my hard cock pointing upward, Gabby went down to her knees, and took me into her mouth. Now, Ive had better blowjobs, but this one was special. My foxy niece was taking in 6 inches at a time. She bobbed up and down with gusto. She needed to learn more about the use of her tongue. I prayed I would get a chance to teach her. Her eagerness made up for technique, and I soon filled her mouth with a nice flow of cum. She tried to swallow it all, but some dribbled out. Using her fingers, Gabby slowly scooped the rest into her mouth, and licked her fingers clean. Then, with out a word, but with that slight smile, she got up from her knees and went to her room.

Needless to say, my mind, and my cock, was blown ,lol. Gabby napped that afternoon, and I had left for dinner and a night at the local clubs by the time she got up. Oddly, I wasnt too interested in women that evening; not after what had transpired earlier. Having just a few drinks, I headed home early, and went to sleep.

Waking up the next morning, once again I was semi hard and needing to piss. Quietly slipping into the bathroom, I got ready to piss. Out of the corner of my eye, I saw Gabby enter. This time she was nude!! I was right, she was completely shaved.

Slipping up behind me, Gabby grabbed my cock, and murmured this was her responsibility. She then aimed for me, and I pissed while she held me. When done, Gabby once again would not let go. This time, I turned to face her. With my hardening cock pushing into her belly, I began to kiss her. Our kisses became more passionate. She did know how to use her tongue while kissing, and I knew it would not be long until I taught her how to use her tongue when she sucked me off. Once again I was painfully hard. But Gabbys mouth had to wait. Putting my arm around her waist, I asked if she was a virgin. She said no, but she didnt have much experience. Chuckling, I led her to my bed, and told her she was about to get alot of experience!!

I saw again that slight smile, as she laid back on my bed. I thought about tasting her sweet looking pussy, but my cock needed release. Gently easing in a finger, I could see how tight she was going to be. Wetness was not going to be a problem. Those bathroom capers seemed to excite her. Fingering her just a bit more, I opened her legs , and got on top. Her skin was so soft, her pussy so wet.

I placed the swollen head of my cock between her wet pussy lips, and slowly eased in. Inch by hard inch, I eased into her. She was perfect, just loose enough for me to give her a solid fuck. Turns out

she is a moaner, not a screamer. Fucking in and out of that tight young pussy was pure heaven!! My cock felt like it belonged there. From her moans, I know Gabby felt the same way. Unfortunately, that first time went way to fast.

Gabby grabbed me close as I began to cum. Her athletic hips rose up to meet my final thrust as I filled her wanting pussy. She would not let go until all my cum had left my shaft, even the last three squirts. There was alot of cum, some that was nowseeping slowly out of her pussy. After I pulled out, she scooped up a little, and placed it into her mouth.

"MMMMHMMMMM," was the only word Gabby said.

Needless to say, the local women have been a little more wanting these days. I have a wonderfully sexy niece at home; ready for my every bathroom trip, and the sucking and fucking that ensues. Life in New Mexico could not be better.
