A love connection

With every glance from your eyes you give me fever, i ache for you.

I can hardly bare it when you you look at me so sensually, yet i can not resist...

... Your embrace...

...so gentle and powerful that a single touch from your hands burns deep into my soul.

With every breath i take my knees weaken, i am yours, i submit to you and i submit to...

...Your electricity...

...arouses my senses with tender kisses upon my back and my breasts, my lips tremble

and my thighs quiver from the way your tongue explores and tastes me...

...Mmmm...

...the things you do to memakes the blood run through my body like liquid fire.
