Her Mom knew exactly where to touch her to make her tremble with sexual excitement every time.

Brandi had been a babysitter, like, forever.

Her Dad was a Gynecologist and had his own private practice in a Doctor's office park not far from their home. All her friends told her she was lucky to have a Doctor for a Father and Brandi knew it was true. Her Daddy had a library of books loaded with pictures of female and male private parts that made her feel all tingly down below between her legs. She had turned 17 on her last birthday and would be going to State University in the Fall.

Her two younger siblings were both 16. Only 18 months younger than her. Still, she was expected to be the responsible one and look out for Jack and Jill at all times. Jack was a handsome young boy. He was quite big for his age and played outside linebacker on the football team.

Brandi was still mad at him because he had tormented both her and his twin sister, Jill, incessantly bragging about his new "non-virgin" status. He delighted in giving the details of his nailing that stupid cheerleader slut, Cindi Johnson, after the game on Friday night. She had to admit the details were sordid but did serve to make her panties wet each time he described what he did to the 17 year old head cheerleader. Brandi had seen Cindi naked many times in the locker room and she was well aware of the dirty blonde's luscious tits and ass. One time she had peeked into the gym office and saw the little slut Cindi bending over the desk with the coach's huge cock sliding in and out of her pussy from behind. Brandi was ashamed in remembering how she had friggd her own slit watching through the blinds.

Jill had cried the last time Jack had regaled them with his sexual exploits. Brandi did her best to console the young girl, but Jill told her it was not the crudity of her twin brother's words; it was the fact that silly Cindi had taken Jack's cherry. Jill whispered in her ear that right after their dual 16th birthday party last month, she realized she wanted both she and her brother to lose their cherries together right after school was out. Now, because of that slut Cindi, it would not happen.

Brandi was not shocked. In fact, she longed to stroke Jack's beautiful cock herself. She wondered if poor Jack realized he had two sure things sleeping in the next room each and every night. She told Jill that Jack would quickly tire of Cindi as he would find out she was such a sleep with any one slut bitch.

Her Mom was a massage therapist and worked at the Serenity Spa on the other side of town. Sometimes, her Mom would give her a "deep tissue massage" that caused her female juices to spill out of her virgin pussy lips. Her Mom knew exactly where to touch her to make her tremble with sexual excitement and she would always give her a "Happy Ending" to each and every massage. They never discussed it and Brandi figured her Mom enjoyed it as much as she did. Brandi wished that someday she would learn how to do a good massage and she could make her Mother feel real good.

She decided to give a massage to Jill just like the ones her Mom gave to her. For some strange reason, Mom had never given a massage to either Jack or Jill. Brandi figured it was because they were so active and sports minded, they didn't need any special care like that.

Jill laid out on the table face down with her head in the hole to reduce strain on her neck muscles.

Brandi spread the baby oil all over Jill's nicely tanned back and began to massage the young girl's back and shoulder muscles. Jill groaned in pleasure at the touch of Brandi's firm hands rubbing deep into her skin. Soon, Brandi had worked her way down Jill's back to the base of her spine.

"Jill, I got to get these panties off so they don't get all oily, OK?"

Jill was breathing somewhat rapidly and grunted her assent. She lifted her hips off the table so Brandi could remove her panties. When Brandi slid them down her legs, she noticed they were dripping wet in the front. She brought them up to her nostrils and inhaled the scent of aroused femininity and sticky pussy juices.

She smiled and ran her tongue over the damp panties getting the taste of Jill's virgin pussy for the first time. Quickly, she oiled her hands and stroked Jill's hips and ran her fingers lightly up over her full ass cheeks pulsing them like a vibrator all over the heart-shaped perfect little ass. Jill was making little whiny sounds into the table hole and Brandi could see her pussy lips quivering like a bride waiting for her first insertion. The elder sister pulled her younger sister's ass cheeks apart exposing the throbbing

pucker hole begging for attention. Brandi slid one hand under her sister and began to play with Jill's excited nipple. At the same time, she pushed her middle finger deep into her sister's anus and finger fucked her shaking ass.

Jill's whines had changed into a steady panting grunt as Brandi worked her ass hard with her finger. She slammed down into the massage table and rubbed her pubis to give relief to her convulsing clitoris. Jill went rigid and her panting grunts stopped as her orgasm made her howl like roiled up banshee at midnight.

Brandi clapped her hand over Jill's mouth and told her to be quiet.

It was too late. Jack stuck his head in the door and exclaimed,

"What the fuck is going on in here?"

He saw Jill naked on the table and could smell the overpowering scent of her squirting sex. Brandi could only stand there and look guilty as sin.

Jack came in and bent Brandi back over the table.

"What are you doing to my twin sister?"

Jill looked up, embarrassed at being naked in front of her brother.

"It's all right, Jack. Brandi is just giving me a nice massage. I feel so much better now."

Jack looked at Brandi standing there with oil dripping from her fingers. He looked at Jill in a state of complete sexual satisfaction and he figured out the rest.

"Well, girls. You are both going to have to give Jack boy his special massage or I will tell Mom and Dad. I want what Jill got and I want you both to give it to me."

Jack started to strip off without waiting for any answer. Both of his sister's could see his cock was excited and already dripping pre-cum making his boxer shorts wet. He laid face down on the massage table and Brandi and Jill looked at each other. Now was the time to get him for his "virgin" jokes at their expense.

They both oiled their hands up with the baby oil and started to work their way down Jack's back. Brandi on one side and Jill on the other. When they got down to Jack's bottom, Brandi dug her fingers

in real deep and stretched her brother's ass cheeks wide open. Jill slid her fingers up and down Jack's hairless crack and probed his tiny anus with her thumb. Brandi felt underneath and got Jack's hard cock in her hand. She stroked it really fast and spanked him with her other hand. Jill started to spank his other ass cheek and he soon had a pair of very red ass cheeks. Jack was groaning now as Brandi's hand had brought him to the edge of his release. Quickly, he turned over and both girls could see his cock begin to spurt out long streams of white creamy cum. They were so close to him, that the sticky liquid shot into both of their faces and onto their swinging titties.

The sisters laughed and giggled at the sticky mess all over them. Even Jack had a good laugh. Jack took each of them over his knee and spanked them good and proper until they apologized for treating him mean.

Then Brandi put Jill over her knee for enjoying her massage a little too much. The sound of her hand slapping into Jill's springy ass was sheer music. Jack loved the show and stroked Jill's pussy until she went into a second orgasm over Brandi's knee.

In order to be fair, Brandi had Jack bend over and lick Jill's pussy as she administered the same discipline to his naughty ass cheeks. It was so nice to hear Jack's slurps as he went deep into her little pussy with his long tongue. The sound of her hard spanks on Jack's ass were meaty and nasty just the way they should be.

Both Jack and Jill promised Brandi that they would mind their manners from now on. In turn, she promised to give each of them special massages just the way her Mama had showed her.
