Anything that I publish is mine, and remains so.

My first love

<https://www.lushstories.com/stories/love-poems/dashing-dominic.aspx>

He was my first love, his name was Dominic And he was blessed with a perfectly ginormous pulsating prick, But it remained one of this life's great pities That he never rubbed it off between my eager titties, Nor did he ever explore my warm interior Preferring instead that gentlemen entered his posterior, But for all my disappointment one thing must surely be said And that is that Dom gave perfectly pleasing head..... Bless him.
