I looked at how sad Chloe was. I'm gonna make it all better, baby.

It was Christmas Eve, and only me and Chloe were home for the holidays. Her older sister, Carlyn had said she wouldn't be coming down. "Chloe, it's just you and me," I called.

"Oh," she said, dissapointed, "Alright...I'm gonna go change into my Christmas outfit."

"Alright," I nod. She walked up the stairs to her room, and I stared after her, or should I say, her ass?

She has ass just like her Mamma... Jane had died last year, and so far, I hadn't had sex in a long time. *I wonder if I can get laid tonight...* I smiled as I walked up the stairs to see if I could.

Chloe's door wasn't closed properly, *Thank you...* I peeked in to see her undressing. Her nipples were hard against her silk bra and her silk panties were wet. *Mmm, delicious.* She turned around and bent over to reveal her pussy and asshole from behind. My cock hardened, *Ugghh!*

I opened the door quickly and grabbed at her ass without thinking. I stripped my robe off to reveal my 8" cock against her ass. "Dad," she says, as if she had been waiting for me.

She smiles at me, "It's gonna be alright...It's a good thing sometimes to be left alone, isn't it?" I looked at how sad Chloe was. "Daddy's gonna make it all better, baby." I slowly bent her over her bed. As I slowly pushed my cock up her pussy, I hear her sigh. She bits her lips as she touches my cock from between her legs. "Fuck it up," she whispers, moaning as I push into her.

I smile as I kiss her neck, her back all the way down to her ass. "Mmm," she says. I slide my cock out of her ass and bend down. I slowly finger her ass and pussy. I kiss her ass and then tongue her pussy. She gasps as my long warm tongue goes deeper into her. She lies back on the bed, I stay at the edge as I work inside her. She smells delicious, like fresh cherries. As her warm wet liquids pour out on my tongue, I look up at her to see her groaning and rubbing vigourously at her tits. She bits on her bottom lip and pushes my head closer to her pussy. "Daddy, make me feel better," she whispers.

She doesn't have to tell me a second time. I smile as I work on my baby girl. I fuck her on her bed.

Cum all over our legs and all over her blankets, but we don't even notice. It's like I'm on cloud nine.

I take her tits and suck on it. I tease her by biting the nipples which makes her gasp. Milk comes out her pussy as she rubs it vigorously. I turn her around and shove my cock up her ass. She sighs and then gasps as cum pours out on the bed. I smile as I doggy fuck and then switch positions. She lies on top of me, riding my cock in her ass. "Mmm," she says. I finger fuck her pussy as she's riding my cock. I grab her tits and play with them, jiggling them like melons.

"Dad," I hear. "Chloe? Where are you guys?" It's Carlyn!!
