I want to break in your bed. You can make me yours

We can do this behind closed doors

Lead me upstairs. I want to stay

Make my imagination take me away

Just a sweet kiss and I am hot

These feelings I need to let go. They can't be fought

I can't stop thinking of what you do to me

Making me let go. Making me free

I should stop thinking. Get you out of my mind

But such sweet love is so hard to find
