*Opportunity allow me to discover an exciting truth about my co workers friend*

<https://www.lushstories.com/stories/group-sex/instant-gratification.aspx>

There is a co worker of mine, seems like a pretty low key kind of a girl. Well she's always talking about this friend of hers that's supposed to be really wild. The puzzle is that nobody ever sees this girl she's talks about so we think Regina has just made her up to put some sort of excitement into her life.

One day I go by her desk to get some files and she says its going to take about an hour to get them and that she would rather do it after lunch because she's waiting to hear from her "friend" Blue-daisy Stardust. Well I do everything to keep from laughing, I mean really if your going to make something up make it believable. I tell her I'm sorry it can't wait and the file I need should have been here first thing this morning.

She's obviously stalling as she twists a pen around her fingers, I can't help but notice she keeps looking at her computer but she finally she says "okay I'll see if I can rush it. Meet me here in an hour and I'll do my best to have it waiting for you."

I tell her I'd be happier waiting right here for it and I sit down stubbornly at her desk. She laughs a little uncomfortable as she reaches over my shoulder to turn of her computer screen and smartly says "suit yourself" and walks off.

Well I'm just sitting there trying not to fall asleep. Other than a glamour magazine, a picture of her cat and a bunch of porcelain nick nacks Regina really doesn't have anything to occupy her time.

Then I hear a beep on her computer which I recognize as a new message from Yahoo. I look at the blue Post-It note by here screen and it says 11:00 sharp!. I look at my watch, Its 11:00am. I look around the office and is nearly empty, everyone off eating lunch. Anyone at there desk is heads down, reading, writing maybe even snoozing while listening to there iPods. I can't resist the urge to see what this message is so I press the button to turn on her monitor. This is what I see on Yahoo Messenger.

Blue-daisy says :

Hey Regie, you there?

My pulse is racing, what am I going to do, should I pretend to be Regina ?

Blue-daisy says :

Is something wrong...you can't talk now?

Regina says:

I'm fine just a busy morning I had to run and get a file

Blue-daisy:

Oh...so you are not going to believe this!

I glance around the around the office to see if anyone is paying attention, nobody seems to notice me, I pull the chair closer and begin to type

Regina says:

Tell me?

Blue-daisy says:

well there was this guy in this garage

Blue-daisy says:

and he was lifting these boxes like he was moving

Regina says :

oh yea....this sounds like its fun

Regina says:

and

Blue-daisy says :

he looks at me and gives me the eye like he thinks I'm cute and since he is so damn good looking I give him a wink and a smile then shake my ass a bit more than usual as I walk past

Regina says:

...I bet u did...

Blue-daisy says :

well I I decide to make some excuse to go back cause this guy is like finer than fine

Blue-daisy says:

and now he has a friend with him

Blue-daisy says:

one tall one short one blond one brunette

Regina says:

really...were they good looking as well?

Blue-daisy says:

one blue eyed one dark, oh yeah honey..

Regina says:

...were they checking u out?

Blue-daisy says:

I think so, "oh my god" there's two of them and I'm like who do I flirt with know cause they are both so yummy

Regina says:

...did you talk to them?

Blue-daisy says:

the one that winked at me , he was the dark one, well he smiled and oooh la la but his teeth were pearly white and I had this feeling of sweeping my tongue right a cross them

Blue-daisy says:

I guess that made me smile and look all dreamy cause the blond one laughed and asked if I wanted a beer

Blue-daisy says:

Well, it was hot so I said yes

Regina says:

....that's a come on eh

Blue-daisy says:

you bet and I went for it

Regina says:

were did you go?

Blue-daisy says:

so he opens this bottle of beer and hands it to me really slow, then pulls his hand away you know playing like this little game

Blue-daisy says:

and he is so cute too and his eyes are like flashing Charisma

Blue-daisy says:

He was looking at my mouth I had put on my favorite lip gloss before I walked back, cause I know how it makes my lips shine in the sun.....well I see him noticing this so I give my full lips a nice long lingering lick and say "why thank you sir"

Blue-daisy says:

He laughed again and then the brunette says "hey want to help us with some stuff inside?"

Blue-daisy says:

I say "okay"

Blue-daisy says:

and we all go in

Regina says:

...I bet they knew you were wanting it

Blue-daisy says:

Regina that's not like you!

I had become so engrossed that I forgotten that BlueDaisy was not talking to me, but to Regina  
...what would she say? What would she do?

Regina says:

...true, do carry on

Blue-daisy says:

So anyway

Blue-daisy says:

you are not going to believe this

Blue-daisy says:

they asked me to pack up some books and they was a stack of these porns like Playboy and  
Penthouse

Regina says:

Oh yea

Blue-daisy says:

as I'm going down the stack its getting raunchier and raunchier and of course my pussy is starting to  
sweat and throb a bit

It felt like the room was getting hot, or was it just me, I turned around to check that nobody was watching, and had to slightly change position in the chair to accommodate my growing erection....I wanted to know more, I typed

Regina says:

...really

Blue-daisy says:

I look around cause I think "god I'm so wet I wonder if they notice. the brunette is just packing but the blond flashes me a look and another smile then says "you okay doing that?"

Blue-daisy says:

"ah yeah I say but do you mind if I use your bathroom?"

Blue-daisy says:

he points to the hall way

Blue-daisy says:

I go down the hall way and see a bathroom on the right. I close the door look in the mirror and think God Blue-daisy what have you gotten your self into

Blue-daisy says:

I see I'm flushed and I feel my pussy is wet

Regina says:

you are a walking adventure

Blue-daisy says:

I reach down and its soaked so I start to feel myself and look in the mirror while I lick my lips and I am thinking about those two guys and those nasty books. I close my eyes

Blue-daisy says:

and its all like mingling in my mind

Regina says:

...did you want him to see you?

Blue-daisy says:

them I open my eyes for just a second, I don't know why maybe I heard something

Blue-daisy says:

they just happened to be standing there

Regina says:

...watching you?

Blue-daisy says:

Yes, right there in the bathroom looking at me in the mirror while I'm standing there fingering myself

Regina says:

oh my god...what did you do?

Blue-daisy says:

well at first I'm embarrassed

Regina says:

yea....

Blue-daisy says:

I thought my god how long have I been in here, how long have they been standing here watching

Regina says:

I bet they had n't counted on that eh!

Blue-daisy says:

no

Blue-daisy says:

I must have looked a bit surprised and they must have wanted to put me at ease because they both smiled at me and one rubbed my right arm while the other my left

Regina says:

...go on

Blue-daisy says:

and one used his other hand to trace my face and rub down my breasts ever so gently while the other one let his hand rub my neck and slowly make its way down my back to my ass

Blue-daisy says:

which at this point was pushed out so far it did n't take much to see I was begging for it

Regina says:

....gosh you were a lucky girl eh

Blue-daisy says:

Then one starts kissing the front of my neck while the other starts kissing my shoulders

Blue-daisy says:

lucky....Hell yeah

Regina says:

to die for..

Blue-daisy says:

They keep flipping sides

Regina says:

I bet u were flowing then eh

Blue-daisy says:

like one is lifting my shirt and sucking and kissing my breasts while the other is kissing my back then they circle round and one is kissing my upper and mid back while the others licking my belly button and gently pulling down my skirt

Regina says:

I can hardly wait to hear what happened to u next

Blue-daisy says:

the one behind me raises my top and I automatically lift my arms up so my shirt can come off

Blue-daisy says:

then the one behind me steps back and I'm not ready for it so I fall back a little

Blue-daisy says:

like that fainting game you play with people to see if you trust them

Blue-daisy says:

well I must have trusted him honey cause I fell back and when I did the one in front lifted my knees and snuggles in real close to my pussy

Regina says:

like to eat u out?

Blue-daisy says:

my underpants are gone and his belt is undone

Blue-daisy says:

neither were wearing shirts anyway

Blue-daisy says:

he pushes against me in this really nice rhythm like a dry hump

Blue-daisy says:

and I notice were moving out of the bathroom

Blue-daisy says:

and back to the living room.

Regina says:

did you feel his cock through his pants

Blue-daisy says:

god yes

Blue-daisy says:

and the guy behind me is braced against this wall in the living room and the guy in front lifts up my

legs so high my pussy is up to his mouth and he is eating me out

Regina says:

...I bet you liked that...

Blue-daisy says:

It feels sooo good I start to moan and I lean my head back on the guy behind my shoulder I must just be supported by his chest cause I don't feel his hands for a while, his friend is going at it with a tongue that is just to die for

Blue-daisy says:

then he puts down my legs and strokes up my body then comes closer and gives me this deep kiss on the mouth and I can feel the heat of his lips and how sweet I taste on him

Blue-daisy says:

He gently walks to the back of me and his friend walks to the front

Regina says:

....u must have been spinning by now

Blue-daisy says:

his belt is undone and his zipper was down and his jeans are all loose around his waist

Regina says:

...glad u went to the bathroom eh

Blue-daisy says:

oh yeah I'm spinning all right

Blue-daisy says:

oh yeah I'm glad

Regina says:

did you think it might happen when u when there?

Blue-daisy says:

I didn;t know

Regina says:

really

Blue-daisy says:

anyway the friend is all hot and bothered

Regina says:

I bet he is

Regina says:

...I'd be too!

Blue-daisy says:

and he is kind of sweaty he's not wearing a shirt

Regina says:

the shorter one?

Blue-daisy says:

He has his eyes on me and I realize he has been watching his friend go at it and he is turned on to no end

Regina says:

i bet

Regina says:

was he shy?

Blue-daisy says:

he no he's not shy but he's more personal than the other in that he holds my eyes

Blue-daisy says:

I don't notice his cock at first

Blue-daisy says:

he lifts my legs and pushes into me like his friend did, you know when he dry fucked me

Blue-daisy says:

but he's not dry fucking me he is really fucking me and it is amazing

Blue-daisy says:

I'm moaning and his hands are holding the small of my back while I lean back on his friends shoulder

Blue-daisy says:

and his friend is lightly brushing my tits with his fingers and kissing my neck

Blue-daisy says:

well this goes on for I don't know how long

Blue-daisy says:

I have no concept of time

Blue-daisy says:

then he the guy in front drops down and starts sucking every bit of juice out of my pussy while my legs dangle over his shoulders

Blue-daisy says:

The guy behind me lowers my torso down to the carpet so it's like my backs is on the carpet and he straddles my face so I can suck his dick and it tastes so good, its hard as a rock and hot and slick with my juice. I'm sucking like crazy while the other one is sucking my pussy. Then he lowers me down so my whole bodies on the ground and he puts my legs over his and lifts my ass just a little so he can stick his cock in my pussy and he starts fucking me again and I am flinching with orgasms. The guy with his cock in my mouth starts to shake and come at the exact same time as the guy fucking me. The guy I'm sucking falls forward and sigh's. The guy I'm fucking falls backwards and says Wow

I've got cum on my face, in my mouth and cunt and cum dripping down my thighs.

Blue-daisy says

I'm one happy camper!

Wholly shit! I could not believe what this chick was saying. Was this for real? I shook my head to make sure I wasn't seeing things. But that's what she was saying. I couldn't believe it. I looked up to clear my head and there at the end of the room was Regina and she was coming for me, file in her hand.

Oh fuck!
