It's achin' It's breakin' You said you were though I didn't know what to do It's achin' It's breakin'  
Watching you walk out the door My heart fell to the floor It's achin' It's breakin' When your car pulled  
away My heart was not okay It's achin' It's breakin' Then you were gone And I don't know what I've  
done wrong It's achin' It's breakin' They say time heals a broken heart But time stood still since we've  
been apart
