Dream Eternal Copyright Don Abdul ©2005 Shh!! Say not a word Leave outside, worries of the world Sit back and relax Let me spoil you to the max Candle light Soft music, what a delight Chocolate, strawberries, whipped cream Tonight is the night, baby let's make a dream Close your eyes Let your imagination soar Your anxieties, your inhibitions lower Part your lips, taste this chocolate Its sweetness, in your mouth I shall taste Umgh! Delicious, not the chocolate, you! Let this go on for eternity Romantic reference for posterity This passionate embrace, this kiss As we soar to a place where no eagles dare Oooh! Here we are Clothed in chocolate, strawberries, and cream Right here, right now Our reality, our dream Tense yet relaxed Bated breath, passion maxed Smelling your hair Nibbling your ear Voices husky with promises and requests Licking whipped cream off voluptuous breasts One first, then the other On and on, all over Lie back my love Upon fragrant rose petals, let our sweet release evolve Sexy lips, hungry mouth Vice versa, north to south Take it; suck it, my cream-dipped chocolate stick Your juicy, strawberry wetness, I gently lick Oh! This is Eden Moan.....cries..., 'tween us there is noth hidden Sweet....sweet torture Deep sensual pleasure Would I this goes on for eternity Alas, we are temporal, cursed with brevity Oh sweetness, time is now.....ugh! Let the man in me take the woman in you Thick, proud chocolate hardness Plunging....ever slowly....deeply into this haven So soft, hot, dripping wet place of sweetness Shivers, flutters, quivers, explosion of colors Deep intense....animal passion Explosive release....dissipation Seeds of life, elixir of love One from under, the other above Collapsing in a heap of love Cold hands of reality intrude No bother.....this dream is made eternal
