Like my iphone,

You keep me going crazy.

Like my Dell,

You keep me screaming.

Like my cat,

You keep me thinking you're an asshat.

But like the laces of my shoes,

You keep me tied together and whole.

Like my morning coffee,

You perk me up and keep me going.

Like my Google,

You keep me smart.

Like my favorite perfume,

You keep me swooning as I inhale your scent.

Like my bottle of wine,

You keep me tipsy

Like my chocolate,

You keep me smiling.

Like my blanket,

You keep me snuggling closer.

Like my winter coat,
You keep me warm and toasty.

Like my hot shower, You keep me flushed.

Like my body lotion, You keep me soft and smooth.

Like my bra, You keep my boobs cupped.

Like my panties, You keep my ass snug.

Like my favorite ice cream, You keep me licking every part of you.

Like my candy,
You keep me sucking you hard.

And like my Lush, You keep turning me on!
