After couple of minutes she said to me "Oh my baby ..you love your massi so much. this means a lot to me darling...I love you so much.." Her erect boobs were crushed against my chest and in turn I squeezed her as well . her body felt so wonderful and she so vulnerable, my hands roamed her almost bare back and cupped her ass and I whispered "Manisha I love you" She replied by cupping my ass by her hands ,kissing my lips and grinding her crotch into me "Oooh my baba,I love you.....your massi is once again hungry for your love".Everything else just blurred. Impulsively, I dropped my hands from her shoulders to her firm, round ass and squeezed, feeling massi cunt mound press seductively against my rapidly growing cock-bulge. As soon as she felt my hands seductively massaging her asscheeks, Manisha seemed to loose control. She pulled my mouth up to hers and kissed me like she'd never kissed me before. It was open-mouthed, tongue-down the throat lover's kiss, hot and wet and passionate, and I responded with equal enthusiasm. My lips parted, accepting the thrust of her probing tongue. I sucked it gently until she curled it up tight and poked the sensitive flesh behind my teeth. Her nipples too pressed against me. Manisha lay back against the cushions and spread her naked thighs wide. Then, with a sexy grin that made me shiver with anticipation, she draped one leg up over the backrest and let the other fall onto the bed beside the pillow, opening her pussy so widely that her cunt-muscles relaxed their tight grip on my fingers. She rolled her hips, making a circle with my cock barely inside her cunt. "Is my pussy hot, baba?" "Oh, yes, Massi! Your cunt is very hot, and... uhhhhh... very wet!", I groaned. "Want to fuck again baba?" "Yes!" my cock spread the lips of her cunt. Manisha gasped in ecstasy as she felt the hot throbbing thickness of it fill up her steamy, wet hole. She lowered her crotch, sliding her slippery cunt down, slowly. I knew from the look on her face she was enjoying the sensations of the slow, sensual penetration as much as I was. the pussy touched the base of my cock she rested there, slowly squirming her cunt around. My cock was in her deep... very, very deep She began to bounce up and down, riding my cock with slow motions at first. But when I began to lift my hips up and fuck her back, Manisha went crazy. With a squeal she began to pound up and down, slapping her cunt down onto my cock to the root , then lifting until she almost lost it, only to ram down again, harder and faster. I was gasping hotly, staring at manisha tight cunt fucking my prick, a white froth of cuntjuice forming on my balls as Manisha impaled herself deeply, again and again, back arched and hips pumping. She gurgled and sobbed in ecstasy, fingers squeezing her naked tits, she sat on my big, fat fucker, dancing her ass about, grinding even as she plunged up and down. Her eyes closed as Manisha fucked faster and faster, her cunt gripping my cock like a hot, slippery vice. She frantically brought a hand to her pussy, rubbing and agitating her swollen clit as she stuffed her cunt with my cock over and over. Her naked ass whipped about, sliding back and forth. "Oooh, ! Kashi Baba, this is wonderful!" Manisha sobbed. "God, what a cock you have, So

hard...uhnnhh... God! So long! I can feel your cock so deep! Fuck me, baba! Fuck Manisha!" I began to thrust my cock up hard as Manisha came down, making wet sounds against her juicy, slurping cunt. Manisha was almost screaming with ecstasy, fucking hard and frantically on my cock like no woman before (or since) has ever done. She shot her hand behind her whipping ass and clutched my balls, squeezing them, pulling them.! Ohhh, God, your balls are so hard!" she gasped."Give me your cum, baba! Ohhh, squirt that sweet cum up my cunt! Come in Massi's pussy... I want you to cum in my cunt!" "God, yessss!", she hissed through clenched teeth. Her ass bounced faster and faster until Massi was literally fucking herself with my cock, stabbing herself in the cunt in a total frenzy, grinding and trembling. Her hands flew to her jiggling tits again and she squeezed them hard, her nipples protruding from her tight fingers. With a loud cry, Manisha climaxed, her convulsing cunt gripping in flexing waves around my cock, squeezing and sucking.

She rammed her cunt down tightly on his prick, her hips jerking back and forth. She screamed loudly, her head twisting and hair flying. I hunched up off the bed, my hands darting round my massi's hips to grab her squirming ass. Then, with a grunt, I came too, spewing a stream of hot, thick sperm deep up into my massi's sucking cunt. As my my back arched and my head and shoulders came forwards, Manisha stuffed one of her tits into my mouth. I began to suck frantically on her nipple, my fingers digging into the hot crack of my manisha ass. My cock squirted time and again, flooding her pussy with my young sperm. Manisha cried and gasped, her orgasms coming stronger and stronger. Her cunt felt like it was about to squeeze his cock off at the base. As the final spurt of his cum-load splattered into her pussy, Manisha fell forward, crushing her tits against my chest. Our panting mouths collided and we kissed passionately, the spasms of her cunt still working on my softening cock. After we recovered Manisha, and I took a shower together. The warm spray and the closeness of my manisha naked, slippery body soon had me hard again. I fucked her once in the shower up against the wall, and then after she'd resurrected my poor, over-worked cock with that fantastic mouth action of hers, I fucked her doggy-style, both of us dripping wet on her bed. In fact, we spent the rest of the week fucking and sucking like newlyweds. Well, you can probably guess what happened. After that day of hot, raunchy sex with my Manisha, we were both hooked. There was no way I could stop myself from becoming the ultimate horny massi fucker.
