Reality overcomes infatuation

There was a time When it was new My heart missed a beat When I saw you There online Charming,
different Teasing and laughing Beguiled by you Your rough edges Made sparks rubbing against me I
paid no attention To what happened When I was absent Time zones saw to that You wanted me all
for you But would not give the same Demanding ownership Taking more than you would give
Because you had to be free To be here or gone For me to risk everything On the unknown I cannot, I
will not One cannot build on quicksand And I need to live by a safe harbour There will be another for
you I know – very soon Your emotions like your roots Are not very deep Perhaps you will remember
me And smile Goodbye
