Fuck You
Fuck you with your glinting eyes That hold me e'er spellbound. Fuck you with your cool disdain On which I run aground. Fuck you for your curling lips That sneer each phrase they spit. Fuck you for the words you say And those you do omit. Fuck you and your roaming hands That stroke the air, not me. Fuck you and that world we shared Now naught but old debris. Fuck your still abiding presence That stalks my every day. Fuck those undying memories I can't quite shut away. Fuck you with your friendship Those messages you send. Fuck your expectation That I might be your friend. Fuck you for the nervousness I feel each time you're there. Fuck you and my desperate need My obsession to declare. Fuck your fickle caresses That tantalise my skin. Fuck your teasing, seductive words That cause my head to spin. Fuck the tense uncertainty That clouds our ritual dance. Fuck those bruised and battered hearts So fearful of romance. Fuck the way my heart does pound Each time you do appear. Do you know my resistance Is but a thin veneer? So fuck me as I should be fucked Ecstatic bodies intertwined. Please take possession once again Of me; body, soul and mind.
