True story from when I worked at a bar

I met Mark through Joe, a regular at the Pinecrest. It was a hole-in-the-wall bar where I worked. It was a shot and a beer joint; nothing special but for the regulars who came there. Mark was tall, handsome, and older than me. I was just 21. It was my first bartending job and the men liked me, especially Mark.

One night Mark stayed until closing. I washed the glasses and got everything ready for the morning. He walked me out as I closed and locked the bar. I saw Mark's friend's van pull up. Looking at Mark I wondered what he had in mind and I quickly found out. Mark hugged me and told me I was pretty then he kissed me.

"Mmmmmmmmm."

You know the kind of kiss. When his tongue is dancing with yours, all you want is for the kiss to never end! Mark smiled at me, rubbing my breasts through my shirt. As his friend got out of the van, his friend got behind me. I was feeling a little scared and excited. He was rubbing my ass, as Mark was still rubbing my breasts and kissing me, when his friend opened the side door of the van telling me,

"Get in and strip for us!"

I was so turned on now knowing that Mark and his friend were both going to fuck me! I was in the van crouched down a little. I pulled my t-shirt off then my bra, letting both fall on the van floor. Hearing a whistle as the guys were watching me, I smiled as I was undoing my jeans and sliding out of them. I then pulled down my panties real slow just to tease them both. Mark got in pulling off his t-shirt and revealing a nice looking 6-pack.

"Mmmmmmmmm."

I moaned as I looked him over and admired his muscles. Mark leaned in to my breasts as he sucked on my nipples.

“Mmmmmmm.”

Again was all I could do was moan as he sucked and licked them. My eyes were closed as Mark continued to feast on my breasts. I heard the van door close and opened my eyes, Mark's friend was in the van too. He pulled out his cock. He then looked at me with a shit-eating-grin on his face and said, “Suck it!” So I did.

Mark put me in the doggy-style position, he then got behind me. My pussy juices were dripping down my legs at this point. Mark slid his cock in me and it felt so good as it filled my pussy up. I looked up as his friend put his cock back in to my mouth. As I greedily sucked it Mark was fucking me slow at first. The sight of me sucking his friend's cock drove him wild. Mark's strokes got faster as I sucked faster. His friend was moaning as my mouth went up and down faster and harder.

Mark pulled out of my pussy, just in time to squirt his cum all over my butt and back! His friend seeing this, thrust his cock down my throat one more time before cumming. I greedily lapped up all his cum, smiling as I looked up at him. They high-fived each other as they let me lay on the van floor. Mark leaned over me sucking and licking my breasts. This time he was biting and sucking my nipples so hard, slapping one breast then the other.

I moaned louder as he continued down my body. Kissing all the way down to my pussy, spreading my legs wide open, he smiled at me as he stuck his tongue deep in my pussy. Swirling and darting his tongue in and out so fast. He was holding on to my hips as he pushed his tongue as far as it would go, then rubbing my clit at the same time.

“Ohhhhhhhh.....Yessssssssss!” I cried out.

As I came in Mark's mouth, he looked up at me licking his lips. Smiling he said, “You taste amazing baby!”

I smiled back at him.

Mark helped me get back in to the doggy-style position. Only this time Mark's friend was going to take me from behind. As Mark put his cock in my face I felt his friend shove his cock deep in my pussy. Moaning as Mark's friend took me hard, I wrapped my tongue around Mark's hard cock devouring it. All of the sudden I felt my butt being spanked. It felt so good I let a moan escape from my lips. His friend laughed and said, “Yeah, take it baby...You love being spanked don't you?”

I nodded as I sucked harder on Mark's cock. Mark had a 7” cock, not too big around, perfect to

swallow him down my throat, so I did! I loved sucking him, swirling my tongue all over his cock. Kissing one side then the other. Hearing Mark moan as he grabbed my hair hard, I could feel Mark was close to cumming. Only his friend came first. He pulled out of me fast as his cum hit my back. Rope after rope of cum were hitting my back and hair.

I sucked Mark deeper down my throat, pleasuring him as I massaged his balls. He pulled my hair even harder as he fucked my throat. He let out a loud moan as he came fast down my throat. I tried swallowing all his cum up. Looking up at him, he smiled at me and I at him. After I put my clothes back on, I got out of the van and Mark got out too. He grabbed me as he hugged me and kissed me goodbye.

Swatting me on the ass I looked at him as he said, "Be good, baby."

I smiled at him and said, "I will...You too."

I got in my car and drove home.

"Hummmmmmmmm."

I thought, wait until I tell Joe!!
