Iain looked across to the passenger seat again, the traffic had slowed and he was finding it difficult to concentrate with the distraction of the gorgeous woman sitting next to him. Mandy crossed her legs again and the little black dress she was wearing rode up another inch or so. He savoured the sight of her long legs encased in sheer nylon, with just a glimpse of naked flesh showing at the top: he felt his cock twitch and looked up just in time to notice the car in front and had to brake harshly "Sorry" he said sheepishly "I should really be concentrating on the road, instead of thinking about how much I want you!" The traffic cleared and Iain floored the accelerator, bursting past a slow moving truck and back up to a steady 85 MPH. They were in a hurry, but any faster and there was a good chance he would be pulled for speeding. Not a moment too soon they saw the signs for the Motorway services and hotel, he indicated left and slowed as he negotiated the slip road. A minute later they pulled up outside the hotel. Jenni was already in their hotel room, she had sent a text 10 minutes ago "Room 232 cum quick" Iain was sure he would be able to comply with that request! Mandy and Iain quickly got out of the car, gathered their overnight bags and scampered into the hotel building hand in hand, Mandy tottered a little in her high heels which accentuated her shapely legs. They rushed through reception and waited impatiently for the lift. In the lift Iain and Mandy kissed passionately and she gently squeezed the rock hard bulge in his jeans: it was just as well the lift was only going up two floors; otherwise they might have got carried away.. Iain knocked firmly on the door of Room 232, Jenni's voice replied a little breathlessly "Come in, it's not locked" Iain and Mandy entered the room and could barely believe their eyes: Jenni was lying on her back, legs akimbo, wearing red stockings, red corset, suspenders and matching crotchless panties. Through the open crotch of her panties she was giving her pussy a thoroughly good seeing too with a large black vibrator. "You couldn't you wait for us?" teased Iain. "No" replied Jenni "I'm sooo.. fucking horny and you two were taking far too bloody long" "It's just as well it wasn't the chambermaid or porter at the door" said Mandy. "The state I'm in I'd fuck them too!" exclaimed Jenni. "I guess I should introduce you two ladies" said Iain. Jenni and Mandy had never met or even spoken on the phone, but Iain had taken great pleasure in relaying messages between the two girls, detailing in intricate detail exactly what they had in store for each other. "As you know Mandy has applied for a position with us Jenni, and I'm pleased to say she's passed the written examination, based on the extremely hot online conversation we've enjoyed in the

last few weeks. So today we need to complete the interview process with the oral test and of course the, er.. anal one!” “Mmm, well we’d better get started right now” said Jenni. Mandy slid onto the bed between Jenni's legs. “Let me help you” she offered, while taking control of the large black toy in Jenni's hand. Mandy proceeded to gently ream Jenni's shaven cunt, she eased the vibrator in to the very hilt, then paused for a second as she moved her face close to Jenni inhaling the sweet perfume of her delightful pussy. Mandy flickered her tongue around the top of Jenni’s pussy and quickly found her erect clit which she teased hungrily with her darting tongue. Mandy then started to steadily fuck Jenni’s pussy with the big black tool, it’s glistening length sliding in and out of Jenni’s beautiful shaven haven. “Oohhhhh Fuck, that’s sooooo good” moaned Jenni as Mandy fucked her pussy and tongue-teased her clit. Iain undressed quickly as he admired the sight of the two gorgeous voluptuous ladies. Mandy's dress had ridden up her hips and the sight of her curvaceous bottom barely covered by a pair of black lacy panties was too much for him, he eased onto the bed gently so as not to disturb the pace of Mandy's awesome work on Jenni’s pussy. He lovingly fondled Mandy's bottom and gently peeled her panties down, admiring the beautiful sight of her luscious rear end, framed by the hem of her dress, her panties and stocking tops. Iain massaged Mandy’s ample cheeks and delicately kissed her bottom, he probed her outerlips with his tongue, realised that her pussy was already drenched and eased a finger tentatively into her. Mandy moaned with pleasure, but didn’t pause for a second in her relentless fucking of Jenni's pussy. Iain leaned forward a little and with his left hand felt for the hard little button of Mandy's clit while he eased another finger of his right hand deep into her pussy. Iain couldn’t resist the sight of Mandy's puckered arse hole and gently probed it with the tip of his tongue, her anus opened like a budding flower. Iain probed further into her anus, his wet tongue savouring the delightful taste of her forbidden orifice. Soon, Jenni's moans became louder and more insistent, Iain knew Mandy was in for a treat and was proven right when Jenni’s first orgasm exploded, shooting a stream of hot fanny cream into Mandy's mouth. Mandy paused for a moment to lick up the remains of Jenni's spilled cream before returning to her task: fucking Jenni's pussy with the buzzing toy while avidly kissing her clit. It didn’t take long for Jenni to orgasm again and she released another stream of pussy cum, this time Mandy was prepared for it and barely a drop was spilled as she expertly caught it on her tongue. Mandy continued her relentless rogering, Jenni's second orgasm melted into a third, the pleasure rippling through her body as her pussy creamed again. Iain felt Mandy's pussy and anus start to contract, he friggged her clit frantically and she too exploded in a mind blowing orgasm, her whole body quivered in ecstasy. As Mandy’s orgasm subsided she collapsed, rolling over onto her back beside Jenni. Iain kneeled on the bed surveying the two satisfied women lying on the bed as he slowly stroked his rock hard cock, Jenni smiled and licked her lips “that was fucking amazing” she breathed. “I thought you said you weren’t really into women” Iain teased... Jenni laughed: “Well a woman’s OK, but you can’t beat some cock!” and with that she rose up grabbed Iain’s cock and stuffed it in her mouth. As Jenni expertly fellated Iain’s member, Mandy eased her full breasts out of her dress and presented them to him, he kissed, licked and lovingly fondled her gorgeous tits as Jenni continued to suck his cock. Iain felt his tension building rapidly and asked Jenni to stop and lie on her back. Jenni obliged and lay down, spreading her legs, Iain lowered

his body towards her and teased her outer labia gently with the head of his penis, Jenni was still soaking from her previous session and Iain's rampant tool slipped easily into her luscious pussy. Iain proceeded to fuck Jenni steadily: any faster and he would have come right then. Mandy unhitched Jenni's corset revealing breasts which were even larger than her own and gently kneaded them, pausing occasionally to lick her stiff nipples. Iain tried to hold back, but the sight of the two horny mature women he was sharing, coupled with the friction from Jenni's heavenly cunt was too much for him and he exploded a huge load inside her shaven pussy. Iain withdrew his pulsing cock and sprayed the remains of his pearly cum over Jenni's beautiful bald mound of Venus. "Mandy your wish has come true" Iain joked "We've baked a perfect cream pie for you!" Mandy quickly moved over and proceeded to lap up the stray spunk smeared over Jenni's mound. When that was cleaned to her satisfaction, she proceed to delve her tongue into the cleft of Jenni's pussy, licking as deep as her tongue could reach and devouring every drop of Iain's silky spunk she could reach. Iain found Jenni's discarded vibrator and eased it back into her cunt, he withdrew it again and the toy glistened with yet more pearly cum which Mandy lovingly licked from the toy. Iain eased the vibrator back in and slowly withdrew it again, he couldn't resist licking it clean himself, savouring the heavenly cocktail of pussy cream and his own spunk. The only spunk remaining was the coating on Iain's cock, the two girls proceeded to lick it from his tool, their tongues entwined as they enveloped his rapidly stiffening cock. "Now" teased Iain, where would you like my cock next...? The girls agreed that Mandy's pussy had the greatest need for his member. Iain's cock was rock hard again thanks to the sterling work the girls had performed with their tongues and he couldn't wait to feel her beautiful cunt lips surround his manhood. Mandy laid on her back and spread her legs, opening her labia with her fingers, Iain lovingly surveyed her beautiful cunt: the glistening pinkness made him think of the finest smoked salmon, but he knew she tasted 1000 times better! Although Iain's cock was aching for Mandy's pussy, he couldn't resist tasting her again, he kissed her tenderly on the lips, before moving his head downwards, pausing to kiss her fulsome breasts, darting his tongue down her tummy and onto her pussy. He ran his tongue slowly down her labia and then back to the top, pausing to tease her clit for a few moments with the very tip of his tongue. He so wanted to continue tasting her, but he had to fuck her now! Iain manoeuvred himself so that his member was poised over her pussy. A bead of pre cum appeared on his bell end and he couldn't resist placing it precisely on Mandy's clit, then prodded around, teasing her labia for a few moments, before plunging his red hot member deep into her soaking cunt. He savoured the sensation of her vice like grip on his member, then slowly withdrew his length, teasing round her lips again before plunging back into her. Iain built his rhythm up steadily, his well oiled piston powering relentlessly in and out of Mandy's quivering pussy. After several minutes Mandy announced she wanted to be fucked doggy fashion, Iain withdrew his cock from her pussy and slowly stroked it's length as Mandy turned over and presented her magnificent rear end to him. Iain kissed her on the small of her back as he eased his cock back into her pussy, he quickly built up a steady rhythm, his tummy slapping against Mandy's ample arse with each inward stroke. This position was just right to hit Mandy's G spot and it wasn't long before Iain felt the rhythmic pulsation in her pussy that signalled she was coming "Fuck me Baby, Fuck me " Mandy moaned as the orgasm hit

her, Ian obliged, maintaining his rhythm while supporting her with his strong arms as her knees buckled with another enormous orgasm. While Ian and Mandy fucked, Jenni had been watching them, gently stroking her pussy, a glint appeared in her eyes and she picked up her vibrator and moved onto the bed she switched it on and proceeded to rub its tip around Ian's anus. Ian recalled a secret fantasy he and Jenni had shared a few weeks ago and his suspicions were proven correct when Jenni smeared a handful of lubricant on his bum and shoved the vibrator hard up his arse, with the power and speed set to maximum. This time it was Ian's knees which buckled as he groaned and unloaded his balls deep inside Mandy's pussy. Ian kissed Mandy's back and reached round to lovingly fondle her breasts, his erection subsided and slipped from her pussy. Ian quickly turned over onto his back and while Mandy remained in her hands and knees he positioned his head under her pussy, licking it deeply, filling his mouth with the mix of his own cum and Mandy's pussy cream. When he had finished cleaning Mandy's cunt, she moved down the bed and they kissed passionately sharing his mouthful of cum. Jenni joined them on the bed and kissed them both, enjoying the taste of their cum. They lay back on the bed and rested, discussing what they had in store for each other next.
