Camping trip truth or dare

<https://www.lushstories.com/stories/bisexual/camping-trip-that-i-will-always-remember.aspx>

I recently went on a backpacking and canoeing trip that I will always remember. On a recent trip going canoeing and camping I had an experience that I will never forget. I went with 5 others, Teri my sexy brunette friend from high school, Claudia, Teri's friend from college, their friend Rebecca, a very petite redhead. Rebecca's boyfriend Tom, a tall slender guy. And his friend Keith. The first night out we all hiked about 15 miles, so when we set up camp, we basically had some dinner and went to sleep, all too tired to do much else, the second day we canoed to an island about 3 miles down stream. So on this day we all got unwound and had a relaxing time, that evening we were playing drinking games and truth or dare and stuff like that. Teri dared Claudia to kiss Keith, somewhat innocent or so it seemed, well as Claudia kissed Keith he clearly got aroused, so when Claudia's turn came around she dared Teri to blow Keith. Well with that we all got aroused and one thing lead to another and before long we were all sitting around the fire in the nude. So by the time my turn came around, Keith had licked Teri to orgasm as dared by Rebecca, Claudia had sucked Keith off, Tom had rimmed Rebecca as dared by Keith. So when Teri was to dare me I thought for sure she would dare me to do something to Claudia. Well she dared me alright, she dare me to have Tom fuck me in the ass, while Rebecca sucks my balls and Claudia sits on my face. We all laughed, now Teri has known me for years and knows I have never been with a man. I thought it would be dropped but Rebecca said that she would love to suck my balls to see close up Tom's thick cock pump my ass hard. Claudia said that she really needed a good licking and heard that I was very skilled at providing oral satisfaction. It appeared that all were in favor of this happening but me, until Rebecca got very close to me and started saying in my ear, "You know you want to feel Tom's cock slide deep in your ass over and over until it is pumping thick cum into you, and you know at the same time you would love to suck Keith's cock until he blows his load down your throat," I involuntary got the hardest erection from her comment. At which Claudia announced that I could either agree, or they could tie me up while I sleep and do it anyway, which again my cock throbbed. To add to my embarrassment Teri announced he has always had a little gay streak, I bet he would love to be the center of all that action. Tom looked at me and said, "Dude, If I fuck you, you will love it, you know you want it, Look how hard your cock got just talking about it." I nervously laughed, I looked at Claudia as she sat across from me and her pussy was so wet it was glistening in the firelight. I smiled and told her that if she really wanted this I

would do it, but what ever happen to me would also happen to her, she smiled and said, "Is that a dare? If so then what ever happens to me also has to happen to you, deal?" I agreed thinking that I would get out of it, even though I really wanted to see what it felt like to have all this happen. She smile and told me to come over to her, I did and as soon as I did she turned me around and pointed to Keith, she told me that I had to suck Keith off, just as she had. Everyone laughed now thinking I would not go through with it. Well I decided that I was going to shock them and walked over to Keith and knelt down in front of him, I was thinking I would get right back up and we would all have a good laugh. Immediately Keith's cock met my lips and I just opened up and started sucking, I did not intend on it, but before I realized I was really going at it, his cock was so hard in my mouth, and the thought of this group of friends watching me just had me too excited not to do it. They were all commenting how hot this was, before long Keith was pumping his load into my mouth, pumping so hard it was almost too much for me, Rebecca told me to swallow or she would see that others found out about me sucking Keith's cock. Claudia then pulled me between her legs and I began to savor her shaved wet pussy, as I began sliding my tongue into her flicking it up, and circling her clitoris with my tongue, I felt Rebecca begin to suck my testicles, at which point I realized what was going to happen next. Tom had applied some KY, that someone had brought, generously on his cock, then I felt him place the head into my ass, rubbing it up and down, that feeling alone was quite nice, however the more he rubbed the easier it seemed to slip in. Before long his cock was in me full length and he was starting to slowly pull out then thrust back in, slapping his testicles into Rebecca's chin. The feeling of his cock, which is over eight inches, sliding in and out of my ass was more pleasing than I have ever imagined. It is hard to describe the feeling of this long thick cock sliding in and out of my ass, while at the same time having my testicles suck on alternating from the left on to the right one, some times sucking hard other times licking lightly. And if that is not enough I have the wettest smoothest pussy pumping my face, having my tongue explore. Finally Claudia starts to climax and as she does I feel my own orgasm begin to rise, as it does Rebecca takes my cock in her mouth and begins to mouth fuck me, I feel the jets of my own orgasm flood her mouth, when I begin to feel the pulses of Tom's orgasm pump into my ass, the feeling is incredible I never imagined what that feels like, hot jets pumping one after the other, I can feel each one. When they are done with me, Tom withdraws from me slowly and I feel his hot thick cum exist with his withdrawal, Claudia rises up from me on shaky legs, and Rebecca places her mouth over mine and feeds my jism back to me, my dick stays erect. Teri is smiling at me and asks me if I enjoyed what I just experienced, I can only smile, what an incredible sensation. Tom comments that he would have tried anal year ago if we would have had such a willing partner, Keith commented on how nicely I sucked his cock, Claudia raved on her own orgasm, and Rebecca giggled saying she had always wanted to feed a guy his cum back after she blew him. Teri asked the group if anyone knows what a creampie is, they all ask her what she is talking about, she tells me to explain. I tell the group that a creampie is when a girl has her pussy filled with cum. Teri interrupts and explains that I am good at cleaning them up. I totally embarrassed, once when we were younger and drunk she asked me to go down on her and when I did she was filled with cum, she did not tell me until after that she had already had sex with someone earlier that

night , so at age 21 I had eaten a creampie and was totally freaked out, she always thought it was because I had eaten some guys cum, but it was really because I really loved it, and knew that she would never let me do that again. So in front of this group of friends, she decided to ask me if I really liked that, I had to admit that I did. She smiles and said good then I have a surprise for you then. She waved her arm and from across the river came 7 canoes. 12 guys and 2 girls were in the canoes.
