Twas the night before Christmas, And all through the house, Not a creature was stirring, 'Cept my trouser mouse. The stockings were hung By the chimney with care, And my girl was in bed With her legs in the air. And I was deep pumpin' And churning my cum, Ramming my dick In her tight sugar-plum. Outside, the weather was nasty and bleak. Inside, we'd been doing The nasty all week! The juices were flowing, The sheets were all wet. My girl really knew How to work up a sweat! I kept right on shoving And slamming it home, Stretching her pussy With my nine-inch long bone. Her titties were bouncing And flopped side to side-- I was really enjoying This Christmas sleigh ride. My girlfriend looked up And said with a smile "Take me from behind, And let's doggie-style!" So I turned my girlover Put my hands on her hips And positioned my cock At her hot pussy lips. I asked, "Are you ready?" She nodded her head. Then, BAM! I was thrustin' and shakin' the bed. She let out a yelp With her head snapping back. No way was she ready For my big dick attack. She sputtered and gasped And squealed like a pig. "Fuck me hard, baby! Your cock is so big!" I wasn't about To let us unhitch. My cock was still rockin' I had my own itch. I flipped her back over To cum on her face. It was my Christmas pudding She wanted to taste. I straddled her head, She slurped on my pole, I reached back behind and fingered her hole. And then with a growl I coated her tongue With a mighty sperm blast From my cock so well-hung. But out on the lawn There came such a roar, I sprang from my bed and ran 'cross the floor. I opened the window Looked left and looked right, Straining to see In the dark, snowy night. Then I saw downbelow Something drive through the muck: It was Pimp-Daddy Claus In a red pick-up truck! It was deck out with tinsel, and lights all aglow, And it played Jingle Bells As it drove through the snow. I then looked again (My head in a whirl). I could see that the truck Was filled with young girls! Nice perky titties Wild hair all untamed. And Pimp-Daddy claus yelled And called them by name: "On Mary! On Carol! On Holly, Jeanette! Your pussies are ready! They're all drippimng wet! "On Karen! On Sharon! Your pussies are sweet! Spread your lips wide And fill with man meat! On Candy! On Randy! Your pussies are nice! Your hot lovely asses Will bring a good price! On Tina! On Gina! Your pussies are fine! They'll polish some dicks-- Make 'em glisten and shine! "We got to get going The men are a waitin'. If we don't get there soon, They'll start masturbatin'! "And you know what'll happen If the men don't get laid. No gas in the tank 'Cause you didn't get paid!" Then Pimp-Daddy Claus He muttered and clucked, And unloaded his bag Off the

back of his truck. Got up on the porch And knocked on the door, And cried, "Open up! I've got presents galore!" I rushed out the door And feeling quite brave, Flashed my dick at the girls And they smiled and waved. Then P-D Claus said, As the snow slowly fell, "Gotta get on the road, I've got pussies to sell!" I went back up the stairs Wth the movies and stuff And selected one titled: Young, Hot, Virgin Muff My girl said to me As I grabbed the remote, "That Pimp-Daddy Claus Is a horny old goat." "No," I said, grinning, "He's not what he seems. He's only fulfilling Everyman's dreams "Of titties and pussy and well-rounded tush." And with that I buried My face in her bush. She couldn't reply She could only just grunt, As my tongue danced over The lips of her cunt. She huffed and she puffed As her orgasm grew. I stuck in a finger-- And then I stuck two! She spread her legs wider, She was getting real hot, Then her body went spastic As my tongue hit the spot. Her climax was heard For miles around. Her pussy juice gushed-- And I just about drowned! Sowewatchedallthe movies, We drank all the beer, And we humped all the way Into the New Year. For Pimp-Daddy Claus said Speeding off in his truck: "Merry Christmas to all, And to all a good FUCK!"
