Johnny and Mary

Now Johnny knew Mary since they were little tykes,
Running in the field, riding their bikes,
Like other little kids, they stayed out all day,
Doing their chores, later they'll play,
Johnny and Mary went to school,
Tried real hard, act real cool,
Johnny noticed Mary started to grow real fine,
Nice firm breasts, big behin',
Johnny thought he'd take him a chance,
He asked Mary to the high school dance,
Mary said fine, pick me up at eight,
Dress real sharp, now don't be late,
Johnny started thinkin' this could be his night,
Throw her a line, maybe she'll bite,
Johnny and Mary started to dance real slow,
Something in Johnny's pants, startin' to grow,
Johnny asked Mary to spend some time,
Back at my place, we can sit and unwind,
Johnny took Mary straight back to his pad,
This will be the best night, he's ever had,
Poured a little wine and dimmed the light,
Made sure everything, looked just right,
Went over to the stereo and put on a song,
Then he gave her a kiss, slow and long,
Their lips met and their tongues did a dance,

As Johnny reached down and undid his pants,
He removed hers too and went to town,
Got on his knees, he was going down,
Mary started to wiggle, moan and squirm,
As Johnny's tool got nice and firm,
A few more licks, a feel and a pet,
Mary's hole was nice and wet,
Stuck in the tip, a little poke,
Then all the way, he was startin' to stroke,
As Johnny got busy and started to ream,
All the neighbors could hear Mary scream,
Johnny got tense and was about to explode,
Into Mary he shot his load,
A few days later Mary felt real ill,
Then she remembered, she forgot her pill,
Mary gave birth to a fine looking son,
Mary's father started to clean his gun,
Johnny married Mary at City Hall,
He didn't want her dad to cut off his balls,
Johnny got a job so he could provide support,
He didn't want Mary draggin' him to court,
A few years down the road things didn't seem right,
Johnny and Mary were starting to fight,
There was a whole lotta fussin' and they began to shout,
Mary told Johnny she wanted him out,
Mary got a lawyer, just passed the bar,
Now Mary's driving Johnny's brand new car.

That is the story of Johnny and Mary...Later.
