Just a bit of whimsy on a dull day. My mind is wandering again.

I lost my penis. I don't know where it is. I held it in my hand, When I took my morning whiz. My ardent lover Had it in her mouth Just before We moved it south. I pushed and pulled And felt so right As I put it in Her pussy so tight. Her legs wrapped round me Felt like I would explode. Her pussy hugged me As I blew my load. We lay together Hugging and kissing I felt it there It wasn't missing I went to shower Wash and rinse That's when I noticed Haven't seen it since. That explains it all Like George on the Seinfeld Show That Shrinkage Factor Made it go.
