I don't think I ever saw her so happy and embarrassed at the same time before. I mean it was like both of those feelings just maximized all of a sudden.

"So, is that a yes?" I asked.

"Yes I do, I guess I never actually said it out loud before," Tonya replied.

I gave her a hug, I wasn't sure what else to do. I felt a little bad for her, I mean if she had never said it out loud before, then she obviously hadn't told David.

"So, does he not know then?" I asked.

"No, it has been just close sex with us, we joke around as brother and sister, but I wanna be his girlfriend. I want more than just hot sex, I love him and I wanna be with him now," Tonya replied.

"Well, I think you need to tell him that," I said.

"But how can I? Just say, 'Hey the sex has been great but I wanna be more than that.'? What if he freaks you out and just breaks up with me?" Tonya asked.

"Well, unfortunately that's a risk you are gonna have to take, otherwise you will just drive yourself nuts until you blurt it out the wrong way and then you are completely screwed. So you should tell him sweetheart, if he loves you just as a sister, then I think he'll at least listen to you," I replied.

"OK, what if I told him I was pregnant?" Tonya asked.

I gave her a weird look, I was happy and worried then.

“Wait, are you pregnant?” I asked.

“No, but would that just be the bitchiest thing I could do?” Tonya asked.

“Yes sweetheart, break it to him slowly, tell him how much you love him and just be your sweet self,” I replied.

“OK mom, I love you,” Tonya said.

“I love you too sweetheart, I had no idea you fell for him,” I replied.

“I know, he's just some kind of man,” Tonya said.

Then we both looked at each other for a minute and then we just kissed each other.

“Whoa, shit, what the fuck was that?” Tonya asked.

I looked away from her and stayed silent for a minute thinking of something to say.

“I think it was a lady kissing her mother, because they both were in the moment,” I replied.

Then we kissed again, I think she wanted it and didn't want it at the same time honestly. I think I did too, she just told me all about her and David, but on the other hand this was just so hot, she already had me extremely horny, I guess I just couldn't help it.

“If we do this, he never ever finds out, you got that?” Tonya asked.

“I got it sweetheart, I will not breathe a word to him about it, I promise. It can be our little secret,” I replied.

“Fine, but I really do love him, this is just a one time thing,” Tonya said.

“Done deal,” I replied.

Then we both began making out as we were both still sitting down. Eventually we both laid down on our sides and made out for a few more minutes. Then she leaned up and took off her shirt.

“Nice rack, Tonya,” I said.

“Well don't forget I get it from you,” Tonya replied.

Then she took off her bra as well and I was just eyeballing her boobs like a hawk eyeballing a snake. They were probably the best and sexiest tits I had ever seen in my life. She looked over at me and she liked that I liked them.

“Are you gonna start drooling, Mom?” Tonya asked.

“Maybe,” I replied.

She began taking off my shirt as well. Once it was off, she took a nice and long look at my boobs and she did start drooling for a couple seconds while I still had my bra on.

“Watch it, I just washed these sheets,” I said.

“So? You came on them,” Tonya replied.

Then we kissed again and she put her hands on my back. She slowly undid my bra and threw it on the floor. She took an even better look at my tits and drooled some more.

“Holy shit mom, did you have cosmetic surgery or something? I mean damn these tits are like the best tits in the world bar none, no bullshit. Serious, did you ever have some type of surgery or anything like that?” Tonya asked.

“Hell no, these are all natural, don't worry your tits should be this big by time you get to be my age. Then we both can really admire each others C-cup boobs,” I replied.

“Let's put each others tits together,” Tonya said.

“I like that,” I replied.

We both got on our knees and pressed our boobs against each other. I had C-cup boobs, but she only had B-cup boobs though. We both really liked it and got in a small titty fight for a minute.

“Be nice to your daughter,” Tonya said.

“No,” I replied.

We both laughed as we had some fun together as mother and daughter. As we were both on our

knees, she leaned down and began licking my nipples. It felt absolutely amazing, most likely because she was my daughter, and we were having some lesbian fun. I put my hands on her head and she just kept going to town on my nipples. It was like she just discovered chocolate or video games. It felt so good that I just lost my balance and fell onto the bed. She didn't even ask me what was wrong, she just got on top of me and began licking my nipples some more, obviously this discovery was a good one.

"Holy shit Tonya, you know how to lick a woman's nipples," I said.

"Well, you do have great tits mom, they are real and they are spectacular," Tonya replied.

I just laughed a little.

"What's so funny?" Tonya asked.

"I just thought of that episode of Seinfeld, it's just so damn funny, I'm sorry if I ruined the mood," I replied.

"Well maybe a little, but let me see what you have down there and maybe I'll be in the mood again," Tonya said.

I laid down on my back and she began undoing my pants. She saw my pink thong I was wearing that day and I knew her pussy had to get really wet. She pulled down my pants and took them off completely. She got right over my pussy which was only being covered by a thong, and she grabbed onto the side straps to pull it off me. She stared at my pussy for about 2 minutes straight.

"Wow mom, why the hell don't you have more guys getting this pussy?" Tonya asked.

"I don't know," I replied.

"Well you should have guys lining up around the block to get guys to eat this pussy," Tonya said.

Then she began to eat her mother out for the very first time. It was a great turn on for both of us, she spread out my wet pussy lips and stuck his tongue as far in there as she could. I had to lay my head back and grab onto my boobs. I squeezed them and pinched my own nipples as well. It was so far beyond out there, this wasn't even on the crazy scale, it was like crazy times 10.

"Holy shit Tonya, you are some kind of lady to do this with your mom," I said.

“Well, you are my sexy mom,” Tonya replied.

She began licking my pussy mercilessly for a minute and it tickled a little, but I didn't laugh too much. She put her pointer and middle fingers on her right hand into my pussy and was finger fucking me like mad. I had no choice but to scream.

“Holy fucking shit Tonya, yes! Keep going, keep going for me!” I screamed.

“Shh, David could come back soon,” Tonya replied.

“Sorry sweetheart, I'll try and keep it down,” I said.

She sure as hell wasn't making it easy none whatsoever. It was absolutely driving me mad, I wanted to scream at the top of my lungs and move around like mad as well, but I did my best to keep my cool just in case David came home.

“Hit my g-spot sweetie, you know you want to. Hit with all of your might,” I said as I moaned.

“Will do mom, but you must cum as much as you can though,” Tonya replied.

“I will Tonya, now put that tongue back in my pussy already. I wanna feel your tongue inside my pussy as much as I can,” I said.

She spread out my pussy lips as far as she could and put her whole tongue inside my pussy. She obviously either ate pussy before or really knew how she wanted to be fucked, it was definitely one or the other. Then my heart rate escalated big time and I was getting really sweaty as well.

“Holy shit, I'm gonna explode soon sweetheart,” I said.

Then I began moaning really loudly and without much warning, I just came all over her face. She seemed to love it, I never liked it when a guy came on me, but I think this was extra special for her though.

“Holy shit mom, that was absolutely great,” Tonya said.

Then we heard some tapping, we both looked over at the door, and there was David standing right there. We were both very fearful thinking the absolute worst.

“So, do I have to ask?” David asked.

I was thinking 'Oh shit' in my mind of course, I thought I might have just screwed things up for her and him. Then David just left, so we both got dressed really quickly and ran after him.

“Wait David, I love you,” Tonya yelled.

Then he turned around with a pissed off look on his face.

“Then what the hell were you doing with mom, I thought we had a thing together sis?” David asked.

She just stayed silent for a minute breathing heavily, she wasn't too sure what to say. I almost thought she was gonna have a panic attack.

“We do, we were just in the moment I guess and it was just gonna be a one time thing. I don't wanna have her getting into my panties, I just want you to get into my panties David. I love you and I wanna be with you. Mom knows all about us now, it really doesn't matter how, but she does. I'm so sorry David, just please don't hate me or her,,” Tonya replied.

Tonya broke out more than a few tears, I saw her pouring her heart out, so I came over to them and I thought maybe I could help her case.

“It's true David, she wants to be with you, she wants to be pregnant with your baby and do it with you for the rest of your lives. It's also true we were in the moment, I found out that you were the one stealing my thongs and saw that you two were doing it. I put a camera in there, but that isn't important right now. What is important is that she loves you, she has fallen for you really hard, so please if you hate anyone, hate me,” I said.

David gave her a hug and kiss, but I don't think he was sold yet.

“You really want me to get you pregnant?” David asked.

“Yes, you are sweeter than all of the other guys I've dated combined. I told her how it started last Christmas and how you felt so bad after we made love for the first time. She's more than happy for us, she doesn't have a problem with us dating or having a baby,” Tonya replied.

“Is that true mom?” David asked.

“Yes David, if you two wanna be together, then be together, you have my blessings. Now let's skip all of this drama, fair enough?” I asked.

Let's face it, this wasn't a fair fight, so he gave in.

“Fair enough, but no more fucking our mom, now I'm the only that's gonna be getting into your panties, got it?” David asked.

“I got it, I love you,” Tonya replied.

“I love you too sis,” David said.

“Well give her another hug and kiss and tell her you forgive her now,” I replied.

Then he did just that, he gave her a really big kiss right in front of me, as if they just didn't care, they didn't feel weird about it anymore.

“I think it's implied, but I'm pretty sure she just wants you to masturbate into her panties now and not mine anymore David,” I said.

“Ditto, you wanna fuck me, then you gotta just masturbate in my panties and not mom's panties, got it bro?” Tonya asked.

“I Got that sis, I'm sorry I was pissed, I just didn't expect to see you with mom,” David replied.

“I know, as we said, it just kind of happened, and we were clear it was just a one time thing, I'm sorry if I hurt you,” Tonya said.

“It's OK sis, I still love you,” David replied.

“Good, I still love you too bro, more than you know, trust me,” Tonya said.

I was really happy that they made up.

“Well, just how long have you felt this way about me sis?” David asked.

“I guess since a few weeks after we first hooked up. I wanted to continue at first because the sex was so good, but I fell head over heels in love with you. I guess I just didn't know how to tell you, I was afraid you would wanna end it. So I just settled for the sex, I didn't want her to tell you she knew about us. I thought that would just completely screw things up,” Tonya replied.

He felt bad to say the least, and I'm not sure he knew what to say to all that. What she just laid on him was a bombshell, but we just had to find out if he felt the same way.

"Well sis, if that's what you want and you wanna be exclusive, then consider me your boyfriend," David said.

"Oh thank you, thank you so much David, I love you," Tonya replied.

"I love you too sis, and your welcome," David said.

Then they hugged and kissed again as well. I let them have that one, then I got in on the action and we all had a group hug.

"And if you could possibly wash the thongs you did borrow and give them back, that would be great, I'm down to like 5 now," I said.

"Sure mom," David replied.

"There is one thing you can do for me though," Tonya said to David.

"What sis?" David asked.

Then she kissed him once and turned his head over to me.

"Well, let's start officially being exclusive starting tonight once we have dinner," Tonya replied.

"OK, why?" David asked.

"Well, I just know that our mom over here, she would absolutely love it if you fucked her," Tonya said.

Then both David and I had weird looks on our faces.

"You want me to fuck mom now after all that?" David asked.

"Consider us even after you do and I know she wants it, you should have seen her when she watched us sex. She was masturbating believe it or not. So just try it for me and her, but I know you'll like it and make sure you use protection too, if you get anyone pregnant, you are gonna get me pregnant," Tonya replied.

“OK got it sis,” David said.

Then she gave him another kiss.

“Mom consider this a very early Christmas present, after this, he's mine and I don't like to share,” Tonya said.

“I got it sweetheart,” I replied.

Then David and I went into my bedroom to get it on.
