Did you know that you were my heart ? Did you know you broke my heart? Did you know I waited for my phone to ring ? Did you know my number hasn't changed? Did you know when you were sad I was sad ? Did you know when you laughed I laughed? Did you know I wished on stars to hear from you? Did you know the brightness of the stars was the twinkle in my eyes for you ? Did you know when we were together I felt like we were one ? Did you know together is what I always thought we would be? Did you know I believed in everything you stood for ? Did you know I wanted to stand with you not behind you? Did you know saying goodbye wasn't what I wanted to do? Did you know you made me say goodbye to you ? Did you know others believed in us while others wanted to be us ? Did you know stubborn was what we both were ? Did you know being scared to love one another was what we were ? Did you know I'm not scared anymore ? Did you know God watches over you for me ? Did you know I tell you I Love You nightly ? Did you know I hated that I was never enough for you ? Did you know you were always enough for me ? Did you know that I must end this as the tears have made it hard to go on? Did you know that I can only hope that you will read this ? Quell 1/30/2009
