Celine. Stare at the screen, Eyes are so green. Only a screen, Can they be seen. She'll always be, A mystery. If we ever met, Would it be to regret? Finger tip, holds down a key. A digital dream that's my Celine. Verse: Electro machine, Can it still mean, Something real, Though virtual. Verse: Willing to go, With this cyber falling. I can't stop myself, The keyboard is calling. Finger tip, holds down a key. A digital dream that's my Celine. Is she just a dream? My Celine. Celine.
