Sisters snoop around in mommy's dresser

"OH GOD Jennie moaned as she and Rochelle shared the two way dildo. The dildo sank in and out of Jennie's aching pussy. Rochelle was also feeling the great feeling as the dildo rubbed her clit into a sexual frenzy. Jennie screamed as an orgasm raced through her leaking pussy. Rochelle was not far behind and soon an orgasm flooded her pussy with juices.

"That was incredible! Rochelle gasped. Both of them looked at each other.

Rochelle was a rather short brown haired girl who had normal sized breasts for a 18 year old. Freckles covered her face. She was average build and was a girl you would call cute not hot. Jennie had brown hair also and long legs. She had small breasts for the 19 year old she was, and a shaved pussy. She had legs and thighs that made every man she saw gape. They were semi muscular and very soft and very creamy. Her breasts while small were very good; they had nice nipples and also a very good color to them. Rochelle on the other hand had legs that were shorter but had a bit more meat on them. While Jennie was very average Rochelle was only an small build. Both had no clothes on as they lay in a pile at the foot of a dresser.

The dresser had started all of this really. Jennie and Rochelle were snooping around their parents' room when Rochelle had opened their mom's underwear drawer. There they had found a strap on several dildos and a vibrator, and also the two way.

"I dare you to take one and try it," Rochelle said.

"Ok if you do also," Jennie countered.

"Ok but you first."

"No you first."

"Together."

"Wouldn't that be weird?" Jennie asked.

"Not in the same room!" Rochelle said.

"Well than how will we know if the other did it?"

"Well..."

"See and I don't know about you but I'm not going to believe for one second that you actually did it," Jennie stated.

"And if we have to do it in the same room at the same time that makes us lesbians and I ain't gonna do it cause were sisters!" Jennie added very sternly

"I think you're just a wimp," Rochelle teased.

"Fine then if you think so I'll do it."

"Ok than go."

"You said you'd do it too!" Jennie reminded Rochelle.

"Alright." They both looked at each other.

This was weird. They both awkwardly looked away as they each took a dildo from the drawer. They tried not to look at each other as they slowly undid their skirts that they had to wear as they both went to the same Catholic school. They then each pulled down their panties until they could fit the dildos in, neither looking at the other. Both then slipped the dildos into their panties and began stroking there pussies with the fake penises. Both were virgins in every way, neither had even masturbated before now. Both felt a pleasure that they had never felt rise in between their legs. Neither wanted this pleasure to end and they stroked faster. Jennie moaned and Rochelle looked over at her. What she saw made her moan herself. Rochelle was getting so turned on by the combination of the dildo rubbing her and the sight of her sister rubbing herself. Rochelle then did something that changed their lives forever.

Rochelle moved in front of Jennie and began to moan as she rubbed the head of the fake penis into her crotch. Jennie stared at Rochelle as she rubbed herself. Then Jennie began rubbing herself again this time with vigor. Rochelle unbuttoned her shirt and flung it off herself then her bra followed. Jennie did the same only she took her panties off and stood there naked in front of her sister except for the knee high stockings and high heeled shoes. Rochelle followed suit. They still rubbed themselves but now their eyes were examining each others bodies.

Rochelle stopped rubbing and put the dildo down. She walked up to Jennie and began kissing her using her tongue to probe Jennie's mouth Jennie dropped her own dildo to the floor and soon they were both kissing each other passionately using their hands to explore each others bodies. Rochelle broke the kiss after a long while. She moved her hand down and found Jennie's clit. She rubbed it

and began to tease it with her finger. Jennie moaned and she pushed her pussy up against Rochelle's finger. She then stuck a finger into Jennie's pussy, and Jennie shrieked and moaned.

"Oh yeah keep doing that...OHHHHHH!"

Just before she climaxed Rochelle withdrew her finger.

"Not yet." Rochelle said teasingly.

"Oh god I loved that do it again please!" Jennie begged.

"Oh no, I've got something much, much better."

Rochelle then went to the open dresser and picked up the two way.

"You wanna try it?"

"Oh god yes let's do this!" Jennie moaned.

"Come over here then," Rochelle said, leading her to the bed.

Jennie went over to the bed and lay down. Rochelle then lay down next to her and shifted so they were facing each other. They had no idea how to use the thing but they improvised. Rochelle stuck the thing into herself and screamed as she felt the huge fake thing penetrate her virgin pussy. It sent waves of pleasure through her.

"Get on top of me," she gasped breathlessly.

Jennie did as she was told and straddled her sister. She then slowly lowered herself onto the huge two way cock. She also screamed as she was penetrated for the first time. Then both the pair lay together for a time allowing their pussies to get used to the intrusion. They then both began to rock back and forth so that the dildo penetrated them repeatedly. They both moaned in unison as they felt the cock slide into them. They both went crazy both felt pleasure they had never felt before running through them. They both screamed loudly and Jennie thanked God their parents weren't home.

Soon both felt something new almost a building sensation in both their pussies. This was going to be their first orgasm. They both flailed as they felt a pleasure so pronounced building. Soon both of them screamed as they hadn't done before and both squirted juices everywhere. The bed was getting soaked with all the juices flowing out of them. They both felt the others cum squirting onto them.

"OH GOD!" Jennie screamed.

They both collapsed exhausted from the intensity of their orgasms. Rochelle felt Jennie's juices dripping from her thigh. For that matter there were juices everywhere. *That was great I've never felt*

so good, thought Rochelle. Jennie was still reliving the great pleasure that had ripped through her only seconds ago.

"Maybe we should get cleaned up?" Rochelle said quietly, gently pushing Jennie who still lay on top of her.

"What? Oh yeah."

Jennie looked confused. Both she and Rochelle slowly removed the two way from their dripping pussies. The sensation flooded back as they did. When the dildo was out of both of them a flood of their love juices leaked out of their pussies. They both picked up all the dildos and put them back in their original spots. After they both sucked the juices off them first. Then they both slipped their panties back on put on their skirts, then their shirts, and finally the ties. Then they got a roll of paper towels and did their best to clean up the pools of pussy juices that were everywhere.

They did everything in complete silence and finally they headed back to their room. Neither could believe what had just happened. And both felt very guilty about it.
