Fiveorsix shots of espresso through nodemand of my own. Perfect end to a commute with a worthwhile jumper. playing "Sing Out" by Celtic Women Steering a curve at 65 with my knees heading into a bright orange sun south of the dark cityscape. The jumper was good! and turned out to be, blessed of all, a woman and brunette and I imagined her to have big tits and a wet cunt. She did when I was done with her at 85 miles an hour in a chess board or lattice comb of opportunity, focus, and nerve. She'll get better if for just remembering how her wet cunt got dusted on Thursday morning.
