"So you like this huh?" All I could do was stare.. "Y...yes Sarah" She walked over to me and slapped my ass hard. "Don't you dare call me that. From now on you will call me Mistress and you will be my little sissy slut. Got it?" "Yes Mistress. Sorry Mistress." I said. The feeling of my ass being slapped had instantly made me hers. I could feel my clitty strain against the soft fabric of my thong and I couldn't help but stare again at the big black cock and her massive plump breasts. "Good, now get on your knees bitch!" She grabbed me and threw me to the ground. Staring me in the face was her huge cock. I knew what was coming next. She grabbed my head and shoved all 7in deep into my throat. Luckily I had practiced with a friend earlier in the week, otherwise I would have disappointed my Mistress, and I know that wouldn't be good. "Wow, look at you. It seems that this dirty little school girl has taken a cock or two before.. I guess that means I don't have to go easy on you." With that she started ramming her cock deep in and out of my mouth. All I could do was sit and take it. After what felt like an eternity, she finally pulled her cock out of my mouth. Streams of spit leaked out of my mouth and dripped off of her cock. "There's a good little slut. Now give me your hands." I did as I was told. She reached into the bag she had brought me before and got out the handcuffs. She took my hands around my back and cuffed them there. "Now then, are you ready to feel my cock in your man pussy?" I shuddered with pleasure of the thought. "Yes Mistress, Please Mistress" "Damn right. Bend over and show me your pussy." She pushed me face down on the carpet floor. She spread my legs open wide and I felt something cold around my man pussy. Then she inserted her finger into me and rubbed the lube all over my hole. the cold sensation was odd, but I welcomed it. She took her fingers out and I felt the head of her cock against my hole. Then she said: "Oh, we are going to have some fun today you dirty slut." Without further warning, she moved her huge cock inch by inch into my man pussy. Every second of this was pure pleasure. I could feel every bit of her cock in my ass. However, this calmness did not last long. She pulled all the way out and slammed her cock all the way back in all at once. I lost my breath, and she kept going hard, fucking my ass with her big black cock while my hands were cuffed behind my back and my face was shoved against the rug. It felt so good, I knew at that moment that I was hers. No matter what she asked of me, or when, I would do it for her. I couldn't help but notice the giant wet spot on my thong where my precum had come, my man clit was rock hard and all I wanted was to be fucked harder. "Yes Mistress, please fuck my manpussy hard with

your huge cock. Oh Mistress, I want you so bad." Hearing this, she pulled out all the way and stayed there. "So my dirty little slut wants more does she? I'll give you more if you promise to be my little sissyboy slut whenever I want." My answer was immediate. "Yes, anything you want Mistress!" "So my dirty little slut wants more does she? Well, time to turn up the intensity!" I then heard a buzz. I tried to turn my head to see but it was no use. She shoved her cock back into my ass and the vibrating sent wave after wave of pure pleasure throughout my whole body. I let out a loud moan. "I knew you would like this you dirty slut. But this is just a teaser!" With that she pulled out and un-cuffed my hands. "You've been a good little sissyboy, so I think we will have to do this again. Come to my door tomorrow, there will be a surprise waiting." She then took my hand and walked me outside, still fully clothed as a slutty school girl. "See you tomorrow slut!" ----- Please comment for part 3!!
