I was a little baffled by the question honestly. He wanted to know if I liked hearing him having sex with another woman? Granted this was before we hooked up though.

"I guess I was turned on that it was you in there. But I was also a little annoyed too. It was just really loud. I know it's tough to tell how loud it sounds out of the room, but still," I said.

"But you were turned on though?" Jeff asked.

I was a little embarrassed to answer. I think he could tell by the look on my face.

"Maybe a little. I had at least a small crush on you then. So I guess I was," I replied.

Then I put my head down because I was a little embarrassed. But he put his arms around me and gave a nice hug.

"It's OK sis. Life goes on. It went on to us loving each other the way we do and getting married. And you are pregnant too. So don't be embarrassed," Jeff said.

"What if I told you, I got a small sneak peak too?" I asked.

"Are you telling me you took a look at me having sex with another woman?" Jeff asked.

"Yes," I replied with my head down.

"Wow. Hiding in the closet spying on me, and taking a look at me doing another woman as well? You really did wanna have sex with me," Jeff said.

"You could say that. You were giving it to her, but you obviously saved the best for me," I replied.

Then we both laughed for a minute and he kissed me.

“So was she the best you had ever been with before me?” I asked.

“And this was like what a year ago now?” Jeff asked.

“Yes I think so,” I replied.

“Well that must have been Jennifer,” Jeff said.

“And how was she compared to me?” I asked.

“And you really wanna know about my past sexual partners before you?” Jeff asked.

“Yes. We can talk about that kind of stuff. I mean we both were having sex with other people before we hooked up. And remember, nothing will screw up our relationship,” I replied.

“OK then,” Jeff said.

Then he gave me a kiss and we both leaned up. He put his right arm around me.

“Well, she was good. I mean, mediocre compared to my sister though. She didn't appreciate cuddling after wards. We rarely had sex over at her house because of her parents. So after we were done, we'd have to hurry up and get dressed. And she really only liked anal sex,” Jeff said.

“That's too bad. I know you like to have your cock sucked on. Plus you know how to eat a woman out and make her feel really good in the process,” I replied.

“Well at least my sister appreciates that,” Jeff said.

“Of course I do. I love my brother,” I replied as I hugged him.

We held each other for a few minutes and we kissed each other many times.

“Did you ever masturbate thinking about me though?” I asked.

“You mean thinking of us having sex before we hooked up?” Jeff asked.

“Yes. You ramming me, or me blowing you?” I asked.

Then he was a little embarrassed.

"I take that as a yes?" I asked.

"Well it's not fair. How can I not think of my sister like that, when you got these huge tits?" Jeff asked.

"I don't know. But don't forget about the sweetness factor though. I made you fall in love with me with that too," I replied.

"I didn't forget that, I promise," Jeff said just before he kissed me.

He wrapped both of his arms around me really tightly as we made out very passionately for a few minutes.

"Hey, don't crush me," I said.

"Sorry sis," Jeff replied.

"I'll let it go this time. But be nice to me and our baby," I said.

Then he had to feel my stomach again.

"I'm nice, don't let her fool you," Jeff said to my stomach.

"But he is mean though, don't let him fool you," I replied to my stomach.

Then he started kissing me again and we both laid down. We both had our eyes closed as we were making out, but he put his arms underneath me and undid my bra. He took it off me and threw it on the floor. As I was half naked, he got on top of me. He put his arms underneath me once again and held me very close. He certainly made me a better kisser as time went on.

"Well that's good," I said.

"You mean me kissing you sis?" Jeff asked.

"Yes. Now will you put that cock inside your wife now?" I asked.

"Oh I like that. I'll do anything for my wife," Jeff replied.

So he leaned down and slowly took off my pants completely. My underwear of course after that. But he kept his clothes on for the time being.

“And you are still stunned at my naked body even after we said 'I do'. Wow, you are committed,” I said.

“Well it's true sis. Now you might even be more attractive now,” Jeff replied.

“Even more attractive now?” I asked.

“Yes sis. You are so attractive, I wanna be inside you too,” Jeff replied.

“And I thought you'd never wanna do it,” I said as I began undoing his pants.

He got off the bed and stood in front of the bed. I leaned up and took off his pants completely. His cock poked out through his boxers. I grabbed onto it.

“What do you love most about me?” I asked.

“Right now or in general?” Jeff asked.

“Both,” I replied as I stood up and kissed him.

“Right now, your soft hands. They are softer than this mattress we fuck and sleep on. In general, your sweetness. You are beyond sweet sis. I wouldn't trade that in for anything,” Jeff said.

“Even if my boobs couldn't be more perfect and we had sex 12 times a day, if you sacrificed my sweetness?” I asked.

“Not even for that, but you wanna have sex 12 times a day?” Jeff asked.

“Well maybe on the weekends,” I replied as I laid down.

Then he laid next to me on the bed.

“In case you didn't notice, I'm on this side of the bed,” I said.

“I know,” Jeff replied as he pulled me on top of him, so his chest was to my back.

Then he inserted his dick into me. He put both of his arms around my stomach as he started thrusting his dick in and out of me.

“Oh this is kinky,” I said.

“You are telling me sis,” Jeff replied.

Then he put his right hand onto my wet pussy. He rubbed my it mercilessly. I turned my head and kissed him as many times as I could before I started to moan. I felt his nice an thick cock moving in and out of me slowly. He was finger fucking me, and that was just making the pleasure intensify a great deal. My juices were coming out like a waterfall it seemed. His hand was getting very wet.

“Give me your fingers, let me suck all my juices off those fingers,” I said.

“Yes my queen,” Jeff replied.

So he brought his hand up to my mouth and I started sucking all my juices off his fingers. I loved every second of it. Then I kissed him once.

“Tastes good sis,” Jeff said.

“Damn right it does big brother,” I replied.

Then we kissed again and he began finger fucking me once again, but with his other hand. This whole time he kept thrusting his dick and out of me slowly. So I still had to let out some nice moans.

“Oh that's good Jeff. Stick your fingers in there deep and give them to me. Finger fuck your wife and make her scream,” I said.

With his other hand he began squeezing my left boob. He squeezed it a little hard though. But since he just found out I was pregnant and he had just married me, I let it slide for the time being. But I also encouraged him.

“Make those titties yours Jeff. Squeeze them like mad,” I said.

“I will sis. But that's not hurting you though?” Jeff asked.

“I'm fine Jeff. Let's just have kinky sex, I promise I'll tell you if you are doing something that's I'm not

comfortable with,” I replied.

“OK sis, I just care about you and the baby. I don't wanna even push the envelope if I don't have to,” Jeff said.

I could certainly tell that he was gonna be a perfect parent with me.

“Just jam it there deep and keep finger fucking me Jeff. You are the perfect husband and father figure,” I said.

“Thank you,” Jeff replied.

Then I got up and turned over. He reinserted his dick into me and I kissed him.

“You are gonna be a great father. But you are a little overprotective though. Maybe with me you are more overprotective because I'm your sister as well, but seriously, don't be so worrisome,” I said.

“I can't help it, but I'll work on it,” Jeff replied.

Then we both wrapped our arms around each other and I kissed him.

“But you think I'm gonna be a great father?” Jeff asked.

“Well if you take care of our baby as even half well as you take care of me, then I think so bro,” I replied.

Then he kissed me and started getting a little rough with me as he really shoved his dick into me very deep. He wanted to thank me for the compliment I guess.

“Oh, now there is the feisty guy I married,” I said.

“Thank you sis. I just wanted to show you I appreciate kind words no matter where they are coming from,” Jeff replied.

Then I laughed a little and leaned up to kiss him. Then we both got onto our sides, but my back to his stomach.

“I fucking love you sis. You are so fucking good in bed,” Jeff said.

"I love you too bro. You are fucking good too. But you had more practice than me though," I replied.

Then we both laughed and he started thrusting his dick in and out of me once again as he put his left hand on my boobs again. I knew he was just thinking about them getting bigger. He was kissing my neck softly as he shook my boobs gently. I think my boobs had truly gotten a little bigger by then, but I couldn't be sure though. Then he kissed me on the lips.

"You are a passionate lover, I'll give you that," I said.

"Thank you sis. It makes the passionate sex a lot better," Jeff replied.

Then of course he put his hand onto my wet pussy. We were both very sweaty by then, therefore we were having really good sex. He was finger fucking me as nicely as he could. He didn't wanna make me cum yet. But that didn't stop me from letting out some nice and soft moans though.

"Oh shit Jeff. That is so fucking good. Make me cum like a fountain for you," I said.

Then he got as close to me as he possibly could. There was absolutely no room in between us and he started spanking me as he was thrusting his dick in and out very quickly. I let out some more moans and that just made him wanna fuck me even harder. Then all of the sudden, my pussy began to get a little sore.

"OK a little easier now sweetie," I said.

"Now was that so hard?" Jeff asked.

"Your dick is harder than a rock," I replied trying not to laugh.

"That was good sis," Jeff replied as he slowed down a bit.

He still spanked me a bit though. But a little hard though.

"Ow Jeff. Did you miss the part where I said to be nice to your sister?" I asked.

"No, I heard you. But you'll forgive me though right?" Jeff asked.

"Yes, but still, be nice to your sister," I replied.

Then we switched to cowgirl style and I leaned down.

"I'll do my best sis," Jeff said as he grabbed my boobs.

Then I leaned back up and I started bouncing up and down quickly as I was on my knees. He began finger fucking me once again and just made the pleasure increase a great deal as well. I was moaning like I never ever moaned before. I was just flat out screaming.

"Oh shit Jeff! Yes, yes, yes! I'm gonna cum all over you Jeff. Keep finger fucking me like mad!" I screamed.

He stuck his fingers deep into my pussy as far as he could and made me scream even louder. I was almost surprised the neighbors didn't bitch about all the screaming. I felt very titillated then, he could make me scream like that? I knew I made the right choice choosing him. I had both of my hands on my boobs and I shook them myself.

"Now that's a sight to see, seeing your sister play with her own boobs while she rides you like mad. I wish I had a camera," Jeff said.

"Here, take one on your cellphone," I replied handing it to him.

Then he put it in camera mode and took a picture of me in that position as I was playing with my boobs. He absolutely loved that, as did I.

"Sexy sis," Jeff said as he looked at the picture.

"Let me see it," I replied.

Then he showed me the picture. I gotta say, I was really sexy in that picture. Of course not another person on the planet would ever see it other than us. But I loved it anyway.

"Send it to me," I said as I handed the phone back to him.

"Do you really want this on your phone?" Jeff asked.

"Yes. I can be reminded that we have a great sex life," I replied.

"Good enough for me," Jeff said.

Then he sent to picture to my phone. So it buzzed for a second and I looked at it again.

“Damn, not to sound full of myself, but I look good naked,” I said.

“No arguments there,” Jeff replied.

“Smart move agreeing with your wife,” I said as I leaned down and kissed him.

Then we switched once again, but back to missionary position.

“Just be nice, remember, my pussy is sore,” I said.

“I will be sis. As a matter of fact, I'm about to explode now,” Jeff replied.

“Cum inside me now. I wanna feel it,” I said.

So he did, he shot his huge load right into me. Then of course I came all over his dick. We both had huge orgasms. Then we both held each other very tightly.

“I love you Jeff,” I said.

“Now you tell me something I don't know sis. I love you too,” Jeff replied.

We made out for a few minutes and just laid there once again. He felt my stomach some more. Then again I was just falling even more in love with him. It was like I was on a huge baby/husband high. I couldn't get enough of either honestly. We talked about the baby a lot and taking care of him as well. I loved Jeff way more than anything in the world, and he loved me right back. Now in addition to being married we got another hurdle coming as well. A new life was coming into this world. But would we be truly ready though?
