Love melted away from my life making it completely barren colorless your presence made me feel heavenly in paradise you fill colors in my life your presence is a rainbow to me Life was never pleasing without you your presence making all the difference giving life a meaning soothing purposive smiley creative full of colors my life without you was so barren single lonely yearning for flowers to blossom You softly walked into my life as heavenly bliss blossoming flowers of rainbow colors expressing love filling my heart with ultimate beauty life without you so meaningless a dull routine losing creativity The heavenly flower of your love blessed me with creativity purpose and reason to live love and care all others besides self making my existence so purposive life is now so full worth living when you're around everything feels just wonderful meaningful and friendly barren deserts suddenly appear full of flowers life blossoming productive as if lost paradise regained
