Liu took off his shirt and was now completely naked and stroking his very erect cock as Mel and I basked in our afterglow in each other's arms. He left the room, but quickly returned with a plastic chair. This was no ordinary chair. It had a huge hole in the seat so that when he sat in it, his ass was exposed. When he sat in that chair, he wanted his ass licked. I left Mel's embrace and crawled on our fours towards Liu. Positioning myself to the back of the chair, I opened his ass cheeks and licked his hole. Melinda joined me on the floor and watched me give him pleasure. "Eww," Melinda whispered as she watched my tongue circle his asshole before entering it. I flicked it with my tongue in relentless teasing. Despite her comment, she watched with a level of interest. She held his ass open so his hole was in full view for me to lick and tongue fuck. We could hear him moaning as he rocked his body in the chair. "He's jerking off," Melinda whispered to me, which made me lick him even faster. "I'm going to suck his dick," she said as she crawled in front of him. The both of us were giving him pleasure at the same time. I felt Liu grab the sides of the chair as Melinda sucked his cock. "Yeah, you like that don't you?" she said as she sucked him. Liu had to be in his own private heaven with the both of us giving him oral pleasure at the same time. "I wish everyday was my birthday," he blurted out. "It could be," Melinda said with a seductive tone to her voice. I crawled to the front of the chair to see his legs open and Mel's head bobbing up and down on his cock. He was stroking her thick black hair as she held his cock between her fingers, taking him all in. She fondled his balls at the same time. I didn't like seeing her pleasing him. I fuckin' loved it. I got up and stood next to him. "Oooh, more pussy," he said as he put his hand between my legs. I leaned over to kiss him as Mel planted gentle kisses up his body. "What's your pleasure?" I asked him. He glanced at me then at Mel. He bit his lower lip and nodded. "I want you girls to make love," he said. Mel and I moved back to the couch and tenderly rubbed each other's pussies as we French kissed. I could taste Liu's cock on her lips and that turned me on even more. She sucked my nipple hard as I fondled her breasts, all under Liu's watchful eye. I caressed her thighs and leg, making my way up to her pussy. I wanted to taste her one more time. I wasn't sure how to let her know. "I want to lick it," I said clumsily. Melinda giggled at my awkwardness and spread her legs. She looked so beautiful! "Go ahead," Liu said as he looked at her open pussy. "You first," I replied. He smiled as he knelt between her legs. "Open her for me," he said and I spread her lips apart. He buried his face into her pussy as he licked her. At times, his tongue would touch my

fingers, sending a surge of pleasure throughout my body. "Nice clit," he said as the tip of his tongue barely touched it. Mel was nearly convulsing in pleasure as he sucked it. My clit was pulsating just from watching them. "Now you lick her," he said to me as he held her lips apart. I shook with pleasure as I licked her clit. Liu reached around and rubbed my tits as I quickly lapped her pussy, much to her delight. "Anything else you want me to do?" I asked him. "Put your tongue in her vagina and fuck her with it," he replied. I slid my tongue into her hot, wet hole as Liu watched. Mel was squealing with delight as Liu licked her clit at the same time. "Fuck you both, damn fuck you both! I'm gonna cum!!" She screamed as she arched her back. Liu kept his tongue on her clit, flicking it madly as her legs shook. She screamed so loudly, that I almost laughed as I felt her juices on my tongue. Liu stopped to catch his breath and we both kissed Melinda as we held her breasts. "Your turn," Mel said to me playfully. "Oh God!" I exclaimed. "You'll be saying that!" Liu quipped as Mel put me on the couch and spread my legs. Liu's cock was semi-erect and he was stroking it. "Look at the little bald pussy," Melinda joked to Liu. "Little pussy with a big clit," he said to her as if I was some kind of experiment. She looked at me and winked, "Mmmm, I know," she said. Mel teased my hard clit while Liu watched and stroked himself. "Kait, you let girls eat your pussy?" He said jokingly. "I let THIS girl do it!" I replied as I pointed to Mel. "Nasty girls, nasty!" Liu said laughing. "I want to suck your cock!" I said to him. "Go ahead!" he said as he put it in my mouth. His balls were pressing against my face as I deep throated his cock while Mel was eating my pussy. Liu was pressing himself deeper into my throat, causing me to gag while Mel's licking was making me moan in pleasure. She put her fingers inside me and licked me faster as Liu fucked my face. I lifted my head up as I was close to cumming and he took his dick out of my mouth. He rubbed my breasts as he watched Mel. "Suck that clit Mel, suck it!" he said repeatedly as he kissed me. "Fuck can she eat pussy?!" he said. "Liu, I'm gonna cum baby!" "Go ahead, cum for us, cum for us, Kait!" I actually stopped breathing for a few seconds and let out a long, drawn out moan. "OOOH GODDDDDDD!!" I exclaimed as I came hard in Mel's mouth. "YEAH!" Liu exclaimed. Mel licked me a few more times and laughed. "Somebody liked that!" she said as she gave me a quick kiss on the lips. "You're incredible!" I said to her as we started making out again. "Let's take this consummation to the bedroom," Liu said. The three of us entered the bedroom. Mel was on her back, legs spread as Liu knelt between them. He took her by the legs and pulled her body towards him, guiding his cock into her pussy. I watched as he slid his dick inside her and slowly pumped. Mel closed her eyes and smiled as I licked her nipples. "Nice, hot pussy!" Liu said as he saw the obvious pleasure on Mel's face. He held her legs apart and watched himself fuck her, claiming her for the moment. I should have been jealous, but I wasn't. I glanced over to him and watched the sex act. I kissed his shoulder as I stroked his arm, watching him make love to my friend. "I love you," he said to me. His voice was barely audible. "I love you too," I replied. He pumped her a few more times before taking his cock out. Mel opened her eyes and the two of them smiled at each other. "I'm close," Liu said as he stroked his cock harder. I immediately changed places with Mel and Liu entered me quickly. Mel held me in her arms as she watched him fuck me. He pounded me so hard and fast that I was gasping. Mel stroked my hair, as it was now her turn to watch. "I'm not gonna last!" Liu warned as he followed with a few harder thrusts. "Cum inside her, Liu! Shoot your load!" Mel said.

“Oh Jesus fuck!” Liu moaned and with a huge grunt, he came. He shot his massive orgasm inside me, pulled his cock out and shot some more. “Fuck, its like it won’t stop!” he joked, as he held his cock and ropes of cum shot on top of me. He put the tip to my mouth and Mel and I licked him off. Covered with sweat and the smell of sex, he collapsed on the bed, his cock slowly going limp. “Wow, just fuckin’ wow!” he said as he fell asleep shortly after. Mel and I showered together as Liu got much needed rest. When he woke up a few hours later, he put on his old grey sweatpants and came down to the kitchen. Still stark naked, Mel and I served him his birthday cake and we playfully put icing on our tits for him to lick off. “That’s enough girls,” he said. “I’m spent for one night.” However, tomorrow was another day.
