*Like pt 1 this is a repost of a story I had on my old account, I edited it and added in a few things. Hope you like it and I will repost the rest of my old stories and some new ones soon.*

You and your sister lightly kiss each other as your hands sensually explore each other's bodies and your cock closes in on your sister's pussy, ready to ravage her once again. Breaking the kiss, Katie's look of ecstasy fades into one of nervousness. Lightly stroking your back, she says, "Um I'm sorry...I...kinda got carried away...but...um...I'm not on the pill or anything I..."

"Shhhh" you say, Putting your finger to her lips you smile and say, "I knew what I was doing...I've known you all your life and I have always loved you very much. You're amazing Katie."

"I've always loved you too bro! I couldn't think of a better man to be with! Hehehe...It's a dream come true for me!" Rolling onto your sides as you both wrap your arms around each other Katie smiles and giggles, "I always hoped you would have the balls to seduce me...kinda obvious how I act towards you that I wanted you too..."

You chuckle and give your sister a loving kiss on her sweet, soft, wet lips.

"Now we gotta figure out how to tell our family...or if we..." You say with a serious look on your face.

Katie replies with a cute look of concentration on her face, "Yeah...we gotta make sure we plan this out carefully..."

"OH MY GOD!" A voice from the open doorway cries out. You and Katie jump as your eyes both snap to the door to see your older sister Jenna standing in door way, mouth open, shocked at the sight before her.

You both know you are busted as Jenna stands in the doorway glaring at you both with a look of disgust. But as scared as you are, you couldn't help but notice how hot your older sister looked

standing there. Jenna was 23 years old and stood at 5' 8" with a slender but shapely body just like Katie, although she had slightly bigger tits, long blonde hair, and light green eyes instead of the shade of blue you and Katie share. A look of fear forming on your face as you stammer, "Jenna this isn't what it looks like...we uh..."

Irritated, Jenna shouts, "Oh shut the fuck up bro! I know what's going on here! What's going on is you fucked the shit outta our little sister! Katie I thought we were gonna do this together you little slut!"

As you open your mouth to defend yourself, you suddenly catch what she just said. Your mouth hangs in shock as you look at Katie and Jenna with disbelief.

Jenna's look of irritation quickly turns to one of playfulness as she continues, "Oh...Katie never told you..." Darting your gaze to Katie, you see her blush with embarrassment as Jenna pulls her shirt over her head, tossing it to the side, and continues, "We like to play together...just the two of us...don't we Katie? Does my little brother wanna play too?"

As Katie breaks your mutual embrace you roll off her and sit on the bed as she walks over to Jenna, sashaying her hips sexily as she approaches her. You notice a little dribble of your cum fall from her cunt and run down her thigh. You still couldn't believe what was just said, the idea of your sisters being together causing your cock to quickly swell back to hardness.

Giving a cute little pout, Katie wraps her arms around Jenna's neck and said, "I'm sorry Jenna...here...let me make it up to you..."

You felt your jaw almost fall to the floor as Katie and Jenna's lips met in a passionate kiss, their hands exploring the soft skin of each other's flawless bodies. Jenna softly moaned as Katie's hands wrap around her back, slowly caressing her soft skin down to the back of her bra. Their kiss grows even more passionate as Katie unclips her bra, letting it fall to the floor to expose Jenna's perfect breasts to your feasting eyes.

As your sisters stumble towards the bed, Jenna breaks the kiss and pushes Katie down onto her bed. Smiling sexily, Jenna crawls on top of her sister and continues their passionate kiss. As you stand up on your knees to join them, you begin to fist your cock which is now throbbing with desire as you gaze upon your sisters lovingly kissing and caressing each other. Their nipples rubbing against each other, their tongues exploring each other's mouths and their hands gently groping each other's perfect bodies. Just when you thought it couldn't get any better, Jenna breaks the kiss, and slowly kisses her way down Katie's shuddering body. Katie lets out a soft, sexy moan as Jenna kisses her hardened nipples down to her firm, flat stomach, and her inner thigh.

"Mmmmm what do we have here?" Jenna groans as she licks up Katie's thigh, tasting your combined juices. "Did you let our brother cum inside you Katie? Mmmmm you naughty girl...letting your own brother cum inside you...I hope you don't mind if I taste a little more..."

"Oh god Jenna! Lick our brother's cum outta my cunt!" Katie cries out as Jenna slowly and lovingly tongues the lips of her pussy.

The sight of Jenna tonguing Katie's cunt is too much for you, you have to get some relief. Coming up behind Jenna, you unsnap her skirt and pull it down her soft, toned legs down to her knees, where Jenna kicks them down to her ankles, letting them fall to the floor by Katie's bed. Crawling on top of Jenna's body you reach down to cup her tits as you kiss her neck and nibble her ear. You whisper,

"So Jenna...you ready to be fucked by your little brother?"

Breaking her contact with Katie's pussy, Katie moans with pain as her cunt drips with loss. Jenna grins back at you, her lips covered with your combined juices from Katie's pussy and moans,

"Hell yea bro! Thrust that hard cock of yours deep inside my cunt! I wanna feel that monster fucking the shit outta me!"

You give her a short kiss before she returns to Katie's weeping cunt, the sweet taste of Katie's juices linger on your tongue as you brace yourself with one hand on the small of her back and grab your cock with the other. Jenna softly moans into her sister's pussy as you run the head up and down Jenna's wet and smooth cunt lips, ensuring to tease her swollen clit.

Both Jenna and you groan as you thrust your hard cock deep into her pussy. Your cock fits just as perfectly inside Jenna's pussy as it did in Katie's, your sister's pussies a perfect match for your hard cock. As you slowly saw in and out of Jenna, you enjoy the feeling of her molten, soaking wet, and silky smooth cunt grabbing at your cock. Jenna lets out another groan into Katie's cunt as you lean forward and lovingly kiss her neck and shoulders, your hands lightly caressing her breasts.

As your thrusts speed up, you marvel at the sounds the three of you are making. The cute squeals from Katie as she runs her hands through Jenna's soft blond hair, pressing your sister's face into her dripping cunt. The sound of Jenna's soft, muted moans as your cock slams into her cunt, and your own low groans of pleasure as you take in the feel of your sister's pussy wrapped around your cock. The sounds of pleasure emanating from the three of you fill the room and it feels as if hours go by before you hear the familiar sounds of approaching orgasm from Katie and Jenna and the feel of your balls tightening in anticipation of your release.

Katie screams out, "Oh god Jenna! Don't stop! I'm gonna cum so fucking hard! AHH SHIITTTT!"

Katie's body shudders as she rides out her orgasm, rolling her and flooding Jenna's face with her juices. As she comes down from her orgasm, Katie rolls away from Jenna and lay next to us panting. Her tits jiggling to the rise and fall of her chest, Katie closes her eyes and cracks a shit eating grin as she moans with delight and satisfaction, lightly caressing her body. With Katie satisfied, Jenna begins to focus on her own needs. As she thrusts back hard onto your cock, Jenna throws her head back, her face contorted with pleasure as she locks eyes with you and cries out,

"Oh gawd yea! Fuck me harder lil bro! Your cock feels so fucking inside me!"

You quickly grab onto her hips and pull her back onto your cock in time with each of your hard thrusts. You move your hips with each thrust, grinding your cock deep inside her pussy with each thrust. Jenna began to squeal with delight as each thrust grew a bit faster and harder than the one before. Glancing over at Katie you notice she was fingering her slick cunt as she watched your union. Grinning deviously she cried out,

"God you two are so fucking hot! Fuck her hard big bro! Make that little slut scream!"

You never wanted it to end but you could feel your orgasm approach. Not wanting to finish before Jenna, you reach between her legs and massage her clit in time with your thrusts. Already close to her own orgasm, she throws her head back and cries out,

"Oh fuck lil bro! That feels fucking amazing! Oh god! I'm gonna cum!"

You scream out, "Shit Jenna! I'm not gonna last much longer...I'm gonna cum too!"

A mixture of worry and pleasure forms on her face as she throws her head back to face you and begs, "Oh shit! Just fucking hold on bro! Don't cum inside me! Lemmie cum on your cock! Ahhh fuck! Just... fucking... hold... onnnn!"

As Jenna's orgasm hits and her pussy wraps like a vice around your cock you can't hold back even if you try, letting out a loud groan as you thrust deep inside her cunt and shoot a massive load of your hot cum deep within her fertile, unprotected womb. As Jenna feels the warmth of your cum bathe her pussy, she is powerless to stop you, her orgasm overcoming her reason. Jenna shudders beneath as she pictures millions of your sperm swimming around inside her, knowing there was nothing to stop them from knocking her up.

As you both come down from your orgasms you can still feel your cock dribbling your seed into

Jenna. Once you have delivered your load of sperm, you pull out of Jenna with a quiet plop and you both collapse onto Katie's bed. You look over at Jenna as she whimpers with fear, looking down at her cum filled pussy, her tight cunt holding in her brother's seed. Katie grinned deviously as she wrapped her arms around her, her eyes darting back and forth from Jenna's to yours. With a giggle she moaned,

"Well Jenna...looks like you're just as naughty as me now...letting your little brother cum inside you..." Running her hands up and down Jenna's tight, flat stomach she continues, "You know what time of the month it is sis?" Katie smiles even wider as Jenna groans, she continues, "Mmmmm I guess you do Jenna...looks like were both gonna have some explaining to do later...hehehe"

"But...I can't get pregnant Katie! What am I gonna do?"

Smiling at you Katie replies, "Don't worry Jenna, I don't think brother here will mind taking care of us...so long as we take care of him."

Jenna's face begins to slowly crack a smile as she lovingly looks into your eyes. Katie continued, lightly stroking your cock back to hardness, "So how about it bro...you gonna take care of us?" As Jenna joins in, lightly sucking your cock head, you moan with pleasure as Katie kisses your neck and continues, "You wanna knock us both up and claim us forever? Cause bro...I doubt you're gonna give all this up...let's say Jenna and I can make you very very happy..."

To be continued...
