A statement of principle for love and lust

<https://www.lushstories.com/stories/love-poems/authenticity-1.aspx>

I am a person of substance A woman with character So what I seek is the same A man with principles
Who is authentic, not a player With the same sensibility One who is capable of love As well as lust
and passion I am not a quick shag Not a temporary solution To a long term problem Not a fungible
receptacle for you To use and discard for the next in line Another crude female lollipop A woman who
is not disposable There is so much more to me And the man for me wants and needs that He makes
me indispensable As a friend, a partner, a lover And sometimes, an inspiration So what I want and
need is A man of strength and intelligence Humour, and yes, desire and sensuality There are not a lot
of them But I have found him Lucky me Lucky him Lucky us
