I want to... All of sudden I miss you I need you I crave you I want to pull you into my arms To kiss you To feel you To taste you I want to push you against the wall To enter you To take you To have you I want to hear your voice Moaning for me Begging for me Screaming for me I want to feel your body Quivering for me Shuddering for me Trembling for me I want to make you Bite me Lose yourself in me Reveal your inner animal instinct to me I want to explode inside you When you cum for me When your body arches for me When your voice becomes hoarse for me I want to hold you tight When you collapse on top of me And whisper to you Telling you that I miss you I need you I crave you And I love you
