Seducing Mother

By Reeb

I've been thinking sexual thoughts about my mother for the last year. I'm eighteen years old now and when I was seventeen last year, I started looking at my mother not as my mom but as a very arousing and sexy woman. It all started with me looking at her sexy panties in her underwear drawer of her dresser.

As I gazed upon the sheer lace material of her panties, I became very aroused. I started masturbating into her panties, stroking my hard cock for several minutes until I would cum into the soft cotton crotches. At first I unloaded small amounts of cum but as I grew up, my ejaculations grew too. I graduated to searching the clothes hamper and looking for a sexy pair of mom's worn panties. I was rewarded several times as I found them and brought them to my nose. Oh the enticing smell of my mother's sexy juices would send me quickly into an intense orgasm, time after time. My lust for my mother continued to grow.

Some may think it was weird but I occasionally tried on her panties, feeling the soft sexy material against my hard throbbing shaft sent me quickly over the edge. I would cum so hard as my excitement was so intense, knowing that my cock was touching something that also was touching her pussy, knowing I was doing something so wrong, so taboo, so incestuous.

When I was twelve, my father was killed by a drunk driver in a car crash. Mom loved dad so much that she was crushed. It's been over six years since I have seen mom with a man, dad. She never dates as she says she could never have a love as good as she did with my father. She would joke that I was the only man in her life now. Little did she know, that was my plan exactly as I desired to have her all for myself.

One day I was looking through her sexy underwear drawer again and I found a long pink seven inch vibrator stuffed way in the back. My cock was stone hard in seconds as I imagined where the vibrator had been, inside and all over my mom's sexy pussy. I turned it on and caressed my cock with it while I wore a pair of her sexy underwear. It took only seconds as I soon blew one of the most intense

loads of my young teenage life.

I was seventeen when I found her vibrator. I then realized that my mother needed to pleasure herself like any other woman. At that time, I decided I wanted to actually make love to my mother. No more just fantasizing about her and masturbating into her panties. My desires had become so strong that I needed to feel my throbbing cock inside the warmth of her wet pussy.

I was going to seduce her if it took years to get her to make love to me. It didn't matter to me, yes I was going to feel my hard cock spread her wet pussy lips and feel the heat of her insides. My mind was tormented as I came up with plan after plan on ways to make love to my mother.

I thought of just showing her my hard cock and saying "Fuck me mom!" Hah, yeah like that would work. Or maybe I should walk in on her while changing or in the shower with my hard cock in hand. God, all too direct. What if she turned me away? No, I had to seduce her to the point where she had to have me, get her so sexually aroused she would make love to her own son, yes so aroused she would even commit incest.

Let me describe my sexy Italian mother to you. Her name is Denise and she is 39 years old, stands about 5 feet 4 inches tall and weighs around 120 pounds. Her hair is jet black, shoulder length and wavy. Her eyes are very dark as well as her dark olive skin. She tans very easy so she always has a dark complexion, especially in the summer months.

She has a great figure as I've seen her around the house in all different stages of dress. I've caught her in her underwear a few times and in her skimpy little red bikini, which always gives me an instant erection. Her skin is very smooth and she works out nearly every day so her body is as tight as any twenty year old.

Mom has this plain but very sexy look, kind of like Sandra Bullock. She's not drop dead gorgeous but yet very pretty and extremely sexy in her own way. I may have a biased opinion, but I find her the sexiest woman on earth. Now mom's ass is absolutely amazing. I love watching her sexy butt as she walks in front of me. Her butt gives me a raging hard-on in seconds.

Next to her sexy ass, her breasts run a very close second place for her sexiest attributes. Her breasts look very large in comparison to her relatively small petite frame, very full and naturally rounded. They are capped by two very large dark puffy nipples which when she's cold or sexually excited, will draw any man's eyes towards them.

Mom doesn't know it but I've also graduated to spying on her in the shower several times and getting dressed. Our house is an older house with large keyholes in all the doors. You can get down on your knees and look right into the bathroom or her bedroom. I masturbated several times while watching mom taking a shower or getting undressed for bed.

One time I was peeping through her bedroom door keyhole while she was undressing. As I watched her slid her jeans down her sexy legs, exposing her perfect tight butt wrapped inside a pair of white lace boy short panties. Her ass was simply exquisite, perfectly shaped white globes of butt flesh with sexy dark tan lines.

She pulled her t-shirt over her head revealing a sexy matching white laced bra. Like I said, mom's tits were huge on her small frame, pressing out and filling her 34C bra nicely. I watched intently as she

walked over to her dresser drawer and pulled out her pink vibrator. My cock was huge as I stroked my cock through my shorts as she walked to her bed.

She sat down on her bed and I heard the vibrator turn on. She reached behind her back and unclasped her bra, letting her gorgeous breasts spill out. I gasped with excitement as her tits were so sweet. Her nipples were very dark and swollen, standing out erect, all puffy and aroused.

Quickly I pulled off my shorts, now naked from the waist down with my hard cock firmly in my right hand. As I stroked my rock solid eight inch cock, I watched my mother lay back on her bed, cup her breasts with her left hand as she began pulling at her swollen nipples. She pulled up her knees next to her so I couldn't see between her legs.

Her right hand gripped the vibrator as she began running it up and down between her legs, I assume over her panty covered pussy. She moaned in such a sexy tone as the vibrator passed over her erect clit the first time. Arching her sexy back, I could see as she slid the pink phallus under the elastic band of her panties and down over her wet pussy lips. She ran it up and down her pussy as she whimpered softly.

My view was very limited but I could only imagine what she was doing. In minutes she was moaning loudly as she lifted her hips up, pinched her hard nipple and began to shudder all over as she had a very intense orgasm. In time with her orgasm, I shot a huge load of cum into my shorts and then scurried off to my room.

After seeing that, it was time. My plan of seduction was to begin the very next day. I knew mom needed a real cock, a hard young thick cock to fill her insides. My first plan was to let her know how hot and sexy she was, to make her feel so sexy and good about herself. I started the next morning as mom was making breakfast. It was summer so she was wearing a pair of tight fitting white shorts and a sexy yellow tank top.

"Good morning mom!" I said as I walked into the kitchen.

"Hey there Davey. Sit down and I'll make you some pancakes." She replied.

Sure mom, sounds great. Did you do something with your hair?" I asked her.

She smiled as she ran her fingers through her hair, "No honey, why?"

"You just look very pretty this morning mom. I thought you tried a new shampoo or something." I beamed back with a huge smile.

"No honey, just plain old mom." She laughed.

"I don't know mom, something looks different. I like it though, you look very sexy." I said to her.

She blushed as she replied, "Oh stop it, you're embarrassing me."

"Ah come on mom, you know you look beautiful." I complimented her again.

She just smiled and continued making my pancakes. She was beaming afterwards though as my compliments definitely made her feel good. We ate together and made small talk but my plan was working as she was so sweet to me. After giving her sexy compliments all day, night finally arrived, time for plan B to start.

Mom was downstairs watching TV so I decided to give her a little show. I would continue with the sexy compliments but add a new twist, exposing some of my skin to her. Now I guess I should

describe myself, I stand about six feet tall, athletically built, dark hair, dark tan with steel blue eyes. I've never had any problem getting dates and I'm not a virgin or anything. I just chose to save myself for my mother.

Tonight was a very warm night so I put on a pair of my worn out black gym shorts with the sides tore up about an inch from the waist band with no underwear. Almost like a pair of shorts Tarzan would wear. I was naked except for these short shorts which exposed my tanned chest muscles and tight abs. I was so excited that my cock was semi-hard as I walked down the steps toward the living room. Mom was sitting there wearing a loose t-shirt and her sexy little night shorts which revealed most of her sexy tanned legs. I could tell she was not wearing a bra as I passed by her as her nipples were pressing out slightly. I sat down on the couch next to mom who was sitting in the recliner. Mom looked at my attire and I could see she was checking me out, trying hard not to get caught doing so. She was watching a sexy R-rated movie on HBO, 9 1/2 Weeks, the one with Kim Basinger and Mikey Rourke. As the one sexy scene in the alley took place, water cascading all over Kim's sexy body, my cock began to harden. I sat on the couch with my legs up facing mom.

With my legs up on the couch facing mom and as the sexy scene got hotter, my cock slowly started to come into view. Soon a good three inches of my thick shaft was sticking out the side of my shorts. I pretended I didn't realize it but I soon found mom looking over at it. She was starting to get aroused as I noticed she was having trouble sitting still.

"Wow mom, that Kim Basinger is so sexy, almost as sexy as you." I said.

Out of the corner of my eye, I could see her right hand softly caressing her pussy. She was moving her fingers so slowly and so little that I could barely tell what she was doing. Her nipples gave her away though as they became very swollen and erect, pushing out hard against the thin fabric of her t-shirt. She didn't say a word as I complimented her again.

"You know mom, I think you have a better body than her. Don't you think so?" I asked without looking at her.

"Oh I don't know honey, she's awfully pretty." Mom replied.

Mom's face was getting flush red as my cock was at full hardness now. My huge purple cock head was throbbing just for her view. Pre-cum oozed from my slit as mom rubbed her pussy harder and a little more noticeably. My face was looking towards the TV but I was watching mom out of the corner of my eye. Suddenly she stood up and excused herself.

"I've got to get some sleep. See yah in the morning Davey." She said as she turned and quickly walked towards the stairs.

"Ok mom, sleep tight." I replied.

Plan B was working as I could see a wet spot on the front of mom's shorts as she stood up. I knew she was very aroused and got a good view of my hard cock. It was probably the first real hard cock she had seen in years. Yes, she was quite flustered as she scurried up the stairs. I quietly got up and went up the stairs towards mom's bedroom.

My cock was rock solid, standing straight out as I approached mom's bedroom door. I dropped to my knees and moved to the keyhole, my eyes adjusting to the light inside as I gazed upon my mom. She

was thrashing her pussy madly as she lay on her bed. I couldn't be sure but I thought she was moaning my name. Yes, plan B was working perfectly. Tomorrow, plan C was to begin.

I woke up with a raging hard-on as I didn't masturbate the night before. I was saving up everything for mom. My thoughts went back to the sight from the night before, mom fingering her pussy vigorously after she got a good view of my cock. As I walked down the stairs, I heard mom in the kitchen. I wasn't prepared for the sight as I entered the kitchen though.

Mom was wearing only a white tank top and a pair of sexy blue short shorts that clung tightly to her gorgeous sexy ass. My cock was stone hard as I gazed upon her beauty. She was washing the dishes as I moved in behind her. My cock was rock solid inside my shorts as I approached her. Plan C was about to begin.

I moved in behind mom, breathing softly into her left ear as I whispered, "Good morning mom, sleep good."

As I did this, I softly pressed my swollen cock into her soft ass as I reached over her, opened the cupboard and got a glass out for some orange juice. Mom felt my hard cock and pressed her ass back into me ever so slightly. It was so fucking hot and arousing for both of us. There was a definite sexual charge in the air that morning.

She caught her breath as I pressed my thick shaft harder into her soft tush just for a second longer before I went to the fridge and poured myself some orange juice. Mom continued to rinse the dishes as she bent over to put them in the dishwasher, giving me another sexy view of her perfect heart shaped ass. I could see her pussy mound from behind encased in those tight shorts. God, she was so fucking sexy looking. She was making my cock throb.

Done with my orange juice, I moved behind her again as she rinsed the last of the dishes. She stopped and froze as I once again pressed my throbbing cock firmly into the soft crack of her sexy ass. I reached around her and placed the glass in the sink of hot water for her to rinse off. Again, I could feel her push her soft butt back into me ever so slightly.

Unable to control myself, I pressed my swollen cock harder into her sweet ass. She left out a soft moan as there was no mistaking what she was feeling. My left arm was still around her left side as I casually brushed against her left breast, feeling her erect nipple touching my forearm. Sexual electricity completely consumed the atmosphere. She was breathing very heavy.

"Thanks mom, I'm gonna take a shower. Are you almost done with the water?" I casually asked her softly into her ear, caressing her soul with my hot breath.

"Um yes honey, go ahead." she stammered out seconds later.

Plan C was working, physical contact with my sexy mother and she didn't turn me away. I knew she was getting aroused beyond the point of no return. I continued with my plans of seduction for several days. Sexy compliments, giving her quick glimpses of my swollen manhood and my teenage hard rippled body along with soft gentle caresses and erotic touches were driving her wild.

Finally one morning I was taking a shower. Now I always made the point of leaving the door open while I took a shower these days, another part of my seduction plan. I could sense mom was out there watching me shower again. I knew she was weakening fast as I could sense her outside the

bathroom door nearly every day now.

I just knew it as this day I heard her gasp for air as I stood close to the shower glass door, stroking my long thick hard cock. Slowly I stroked, gripping my shaft very hard, making my cock head swell even more. I pressed my cock head against the frosted glass, giving her the best possible view I possibly could.

I hadn't cum in over a week as I was holding back, waiting for mom. I was hoping mom would soon get up the nerve to make a move, get beyond the barrier of seeing me as her son and committing incest to realizing I was a man she could make love to whenever she wanted.

Today was that day as I could hear her removing all her clothes in the hallway. I imagined she was watching me lather up and stroke my long thick cock. As my hand glided slowly up and down my soap slickened shaft, her fingers found her swollen clit above her juice covered pussy lips. Her fingers caressed her erect nipples as she watched me stroke my cock. My imagination was running wild as I wondered if that was what she was doing.

My seduction plans worked as she was unable to take it any more. Mom moved into the bathroom and watched me closely as I pulled on my shaft. I could sense her there as I decided to put into action the last phase of my seduction plan. Gripping my cock harder, I pulled my cock real slow and moaned out her name.

"Ah yes mom, that's it, suck my hard cock, ummmmm yesssssss! Oh I wish you were here licking my cock mom." I moaned.

I could see her naked silhouette through the frosted shower doors as I continued stroking my swollen shaft. I could see her hand was between her legs, fingering her wet pussy. Her other hand was pulling on her erect nipples, one after the other. The water temperature in the shower felt like a thousand degrees, it was so sexually hot in there.

My knees were shaking as I was so fucking excited. She just stood there watching me as though she was fighting a major battle within her sexually overwhelmed mind. I had to almost stop stroking my cock as if I didn't, I'd be shooting cum all over the shower doors. She had to be just about there, just about ready to cross that line.

"God mom, I'm so hard for you." I moaned softly so only she could hear.

Hearing my repeated moans of desire, mom finally knew what and who I was thinking about.

Suddenly I could feel the cool rush of air as mom pushed the shower door open and stepped inside.

As I turned, my eyes fell upon the most gorgeous sight I ever had seen in my young teenage life.

My mother was standing nude in the shower with me, her sexy full curves, smooth dark tanned skin and very sexy tan lines. Her breasts were large pale white mounds of breast flesh capped by two huge dark swollen puffy nipples. I couldn't believe the size and thickness of her sexy dark nipples.

Her pussy had a dark landing strip of black hair just above her swollen puffy pussy lips with her erect hooded clit pushing out at the top. It was so hot seeing a pussy with hair on it. All the girls my age are shaving their pussies bald. Her cunt was the way it should be, with dark jet black hair to let you know you were about to fuck a sexy mature woman.

"Oh my god mom, you are so fucking gorgeous!" I said smiling.

“Oh god baby, I’m sorry but I’m just so hot for you. I just couldn’t stand it anymore. This past week was too much for me. I just couldn’t resist anymore. Please forgive me honey.” She said begging as she started to cry.

“Mom, please don’t cry, I’ve wanted to make love to you for years now.” I replied as I moved towards her.

“I really shouldn’t be in here. I’m your mother but it’s been so long since I’ve been with a man. I’m sorry baby. I have to feel that gorgeous cock of yours inside me. Please make love to me?” she asked as her tears began to subside.

I moved over to her and gently took her in my arms, our naked flesh searing into each other. My hard cock pressed up against her smooth tanned belly as her hard nipples pointed into my chest. Our bodies felt like they were made for each other, fitting perfectly together.

As I took my hand under her chin, tilting her head upwards to face me, we looked deep into each others eyes. I could feel the strong intense love we felt for each as I lowered my lips to hers for the first time. Her eyes closed and her mouth parted slightly as she awaited the touch of my lips to hers. It was such an erotic and passionate moment between us.

I held her soft body tight against me, hot water cascading over our aroused bodies as we kissed deeply and very passionately. I could tell my mother was longing to be kissed, longing to be held, longing to feel a man’s hard cock deep inside her hot pussy.

As we kissed, I felt my mother’s small right hand reach down and touch my throbbing cock. Her fingers circled it gently and began to stroke me slowly. God, I was so fucking aroused I nearly shot my load right then. As we continued kissing very passionately, she took my cock and began rubbing my cock head against her pussy lips.

I could feel her hot juices coating the head of my cock as she rubbed it up and down, spreading her lips open and gently caressing her swollen clit. We were breathing hard into each others mouths as the sexual intensity built up between us. My hands cupped the perfect soft globes of butt flesh until finally I couldn’t take it any longer.

I lifted my mother up and pressed her against the shower wall and in one smooth long stroke, she guided my cock into her opening. Slowly my cock spread her lips open and slid inside the hot folds of my mother’s tight pussy. Mom wrapped her legs around my waist as I pressed her hard against the shower wall, my huge swollen cock now buried in my mother’s pussy to the hilt.

“God, mom, your pussy is so tight!” I moaned out softly as the sounds of the shower water splashing filled the air.

As I held her there, she looked up lovingly into my eyes as a smile crept upon her face. I smiled back as I started to make love to my own mother for the first time. I wanted this moment to last forever so I fucked her hard and very slow, teasing her body with every long slow inward thrust.

As I made love to my gorgeous mother for the first time, I found the sexual excitement was nearly too much to bear. I didn’t want to cum too quickly so I had to almost stop a few times but this was driving my mother wild as I was tormenting her, teasing her beyond that which she could bear.

“Oh god baby, I can’t stand this, fuck me please, harder, ummmmm yesssss, that’s it faster, oh yes, oh

my god yesssssssssssss! “ my mother panted as I quickened the pace.

The look of bliss on my mother’s face was so erotic and hot as I started to make love to her harder and faster. Her eyes were closed, mouth slightly parted as she gasped for air through those sexy red lips of hers. She held herself up with her arms around my neck, over my shoulders as I cupped her soft ass while driving my hard shaft deep inside her sexually charged wet pussy.

“Oh yes baby, you’re cock feels so good inside me. I knew it would feel like this, uuuuummmmmmm yesssssssss, oh fuck, so big, god yesssss, fuck meeeeeeee!” she moaned over and over as I began to drive my cock into her deeper and deeper, harder and harder.

Hearing my mother begging me to fuck her harder, I started pounding my cock into her wet pussy. Her tits were bouncing up and down against my smooth tanned chest. Her nipples were like hard rocks against me, rocks sitting on top of the most gorgeous soft mounds of tit flesh I’d ever seen. Our wet bodies were slapping together as I pounded my thick shaft into her tight cunt. I could hardly contain myself any longer as I could feel her orgasm building up inside her. My mother’s obscene moaning and begging to be fucker harder continued as I changed my angle, my cock hitting a new set of nerve endings, quickly sending her over the edge into an intense orgasm.

“Oh yes baby, oh my fucking god.....!” mom moaned as she started to cum.

I couldn’t last any longer as I thrust my cock into her pussy as deep as I could, pulling her ass towards me as I tried to thrust every possible inch of my cock deeper inside her. Her body was shaking and shuddering as my cum spurt deep inside my mothers quivering pussy. Five huge spurts of my hot cum splashed the inside walls of her pussy.

As I held her there, pressed against the shower wall, her legs still wrapped tight around my waist, my cock still hard buried deep inside my mother’s pussy, I could feel our hot juices flowing down my legs. I could feel mom’s pussy gripping and contracting around my cock as she experienced wave after wave of intense orgasm. Oh god, this was even hotter than I had imagined it could possibly be.

As the waves of pleasure began to pass from our bodies, mom unlocked her legs and stood next to me, pulling me tight against her. My now semi-hard cock slipped out of her hot pussy as I held her in my arms. As we embraced each other, my hands caressed and touched every inch of her smooth sexy wet curves.

I kissed her softly on the lips once more as I said, “God mom, that was so hot. I love you so much.”

“It’s been over six years since I last felt your father’s cock inside me. I can’t believe it but in all the years we were married, he never gave me a multiple orgasm like you just did.” She was now complimenting me.

I was beaming with pride after hearing my mother’s words. We had a sensual hot shower together, touching each other all over, learning each others bodies as we finished our shower. We dried each other off as mom then took my hand and lead me to her bedroom.

We spent the rest of the day making love in every possible way one could imagine. She sucked my cock expertly as I licked her pussy in a very hot 69 position. We made love like newlyweds for hours and hours. My cock ached in such a good way as so did her pussy. Our relationship was now that of a husband and wife forever I hoped.
