Long distance love, how are you?
Are you thinking of me too?
I thought about you again today,
Just hoping that you are okay,
Can't you please pick up the phone?
As I sit here all alone.

Long distance love, do you recall?
The times it seemed we had it all,
The times we thought would never end,
But now I need more than a friend,
Everything could be so right,
If you would just come home tonight.

Long distance love, can't you see?
How much you really mean to me,
Sometimes it seems to be my fate,
To have to sit at home and wait,
But if this is what I have to do,
I will always be here for you.
