A knock on my office door, my naughty wife is here  
The passion burning inside her is too difficult to bear  
Risks in performing her sexual duties here without fear  
Soon to devour my cock in her mouth without any care  
She will obey my commands because it gives her joy  
Using my rigid shaft to pleasure; it's her love toy  
My diva can go all day, giving and receiving pleasure  
We have so much adult fun, she's truly my treasure

Licking my cock from base to head then cover with your lips  
Nice and slow your mouth partially fuck with short dips  
Pre-cum and saliva mix as your rhythm begins to increase  
Stretching your throat uncontrollably down on your knees  
Liquid escape liberally through your moans of approval  
On neck and floor this creamy mixture flow is continual  
My ass pressed hard against the edge of my big oak desk  
Climbing the climatic curve as you sink deep, gag and rest

Suddenly your mouth leaves my throbbing rod in mid air  
Papers pushed off my desk to sit; by cock you pull me near  
The heels of your feet rest on the edge while you laid back  
Hiked up skirt displays a bald pussy dripping for my attack  
Sliding into my leather chair, my face dives between thighs  
Slow feasting on your honey mound cause loud moans and sighs  
Alternating licks on inner and outer oyster petals and swollen pearl  
Tongue fucking cause your hips to gyrate and your head to twirl

The erratic movements of your body signals you are ready to burst  
My mouth leaves your pussy and my cock sinks with shear force  
Your yells nearly deafen me as I jab the back of your cunt  
Flexing your pussy muscles; your moans changed to grunts  
Sizzling pussy nectar drips as I slowly withdraw all the way out  
Before you could protest, I plunge back in to shut your mouth  
Cock now buried deep in pussy, lifted legs and grinding hips  
Passion, pleasure and feelings of ecstasy, through our bodies rips

Your ass lifts off my desk to meet my stroke downward  
I fuck you furious and fast, slamming deep and hard  
Piston working overtime as you try to muffle your sounds  
Hoping no one can hear us fucking; the feeling is profound  
My glistening cock quickly exits and reenter your gapping hole  
Your breathing is out of control and then your eyes begin to roll  
This pussy is perfect; its churning and milking my pre-cum  
My secretary have no clue that the work I am performing is sexual fun

My dick in your pussy causes me to lose the ability to concentrate  
Fucking back, enjoying my cock is more than I can tolerate  
Looking at you lost in ecstasy as my pounding accelerate  
"Yeah baby fuck me harder," Again and again you reiterate  
Strokes increase rapidly and heart beats faster, its purely rhythmic  
My hose appears and disappears in your pussy; I thumb your clit  
Your twat brings out the best in me, cause it is a perfect fit  
Thirsty cunt, throbbing cock, hard nipples and love juices drip

You inhale deeply with every downward stroke of my grit  
Pinching your erect nipples as I smother you with a deep kiss  
Steady rubbing on your spot with my mushroom cock head  
Your pussy twitch and tense with every dose it's being fed  
Locking your ankles around my neck you begin to vibrate  
With no further warning you attain your orgasmic state  
Final plunge caused the first surge of my cum to flood you  
Our climatic waves collide and pierce us through and through
