*Damon meets two girls for a night of kinky fun*

<https://www.lushstories.com/stories/anal/a-night-to-remember.aspx>

"See anything you like?" Scott asked before taking another drink from his beer bottle. I took a small sip of my drink before shaking my head. "Not really," I responded, resting my arms easily on the railing in front of me. "Usually this place is better." My eyes continued to scan the dance floor of the club before drifting over to the area to the side, covered with tables and chairs. Every seat was taken, although very few were occupied by females that I would be interested in taking home. The place was dim, almost dark, with a distinct "gothic" flavour to the ambience. Over the dance floor, lights periodically flashed out and strobe lights created dizzying effects that made it difficult to successfully evaluate the physical merits of the various dancing females. The music was unlike that of other bars. No top forty here. In fact I had a hard time placing any of the songs, which appeared to be a strange amalgamation of eighties tunes, mixed with techno. It was a unique bar and the clientele was no different. It was hard to explain, but the girls had a distinct "alternative" appearance for the most part. Dyed hair, piercings and fishnets were commonplace, making the atmosphere particularly uncomfortable for the usual "bar star" girls that frequented the downtown clubs. "Holy shit!" Scott exclaimed, snapping me out of my alcohol and strobe light induced trance. "Look at that!" I followed my friend's pointing finger to the middle of the sunken dance floor where I soon spotted a pair of girls grinding against each other to the sexy beat of some unrecognizable song. They appeared to be attractive, although the flashing lights made further investigation difficult. I could tell, however, that their bodies were quite nice as both females were showing ample amounts of skin. One girl had dark hair, although I could make out streaks of pink or purple racing through her messy but sexy hairstyle. Her body was lithe and slender, exemplified by her incredibly hot little outfit. Rising up from a pair of tall, black high heels, her legs were adorned with a pair of black fishnet stockings that ended just above the knee. And as if that wasn't hot enough, she was wearing what had to be the shortest black mini skirt known to man, slit up both sides, exposing even more of her incredibly sexy legs. A matching black fishnet top covered the top half of her body, pulled tightly over a meager black halter top allowing just enough of her tanned skin to be seen so as to tantalize any onlookers. And onlookers there were. A quick glance around the bar and I realized every pair of male eyes (and a few female) were locked on the enticing couple. As the two girls danced closer, my gaze fell back upon them, this time inspecting the dark haired girl's blonde friend. The second girl was not as

slender as her companion, with full round curves accentuated by a tight fitting shiny blue dress. It was the type of outfit one would expect to see worn by a stripper and I began to wonder if that was indeed their chosen profession. The slick-looking material clung to the girl's gorgeous curves like a second skin and hugged her beautiful round ass as she swayed to the music. It ended halfway down her thigh, but a series of slits up the sides exposed a deceiving amount of visible skin. Similar slits were strategically located across the front of the dress, giving the horny onlookers an ample view of the girl's more than ample cleavage. Her extremely large breasts contrasted greatly with those of her friend and looked as though they would burst forth from the shiny material any second. Her blonde hair was tied into two long pony tails that hung down past her shoulders. "We should go dance with them," Scott suggested, enthusiastically. I just shook my head and took another drink. In my experience, trying to join in with two girls dancing was a suicide mission. And the more provocative the girls dance with each other, the less chance you have. With all that in mind, I figured our chance with those two were less than zero. Even though I had no intentions of making an attempt on the pair, I could not tear my eyes away from them as they danced. Their moves varied from seductive to lewd as they ground against each other like a pair of horny teenagers. As I continued to watch, the dark haired girl kissed her friend full on the lips before spinning round behind her and gripping her sexy hips. The blonde close her eyes and tossed her head back as her friend ran her tongue up her neck. The dark haired girl then looked directly over at me. And winked. I could feel something stir in my pants. "Did you see that?" Scott exclaimed, almost blasting beer out his nose. "She winked at you!" "Yeah, I know," I responded, trying to act nonchalant. My body froze and my eyes remained transfixed on the two girls. I wondered if they were simply trying to tease me. I tried to look away but the girl's dark, sultry gaze kept me in place. "Get out there!" Scott said emphatically through gritted teeth. "She wants you!" I remained standing in place, casually drinking from my near empty glass. On the outside I appeared calm, but on the inside my heart was racing. Suddenly the music changed songs and the two girls abruptly exited the dance floor, disappearing into the crowd on the other side of the club. "You idiot!" Scott shouted, before punching me in the shoulder. "What the hell is wrong with you?" "She was just teasing," I said simply, draining my glass. "Well it was worth a try wasn't it?" I just shrugged. "Well, I'm going to get another drink," he said. "Want one?" "Sure." "Rum and Coke right?" I nodded and my friend walked off shaking his head. "Idiot," I heard him muttered as we walked away. I then turned back to the dance floor and then glanced quickly around the bar, hoping to catch another glimpse of the two girls. Suddenly I felt a sharp pinch on my ass. I jumped, startled by the feeling, and turned around. Smiling back at me was the dark haired girl. I froze and just stared blankly as her friend continued to lead her through the crowd by the hand. She stared at me with sexy, almond shaped eyes as she soon disappeared from view. I swallowed hard. That definitely was not teasing. "Damon!" Scott said excitedly, rushing towards me and splashing rum and Coke all over his arm in the process. "They're over there. At the bar! Fuck they're hot! They look like porn stars or something." I accepted the drink and quickly slammed the entire thing. If I was going to approach those two, I was going to need some more liquid courage. "Wait here," I suggested before walking off towards the bar. I manoeuvred my way through the crowded club and hopped up the short staircase

leading to the bar. As soon as I reached the top step I saw them. Taking a deep breath, I walked over and spoke. "Can I buy you a drink?" I asked, trying desperately to prevent my voice from cracking with nervousness. The dark haired girl turned her head towards me and stared just for an instant, before a smile appeared across her delicate featured face. She was even better looking up close, with a perfect face that looked as though she had some Asian ancestry. 'Perhaps half or even three quarters,' I thought quickly to myself. She had a piercing half way between her lower lip and chin (I don't know what those are called) and a black leather choker around her slender neck with the word "SLUT" emblazoned with tiny sparkling letters. She had a very unique look, but was still very, very hot. "No thanks," she said after running her eyes up and down my body. "I don't drink." I could feel my heart sinking. "Why don't you buy my friend one though," she continued. "I think she's really thirsty." The blonde looked over and inspected me with her big blue eyes. In contrast to her friend's angular, delicate features, hers seemed softer and cherubic, with a cute round face and pouty lips. She had a piercing too, although hers was far less noticeable and took the form of a tiny crystal stud, embedded in the side of her nose. At that moment I felt as if I was being judged, Both girls stared at me as if deciding whether I was good enough to be worthy of their presence. Now feeling very uncomfortable, I decided to speak again. "Well?" I directed to the blonde. "What can I get you?" She looked at me a moment longer before her visage softened and she spoke. "151," she said simply. I was taken aback. I was expecting her to request something fruity with an umbrella in it, not a shot of the hardest alcohol the bar was legally allowed to serve. "Are you sure?" I asked, furrowing my brow with disbelief. She nodded. "Don't worry honey," the dark haired girl said, placing her hand on my arm. "She can handle it." As she spoke, I caught a glimpse of something shiny flashing behind her teeth. 'A tongue ring!' I thought myself. 'This just gets better and better.' I approached the bar and ordered two shots of one fifty one, cringing as the bartender poured the clear liquid into the tiny glasses. I then pushed one towards the blonde girl who scooped it up immediately. "Thank you," she said with a soft, quiet voice before raising the shot glass into the air. I lifted mine as well, and she tapped hers to mine before tossing her head back and downing the liquid. I followed suit, trying to keep myself from gagging as the fluid burned its way down my throat to my stomach. The girl licked her pouty lips with and rested her glass down on the bar. "You know," the dark haired girl cut in with a sexy smile. "It's not very polite to approach a girl in the bar and not introduce yourself. "You know," I returned. "It's not very polite to pinch a guy's ass in the bar and not introduce yourself." She seemed un-phased and remained staring at me with that intoxicating gaze. "Fair enough," she said finally. "My name's Kat, and this sexy little bitch...." She motioned to her friend. "Is Mandy." "Nice to meet you," I replied. "I'm Damon." I shook Kat's hand, and then Mandy's, unable to keep my eyes from drifting downward to her breasts which were straining against the taut blue material that composed her provocative little dress. "Oooooo," Mandy squealed suddenly excitedly. "I love this song! Let's go dance Kat!" Kat nodded, but stepped closer to me. She then reached up and grabbed my head, pulling my face to hers and kissing me, her tongue darting into my mouth. Her action took me by surprise and before I could do anything, she pulled away. "Thanks for buying her the drink," she said smiling devilishly. "It's going to make it even easier for me to take advantage of her later." With those parting words, the two

girls spun and walked away without as much as a glance back. I was startled at their abrupt exit and just stood dumbfounded, hungrily watching as they left. "How'd it go?" Scott asked as I resumed my original place by the railing. "Not bad." "So which one are you going to go for?" Scott was already back to lustfully watching the two girls as they danced together with seemingly renewed lewdness. Kat was running her hands all over Mandy's body paying particular attention to her ass and tits. The scene was almost pornographic in nature and I knew it was only a matter of time before some clueless guy would try to join in. "Neither," I answered, eliciting a disappointed glare from Scott. "I think they were just after free drinks." I told myself that, but deep down inside I had a hard time believing it. Or maybe it was just that I didn't want to believe it. "Fucking bitches," Scott cursed. "You want to get out of here?" I was about to agree, but then Kat fixed her sexy glare upon me once again from across the dance floor. Raising a hand in front of her face she curled her finger and beckoned me to join them. "Actually," I said, starting off for the dance floor. "I think I'll stick around." I didn't look back but I could guess the expression that Scott had on his face as I made my way across the crowded dance floor towards the sexy pair. Kat's gaze never left mine as I approached, my heart beating with anticipation. Immediately, she placed a tender hand on the back of my neck and pressed her hips into mine. I wondered if she could feel the bulge in my pants, and her knowing smile told me that she did. My body seemed to melt into hers and we flowed in unison to the music. I was beginning to be mesmerized by the music, lights and the feeling of Kat's lithe body pressed into mine when I felt Mandy come up behind me, her extremely large breasts pressing into my back as her hands grabbed my hips. "You weren't trying to leave me out now were you?" she asked, before biting down softly on my earlobe. I reached back behind me to feel the smooth surface of her dress pulled taut over her hips and ass as my other hand ran up Kat's smooth, tanned leg. Suddenly Kat grabbed my hair forcefully, and kissed me long and deep, pushing her little wet tongue into my accepting mouth. I could feel her tongue ring swirling around as she shamelessly ground herself into me. She then bit down on my lips, staring directly into my eyes, with a determined sexy glare as she pulled away, my bottom lip snapping free of her teeth. Suddenly and without warning the two girls spun me around and Mandy took her turn planting a deep, wet kiss on me. The soft feeling of her pouty lips was incredible and she even went so far as to reach down and give my cock a squeeze through my pants as her friend ran her hands up under my shirt. I could hear her purr with approval her nimble fingers caressed my abs. She then began to pull my shirt up as Mandy broke free and started to lower herself seductively, looking into my eyes and still moving to the beat of the music. Extending her tongue seductively, she then just grazed the crotch of my pants with a slow sensual lick before rising back up to kiss me once again. I was in heaven! I grabbed Mandy's ass, becoming even more aroused at the feeling of the smooth material, tightly gripping her body. As our tongues danced I could feel Kat's hand pushing its way into the front of my pants as her lips traced along the back of my neck. I gasped at the feeling as her warm hand wrapped around my hard cock, squeezing it and stroking it. I realized then that I must have been the envy of every heterosexual male in the place. I also realized that I needed to get out of there before I came in my pants. I was about to ask the girls, but Kat beat me to it. "Would you like to come back to our place?" she asked, squeezing my dick with

one hand and my ass with the other. Five minutes later the three of us were in a cab. The two girls sat on either side of me in the taxi, as my thoughts wandered. Was this really happening? I had been able to pick up girls at bars before but never girls this hot and definitely never two at once! "So you guys share an apartment?" I stammered, trying to make conversation. "Uh huh," Mandy affirmed, shyly biting her finger nail. "We share everything." Her voice was dripping with innuendo as she emphasized the last word of that sentence. I took a deep breath, closed my eyes and muttered a silent "thank you". A few minutes later we reached our destination and Mandy and Kat led me into their apartment, each taking one of my hands. The place was quite upscale, again making me wonder what they did for a living. Other than that, it seemed like a normal place, clean and comfortable. "Want a drink hon?" Mandy asked, as she led me into the living room. I declined. I had certainly drunk my fill at the bar and was already feeling the effects of the alcohol coursing through my blood. And I definitely didn't want anything to interfere with the night's prospective activities. "Okay, make yourself comfortable," she said, motioning to the sofa. "We'll be right back." "Actually, I need to use your bathroom if that's okay." "Of course," she replied as she followed Kat into the kitchen. "It's down the hall, second door on the left." I took a moment to watch the two walk away, admiring both luscious asses but focusing more on Mandy's. The roundness of it was exemplified by her tight fitting dress and it was driving me crazy. As they disappeared from the room I made my way to the bathroom. Standing over the toilet I had to dismiss many of the dirty thoughts that ran rampant through my mind. My dick was pointing straight out in a massive erection which was making it very difficult to take a piss. After a moment of quiet contemplation it softened enough for me to go without splattering the wall with urine. As I finished, I reached down to flush the toilet but noticed something in the small garbage can beside it. I leaned in closer to examine the two small empty boxes. "What the...?" I muttered. They were empty enema boxes. Immediately my thoughts began to race once again as I tried to imagine what kinky activities the pair had planned. I then remembered something Kat had mentioned in the cab on the way there. She had said something along the lines of "You have to be clean to get dirty." The realization hit me and my heart began to race. Yes, this was definitely going to be a night to remember. "Hey there," Kat greeted as I emerged from the bathroom and walked into the living room. The two were sitting side by side on the sofa, nuzzled up together as Mandy sipped something from a martini glass. They appeared to be watching TV. Kat's short black skirt was riding up so high, if she had been in a different position I was sure I could have seen much more than her delicious legs which were pulled up under her. "Have a seat," Mandy offered in a friendly tone shifting over and patting the cushion beside her. Nervously, I walked over and took my place between the two beautiful women. As I sat, I looked at the TV screen and was astonished to see an image of a woman getting fucked from behind while her face was buried in another woman's pussy. "Porn huh?" I stuttered, not knowing exactly what to say. "You two are just full of surprises." Actually what was surprising was that they were watching the filthy video with as much nonchalance as a person watching the news. I tried to watch as well, but I was far more interested in the two women sitting on either side of me than the women on the TV screen. Suddenly I felt a hand on my leg and I glanced over to Mandy smiling at me with those irresistible, full, pouty lips. I was just thinking about how much

I wanted to be kissing them when she leaned over and kissed me. For the moment I was lost in that feeling. Kat, the TV, everything just faded away as I relished the sensation of her soft pink lips pressing against mine as her tongue explored the inside of my mouth, twirling and lashing like a snake. "Heyyyy, you little slut!" Kat said with a laugh. "You can't have him all to yourself!" With that, she grabbed me by the back of my hair and yanked me away from her friend's hungry mouth. I now found myself gazing directly into Kat's dark, sultry eyes as she pulled me in and kiss me. Her touch was not as tender as Mandy's, but rather quite aggressive, forcing her tongue into my mouth. As we kissed, I felt a hand on my thigh, gliding up to my crotch. "Ooooooh!" Mandy exclaimed, pressing the palm of her hand against my concealed cock. "It looks like someone's getting turned on." Kat smiled as she broke away, but retained her grip on my hair. "Is that true Damon?" she asked. "Are we turning you on?" I nodded and then jumped a bit when Kat placed her hand to my crotch as well, giving my balls a fairly hard squeeze. "Well then it looks like we're doing a good job then," she continued, directing her comment to Mandy. The two girls then kissed each other. I was staring with complete wanton lust as the pair locked lips and engaged in a sensual, wet make out session just inches from my face. It was the most amazing thing I had ever seen. Kat even reached over and groped Mandy's breast in the same manner as a man would do. "Mmmm, she moaned into her friend's mouth before pulling away but retaining her grip on Mandy's large breast. "I love these fucking tits. Aren't they nice Damon?" I reached over and took one in my hand, kneading it gently. "Yes they are," I said simply. Both girls smiled and immediately began to pull my shirt off. Mandy giggled a bit and seemed to have an almost playful manor about her, but Kat seemed more serious as if driven by pure lust. "Oh, Yummy!" Mandy exclaimed as her friend tossed my shirt to the side. "I told you he had a good body." She then leaned in and kissed my neck before working her way down my chest, her soft feminine hands caressing my stomach. Kat, however seemed more interested in my bottom half and worked her fingers frantically to yank my pants open. Then both girls slid down to kneel before me as they worked in tandem to wriggle my pants down my legs. Suddenly I felt very exposed, sitting in my underwear before the two fully dressed females. And as if that wasn't bad enough, my dick was hard as a rock and straining against the fabric, forming a very noticeable tent in my boxers. Mandy smiled and planted a soft kiss on the apex of the "tent", pressing her pouty lips against my cock head through the thin black fabric. As she pulled away smiling, I could see a small wet spot forming from the pre-cum that was now beginning to seep out of my dick. "Now let's see that cock!" Kat said, slipping her finger tips into the waistband of my boxers and pulling them downward. My dick sprang out and slapped against my stomach as the underwear released it from its confinement. "Hello!" Mandy exclaimed, her eyes beaming with anticipation. Kat was the first to take hold of my turgid shaft however, wrapping her small hand around it and giving a few short strokes. Then, looking into my eyes with a sexy, determined stare, she leaned forward and extended her tongue to lick up the small droplet of precum that covered the entrance to my dick hole. Mandy rested her hands passively on my thigh as she watched with enjoyment as her friend continued to run her wet tongue up and down my shaft. I could feel the small hard stud in her tongue as it grazed my sensitive skin. Once my cock was nice and wet, Kat surprised me by taking my entire length down her throat. "Oh my God!" I

exclaimed, tossing my head back in pleasure as she even went so far as to flick her tongue out and licked my balls. "Do you want to try," Kat asked Mandy after pulling my rod out of her throat. Mandy nodded with the excitement of a school girl and leaned forward to wrap her supple, soft lips around the head of my dick. Gently she began to suck, moving her head up and down in short, jerking motions. "Yeah, that's it," Kat encouraged, pulling the hair away from Mandy's face to get a better view of my cock in her mouth. "I love to watch you suck cock!" As Mandy continued her work on my dick, Kat lowered her head and began to lick my balls, bathing them with saliva. She coaxed me to spread my legs wider before sucking them into her hot little mouth. Moaning with extreme pleasure, I ran my hands through Mandy's silky blonde hair as she took more of my shaft between her wonderful lips. The feeling of the two women's tongues was unbelievable as they worked together in concert, licking and sucking. "Oh yeah," I encouraged as I felt Kat's tongue dip lower and flick around the area just beneath my balls. I then gasped as she went even lower, stabbing her little pink tongue into my asshole. Mandy smiled once she realized what her friend was up to, even watching for a while as she continued to stroke her hand up and down my slippery, wet shaft. "Does that feel good?" Mandy asked with a cute smile, running her tongue over the swollen head of my cock. "Oh yeah!" I exclaimed, spreading my legs farther. "Mmmm, I bet it does. I love it when she licks my ass." As she spoke, Kat continued her oral assault on my most private area, swabbing my tight hole with her tongue and kissing it with long tender licks. Mandy even went so far as to lift my balls to get a better view of her friend licking my ass.

"That looks so fucking hot!" she exclaimed as she gazed down with lustful admiration before wrapping her soft lips around my shaft once again.

"Oh my god!" I moaned, revelling in the indescribable pleasure of having two mouths servicing me.

Mandy glanced up and me as she slid the entire length of my dick into the back of her throat, her hands gently squeezing my balls. I could feel the smooth metal of Kat's tongue ring sliding repeatedly over the sensitive skin of my asshole, as she continued licking and prodding with unfaltering enthusiasm.

"Hey!" Mandy said with an exaggerated, pouting expression as she pulled her lips sway from my wet aching cock. "Don't be greedy. I want some too!"

Kat raised her head and wiped a small droplet of saliva from the corner of her mouth before leaning over and kissing Mandy fully on the lips in an aggressive, lustful manor. As the two ended their brief but passionate make-out session she pulled away with a contented smile.

"Be my guest," she offered.

Mandy's face lit up with excitement as she let out a giggle and dropped to her knees in front of me as Kat shifted over to make room. A few seconds later I could feel Mandy's soft lips pressing gently against my freshly licked asshole. Kat stroked her friend's hair as she watched, eyes fixed in an intense stare.

"That's it baby," she cooed, with compassionate adoration. "Lick that ass."

Mandy seemed more tentative than Kat had been, as she gently massaged my wet hole with soft, tender licks. Every so often she would cast her eyes up at me as if seeking approval. As her hot little tongue continued to caress my ass, I looked down to see her big blue eyes peeking up at me over my balls.

"Come on," Kat urged, placing her hand at the back of Mandy's head. "You can do better than that!"

I reached down and grabbed my cock, as Kat began to push her friend's face into my ass.

"Yeah, that's it." Kat said, pulling a few stray strands of honey blonde hair out of Mandy's face. "I want to see your tongue in his ass."

Mandy closed her eyes and moaned as she moved her head from side to side, her warm, wet tongue wriggling its way past my tight muscular ring. Kat smiled as she kept her friend's face pressed firmly against my ass. I could feel Mandy's hot breath on my wet asshole as she gasped with pleasure and slipped her tongue inside me.

"Ooooooh," Kat said with devious smile, watching approvingly. "You dirty little slut. You like licking ass don't you?"

"Uh huh," Mandy responded as she tongued my asshole with increasing enthusiasm. It seemed as if Kat's dirty talk was turning her on even more as she began moaning in between licks.

"Move it in and out," Kat ordered, her tone becoming increasingly dominant as she grabbed a handful of Mandy's hair. "Fuck his ass with your tongue."

Guided by her friend's forceful hand, Mandy's head began bobbing back and forth as her nimble little tongue repeatedly stabbed my saliva-soaked asshole. The feeling was incredible. I even had to release my grip on my cock, for fear of cumming prematurely. There was no way I wanted this to end so soon!

"Good girl," Kat said approvingly as she released her grip on Mandy's hair and stood up. "But now I

think that it's about time our little boy-toy here repaid the favour. Don't you?"

Mandy looked up at her friend smiling and nodded in agreement. After a quick change in position, I was laying down flat on my back and Mandy was settling in between my legs once again, her pouty lips wrapped around my cock as Kat stood nearby undressing. I found my eyes darting back and forth between Mandy's beautiful face sucking my cock and Kat as she slipped out of her clothes. As her black skirt fell to the floor, Kat stepped forward wearing nothing but her fishnet stockings and the black collar around her neck. Her dark, sexy eyes transfixed on mine as she approached, a determined intense look cast on her beautiful, exotic face. Without so much as a word, she stepped one leg over me and lowered her hairless pussy down onto my waiting mouth. I couldn't help but let out a satisfied moan as her soft wet lips touched mine and she nestled down into a comfortable position atop my face. Immediately, my tongue shot out, driving deeply into her moist hole tasting her succulent juices. Biting her bottom lip, Kat stared down into my eyes as she grabbed a handful of my hair. Slowly and methodically she began to gyrate her hips, rubbing her pussy over my mouth and chin. The hand grasping my hair held my head firmly in place as she pressed her hot little cunt against me. It was if she was simply using me to pleasure herself.

Meanwhile, as Kat rode my face, Mandy was slowly stroking me with long, slow pumps of her hand as she covered the head of my dick with soft licks and kisses. Every so often she would lower her face and suck my balls into her mouth or tease my ass with little flicks of her talented tongue. I was using all my powers of restraint to keep from cumming.

"That's it," Kat moaned, clutching my hair with increasing force. "Lick my fucking cunt."

Her filthy words turned me on even more and I sucked her clit into my mouth as she began to buck back and forth. I locked my lips around her clit and sucked hard as my tongue massaged it from inside my mouth. Keeping one hand holding my hair, she removed her other hand and brought it to her mouth, sucking her middle finger seductively as she continued looking down into my eyes with that unwavering, sexual stare. She then took the wet finger and reached around behind her, sliding it into her ass as she continued to squirm atop my face. As soon as her finger entered her tight little hole, Kat tossed her head back and closed her eyes in ecstasy. Her movements started to become more and more erratic as her hips bucked and gyrated. I thought she was going to pull my hair out when she forcefully pulled upward, mashing her wet pussy into my restrained lips. Her moaning soon drowned out the wet sound of Mandy's mouth on my cock as she suddenly squeezed her legs together, trapping my head in their vice-like grip. Her body tensed for a second as her moaning subsided soon to be replaced by high-pitched squeal as her muscles convulsed with orgasmic intensity. She held that position for a few seconds before slowly relaxing and resuming rubbing her pussy, now drenched with sticky fluid, all over my face.

“Wow,” Mandy exclaimed, popping my dick out of her mouth. “That looked so fucking hot!”

Kat exhaled and opened her eyes once again. Her intense glare softened slightly and the corner of her lip curled up into a sexy smile as she looked down at my wet face.

“You still okay down there?” she asked.

“Uh huh,” was all I could answer as her wet pussy remained pinned against my mouth.

“Good,” she countered, her eyes narrowing. “Because there’s something else I want you to lick.”

With that, she climbed off my face, turned around and swung her leg back over my head, now facing the other direction as she straddled me. I was now staring directly into Kat’s tight little asshole, which was gleaming, wet with pussy juices. I eyed the enticing sight shamelessly, as her knees bent slowly, bringing the puckered little orifice within reaching distance of my eager tongue.

“Mmmmm,” she moaned softly she rested her hips back, planting her tiny little wet asshole right against the tip of my tongue.

I immediately went to work lashing Kat’s rosebud with frantic licks, lapping up the pussy fluids that lingered there. She pushed back farther, forcing my head down into the couch as she rested her whole weight on my face. Placing both hands on my chest, she wiggled her ass, rubbing her wet hole across my lips as I forced my tongue past her tiny muscular opening.

“Oh fuck yes!” she exclaimed through clenched teeth as she felt my hot tongue slipping inside her asshole.

Again she began to gyrate her hips as tongue-fucked her tight little orifice. Mandy, who was continuing to slide her lips up and down my aching shaft, then slid her tongue down over my balls, probing at my ass once again.

“Lift your legs higher,” she suggested, straining to get her face low enough to get at my ass.

“Here,” Kat said, removing her hands from my chest and grabbing both of my ankles. “Let me help.”

With that, she pulled my legs up into the air and sat back onto my face.

“Thanks,” Mandy said in her cute bubbly voice before planting her soft lips on my asshole once again.

I moaned into Kat's ass as I felt Mandy's wet tongue piercing my tight little hole. I then responded by thrusting my own tongue deeper into the tight asshole that was planted against my mouth. Although the feeling was amazing, that particular position was putting quite a stretch on the back of my legs, so I was more than a little relieved when Kat released my legs and allowed them to once again rest on the couch. She then lowered her body down against mine into a 69 position as Mandy offered her my cock into her accepting mouth. She took it down to the base with one smooth motion, deep throating me as her friend once again sucked my balls into her hungry mouth.

Overcome by lust, I reached up around grabbed a cheek of Kat's firm ass in each hand, spreading them apart lewdly before attacking her tight little hole with renewed enthusiasm. Kat crawled down a little farther, pulling her ass just out of reach of my eager tongue. I strained my neck to get at her, but fell back and moaned with pleasure as I felt her tongue join Mandy's, lapping at my balls. Kat then pulled herself down farther and poked her tongue against my ass. Mandy followed suite and soon I had two girls licking my ass, their tongues dancing and entwining with each other in between licks. Although my tongue could no longer reach Kat's asshole, my hands certainly could and I began massaging the tight little opening with two fingers. She responded with an approving moan and thrust herself back on my fingers, her asshole sheathing my middle finger as she once again took my dick into her mouth. I pushed my finger in as far as I could, wiggling it deep inside as her wet pussy covered my mouth.

I became so entranced with Kat's pussy and ass that I barely noticed the absence of Mandy's soft lips and tongue. Suddenly her beautiful face appeared, smiling down at me from over Kat's smooth ass cheeks.

"Mmmm," she purred, examining the sexy scene and placing her hands on her friend's ass.

Mandy then gently pulled Kat's cheeks apart, giving both her and I a clear view of my finger buried deep in her asshole. After planting a few soft loving kisses on her smooth skin, her tongue shot out, dancing around my finger as it remained knuckle-deep in her friend's tightly gripping hole. Kat's body shivered and her asshole clenched around my digit as she felt her friend's tongue licking at her rim. I removed my finger, only to see it quickly replaced with Mandy's writhing, hot tongue as she dove into Kat's tight little hole. Her bright blue eyes locked on mine as she tongued the tiny pink star just inches from my face. Kat responded with an appreciative moan and shifted forward to suck at my balls as her hands firmly grasped my ass cheeks, her nails digging into my flesh. I raised my head and my tongue joined Mandy's, poking and licking at Kat's asshole. Mandy smiled as out tongues continued to dance and wrestle each other in between lapping at Kat's irresistible rosebud.

When Kat once again shifted backwards, forcing her pussy into my face, Mandy resumed her

previous position in between my legs. Her tongue once again stabbed at my sensitive asshole as her friend sucked my dick with increasingly urgency. I let out a muffled moan into Kat's pussy as she wrapped her fingers around my shaft and pumped with determined strokes, her lips wrapped tightly around the head of my cock.

"Oh fuck!" I exclaimed, as Mandy forced her hot, wet tongue into my ass. "I'm going to cum!"

Kat removed her lips from my cock just as my body tensed with indescribable pleasure. My asshole clenched around Mandy's invading tongue and a thick stream of hot cum shot forth, splashing across Kat's lips. She continued stroking as stream after stream of creamy white fluid emerged with surprising velocity, covering her pumping fist and dripping down my balls and ass. I could feel Mandy's tongue collecting the sticky fluid as it ran down my asshole, lapping it up like a hungry kitten. Kat swiped her tongue over my dick before grabbing pulling her friend up by the hair to share a passionate cum-filled kiss. The two girls moaned as their tongue entwined, licking and sucking the creamy fluid from each other's lips. Kat then offered her hand to Mandy, sliding her cum-covered fingers into her friend's mouth. Mandy accepting willingly as she sucked the fingers clean with enthusiasm.

"Mmmm," Kat purred, licking a droplet of cum from her hand. "I think it's time to get fucked."

As she climbed off my body, I remained lying in a relaxed, contented state, satisfied at just having had the best orgasm of my life.

"Hey," Kat scolded, her eyes narrowing with warning. "Don't get too comfortable. You're not done yet."

"Don't worry," I assured, motioning to my now-flaccid member. "I just a couple minutes to get back.....in form."

"Awww," Mandy said in an exaggerated, cute, childish voice. "I think we wore the poor guy out."

"Well, I guess we'll just have to get started without him," Kat added, as she walked up behind her and kissed her neck.

Mandy immediately closed her eyes and cocked her head to the side, moaning softly as Kat's lips bounced slowly from spot to spot, covered her smooth skin with gentle kisses. As her moaning increased, Kat's kisses gradually grew more aggressive until she was biting gently at Mandy's skin, leaving tiny red marks in her wake. She lifted her arms and grabbed a breast with each hand, pawing and groping like a horny teenager. Her mouth went from neck to ear as she nibbled at Mandy's lobe,

and whispered something that I couldn't hear. Her dark, almond-shaped eyes then fixed on mine as she shot me a seductive stare. A tingling feeling shot through my body and my flaccid dick began to twitch as Kat began peeling off Mandy's tight fitting dress. As soon as the tight fabric passed her chest, Kat spun her friend around to cover her massive breasts with seductive licks and kisses. Mandy giggled as took turns sucking her little pink nipples, and began to wiggle her tight fitting dress down over her hips.

"Do you like these tits?" Kat asked, cocking her head towards me as she squeezed each of the large round breasts with her slender, dextrous hands.

I nodded, intimidated by Kat's devilish glare.

"And what about...," she continued, as she coaxed Mandy to turn around. "...this ass?"

As she asked, Kat stroked her hand over her friend's smooth, naked posterior. Mandy looked back at me over her shoulder, smiling and biting her finger in a cute pose as if looking for validation.

"I love it," I stammered, overwhelmed by the whole situation.

"Would you like to see her on her hands and knees?" Kat continued, planting a soft kiss on her friend's posterior.

I nodded.

Mandy giggled as Kat coaxed her down onto all fours, displaying her juicy round ass to me. She looked back at me as she arched her back in a teasing fashion, lowering her head to the floor submissively. Kat smiled as my eyes locked onto Mandy's supple cheeks, separated only by a thin white string of fabric that composed the backside of her meager g-string undergarment. Her thick, pouty pussy lips could be seen puffing out on either side of the tiny string. I could feel my dick regaining thickness as I watched Kat flick her little pink tongue across her friend's ample ass as she started pulling the string down her ass. After removing the underwear, Kat looked directly into my eyes as she brought the pair of white underwear to her face, running her tongue along the entire length and sucking the thin string into her sexy mouth.

I wanted to climb down off the couch and bury my face in Mandy's pussy, but I had a feeling Kat was wanting me to observe. There was definitely something intimidating and sexy about the diminutive, dark-haired beauty.

"Mmmmm," Kat purred, as she groped her friend's ass, clutching a cheek in each hand, squeezing

hard while spreading them wide apart.

With Mandy's ass pried open, Kat then lowered her head and flicked her tongue out over her exposed, pink asshole causing the blonde to moan in appreciation. As she stabbed at the tiny hole with increasing intensity, I could see her glimmering tongue-ring swiping across her puckered rosebud, causing the shy orifice to clench with each pass of Kat's nimble tongue.

And always Kat's dark, seductive eyes watched me. Teasing me. Taunting me.

Suddenly Mandy squealed out loud as she felt her friend's tongue stab deep into her asshole, wriggling like a snake to delve deeper into the enticing orifice. The sight of Kat's slender tongue slipping in and out of Mandy's ass sent a renewed rush of blood to my cock and I reached down to grasp the throbbing shaft with a shaking hand. Kat smiled when she saw my excitement overwhelm me.

"Do you want some?" she asked, smiling as her hands continued caressing the beautiful round ass before me.

"Y...Yes," I stammered, trying to regain my confidence.

"Then come here."

Without hesitation, I slipped down off the couch to my knees behind Mandy's bent-over body. I moved closer as Kat reached under her friend and slid two thin fingers along her glistening slit. As I watched from close-up, she pushed the fingers into Mandy's pussy as she bit her bottom lip in concentration as they slipped in up to the knuckle.

"Here," she said, pulling the fingers out and offering them to me, now shimmering with Mandy's juices.

As I parted my lips, Kat pushed the two fingers into my mouth allowing me to taste her friend as I sucked them clean. She smiled at my obedience, removing the fingers from my mouth and giving them a few licks of her own. She then slowly reached up behind my head and pulled my face down into Mandy's ass.

"Oooooohhhh," Mandy moaned as she felt my face nestling down in between her ample cheeks.

Kat's hand was holding me firmly in place as she began to give orders.

“Lick,” she said simply. “I want to see your tongue in her ass. If you do a good job, then I might let you fuck her later.”

I needed no further convincing, as my tongue immediately shot out swiping across her little pink butt hole which was already wet from the tongue lashing Kat had given it.

“That’s it,” Kat said softly pulling my face harder into Mandy’s ass.

As my tongue slipped into her tight hole, Kat began playing with her friend’s clit, rubbing it with her delicate fingers. After about ten minutes of tongue-fucking Mandy’s asshole, Kat brought her to climax causing her little pink star to swallow up my wet tongue as it clenched and unclenched repeatedly.

“Well?” Kat asked as Mandy’s orgasm subsided. “Did he do a good enough job?”

Mandy looked back over her shoulder at me, her big blue eyes beaming with satisfaction. “Yes.”

Kat’s gaze once again met mine as she glared at me through those mysterious almond-shaped eyes.

“Do you want to fuck my girlfriend?”

“Yes,” I answered with conviction, my cock aching for release after the marathon of rimming I had just performed.

“Do it,” she snapped. “I want to see you fuck her from behind like the dirty little slut she is.”

Mandy giggled at her friend’s words, and glanced back with aroused expectation. I swallowed hard and inched my way forward. Kat licked her hand and then reached under Mandy’s ass grabbing a hold of my dick as I came closer. As her hand stroked my shaft, coating it with saliva, she used her other hand pulled Mandy’s swollen pussy lips apart. As my moved forward, she guided me into her friend’s hot, wet cunt.

“Oooohhhh, yeah,” Mandy exclaimed as my dick slid deep inside her.

As I bottomed out in her tight, warm hole, Kat reached under to play with my balls.

“Does his cock feel good baby?” she asked, receiving and emphatic “uh huh,” in response.

Kat then looked up into my eyes, as she gave my balls a firm squeeze.

“Fuck her,” she ordered.

Mandy’s fleshy ass began to quiver as I moved in and out with slow, even thrusts. Kat watched intently with her smouldering eyes as I penetrated her girlfriend.

“Mmmm, yummy,” she purred as my wet cock slipped in and out of Mandy’s perfect pussy. “I want to taste it.”

Obedying once again, I pulled my dick out with a horny smile. Kat looked up into my eyes as she opened her mouth and slid her lips down my wet shaft, sucking it clean of Mandy’s juices. Licking her lips, she then helped guide it back into her friend’s eager pussy. I was trying to maintain my composure as Kat then spread Mandy’s ass cheeks apart and resumed her oral assault on her pretty little pink asshole.

“Would you like to fuck this ass?” she asked, letting a thin string of saliva dribble down onto the irresistible opening.

“Fuck yes!” I blurted out, my cock now only moving halfway in and out of her pussy to prevent myself from cumming.

Kat smiled and traced her slender middle finger from my embedded cock up between Mandy’s cheeks before running slow, deliberate circles around her tight little ring. Bending her finger slightly she then pushed the tip just inside as Mandy gasped with pleasurable surprise. Kat grinned to herself and licked her lips as more of her thin finger disappeared into the hungry little asshole.

“What do you think sweetie?” she asked, rotating the digit around inside her ass. “Would you like a nice big cock in your ass tonight?”

‘Please say yes!’ I thought to myself, feeling Kat’s finger pressing against the top of my dick through Mandy’s ass.

“Yesssss,” she hissed, her breathing growing shallow and rapid. “Fuck my tight little asshole!”

I took that as a definite invitation and quickly pulled my cock out of her drenched pussy, eyeing her asshole greedily as it hugged Kat’s finger. Kat leaned forward taking my dick back into her mouth, once again savouring her friend’s juices as she slipped a couple fingers into Mandy’s empty pussy. Removing the fingers, she let my cock fall from her mouth, leaving a thin strand of sticky fluid connecting me to her chin. As she smiled up at me, she began coating Mandy’s asshole with her own pussy juices, preparing it for the coming onslaught.

“Don’t you have any lube?” I asked, concerned about Mandy’s well-being. I had performed anal with lubrication plenty of times, but it definitely made things more difficult.

“We do have some,” Kat explained, pushing her fingers inside Mandy’s waiting ass. “But I prefer...natural sources of lube.”

I shrugged my shoulders in compliance. I was in no position to argue.

With Mandy’s tiny anal opening now slick with spit and pussy fluids, Kat urged me forward as she held her friend’s ass cheeks splayed wide. I grasped my shaft with intent as I moved into position, pressing my head against the little pink ring.

“That’s it,” Kat, spoke softly as I began to push. “Nice and easy.”

Mandy moaned as her tight butthole slowly opened to accept my slowly thrusting cock. Kat viewed the lewd spectacle from inches away, her mouth agape with amorous wonder. When I was about half way in, she retrieved more of Mandy’s juices and ran her fingers around my shaft, wetting the entire length as it passed through the clutching muscular ring. I could tell she definitely knew what she was doing.

“How does it feel?” Kat asked as I started sliding my dick back and forth with small, rhythmic thrusts.

“So fucking good!” Mandy gasped in response, her face pressed firmly against the carpeted floor.

“Mmmm, you love having nice hard cock in your ass don’t you?”

“Yes! I fucking love it!”

The girls’ sexy banter was really starting to get to me, and I began driving my cock harder into Mandy’s accepting ass.

“Oh fuck yeah!” Kat exclaimed through clenched teeth as she gave her friend’s fleshy as a crisp smack. “Fuck that ass. Fuck her hard. That’s what she likes. Don’t you, you dirty little slut?”

Yesssss,” Mandy moaned. “I fucking love it. I love getting fucked hard in the ass like a dirty little whore!”

“Come on!” Kat urged, slapping my ass hard and then letting her hand linger there, her fingernails

digging into my flesh. "Fuck her harder!"

Again, I increased the pace, pressed on by Kat's sexy orders. I was now sliding almost all the way in and out of Mandy's ass as she quivered and moaned beneath me. She was even pushing back to meet my thrusts, driving her juicy ass into my hips and burying my cock deep inside her. My hands grasped her hips firmly as I pushed forward, mashing my balls against her dripping wet pussy and forcing her flat against the ground.

"Oh yeahhhhhh," she cried out, her voice muffled by the carpet. She was obviously enjoying the rougher treatment.

I was almost lost in the incredible sensation of Mandy's asshole clutching my thrusting dick when I felt Kat's presence once again. She had moved behind me, and I felt her delicate but firm hands gripping my ass cheeks as she kissed her way down my lower back.

"Oh yes," I moaned quietly as I felt her hot wet tongue gliding its way down my ass.

As I moved one of my legs over Mandy's body, Kat dipped her head down in between my legs, thrusting her tongue against my asshole as her hands pried my muscular cheeks apart. I slowly began fucking Mandy's ass once again, sliding my cock into her tight hole and then receding to feel Kat's little pink tongue sliding stabbing into my ass. I was in heaven.

Kat's nimble fingers massaged my balls as she tongued my ass, as if trying to coax the cum from within them. I felt as though I she would be successful, until she suddenly stopped, moving back around in front of me.

"Take it out," she said, her eyes glazed over with a lustful expression as she reached for my cock.

Wrapping her fingers around me, she pulled my dick free with a wet 'pop' and shoved it into her hungry mouth, closing her eyes in ecstasy as she sucked it into the back of her throat. As her head bobbed back and forth, Mandy rose back up to her hands and knees looking back at her friend's nasty actions and smiling in response.

With a sly grin, Kat then placed the head of my cock back at Mandy's tight little opening and used her thumb to push it back inside. Mandy tossed her head back in enjoyment, sending her little blonde braids bouncing off her shoulders as I once again found my pulsing cock submerged in her insatiable asshole.

"Damn you girls are nasty," I said with a smile, shaking my head in amazement.

Kat looked up at my, glaring seductively with her dark, penetrating eyes.

“You love it,” she stated confidently as her tongue shot out to lash Mandy’s buttohole which was once again stretched around my hard, wet shaft.

“Yes, I do,” I responded, nodding in agreement as I watched her run her tongue over my cock as it repeatedly disappeared into her friend’s butt.

“I want you to cum all over her ass,” Kat said with a sexy snarl as she reached between my legs, stroking her finger over my asshole.

In and out, my dick glided as Kat continuously lubricated it with her lips and tongue. Her slender fingertip was pushing against my clenched ass, wriggling its way inside. When it was halfway in, she pulled it out, sucked it into her mouth and then returned it to my ass, this time forcing it deep inside with a single, forceful thrust.

My pelvic muscles contracted and my body quivered uncontrollably, as a sudden orgasm overtook my entire body. I let out an incomprehensible groan before my balls sucked up against me, and a shot of hot cum blasted the inside of Mandy’s ass. As I tried to maintain control, I pulled my cock out, sending another stream of white cream arcing into her air to land in between her luscious cheeks, running down to cover her freshly reamed asshole. As I gripped my dick tightly with my hand I took aim, spilling the rest of my load over her ass as Kat smiled with satisfaction. Quickly withdrawing her finger from my ass, she lowered her head and placed her mouth directly over Mandy’s red, cum-covered hole, sucking up the cum like a hungry kitten. I sat back and watched in amazement as she licked the tongue from her friend’s ass, even jabbing her tongue inside to collect every drop. She then ran her tongue up Mandy’s crack, licking up the trickle of fluid that was slowly running downward like a tiny white river.

Having cleaned her girlfriend’s backside of my seed, she grabbed Mandy by the hair, pulling her head back with lustful authority. Like a baby bird, Mandy opened her mouth obediently as Kat parted her lips and let the creamy white liquid pour down onto her waiting tongue. The two then shared a sensual, cum-filled kiss before each pausing to swallow their share of the prize.

As I sat back in amazement of what had just transpired, my head began to spin. The girls shared a playful giggle and wiped their chins off lovingly before turning their attention back to me.

“Well, that was fun,” Kat said, rising to her feet. “Can I call you a cab?”

I was a little shocked that they wanted me out so soon.

“Uhhhh,” I stammered. “Y...Yeah...sure, I guess.”

“I don’t mean to rush you,” she explained. “But we kind of have a rule about boys sleeping over.”

Mandy smiled but nodded in agreement.

“Yeah, no problem,” I assured as I began to gather my clothes. “So can I get your number or....”

“Actually,” Kat snapped, cutting me off. “Why don’t you give us yours?”

Again, I was a little confused but gave the girls my number nonetheless. We shared a cordial goodbye before I left the apartment feeling a little strange. Did they just use me?

I shook my head as I walked down the hallway. I wondered if anyone would even believe me if I told them what happened. Then I realized that it didn’t even matter. I had just had a night of incredibly filthy sex with two of the hottest girls I had ever met. And even if no one believed me...I knew that it would always be a night to remember.

The End
